Four different keys and crosses, plus liberal use of all three registers of the instrument, will prove just how versatile a 10-hole C diatonic harp can be. Each of the 16 solos, written and recorded by renowned blues-harpist Steve Cohen, is chock full of great licks and techniques for you to learn and incorporate into your playing: scale licks, octavelicks, overblow

licks, incremental bend licks, high-note blow bend licks, warblelicks. *WunderKeys Rock Repertoire for Teen Beginners 2* Trevor Dow, Andrea Dow, 2019-02-25 With the release of the second book in our WunderKeys Rock Repertoire series you'll have plenty of music to keep your teens excited for their first year of piano lessons. In Book 2 it's time to rock out with beginning teen piano pieces in the G 5-Finger Scale! WunderKeys Rock Repertoire For Teen Beginners Book 2 is divided into two sections. Section 1 contains the 14 piano pieces with teacher duets. Section 2 contains the 14 piano pieces without teacher duets. The two-page layouts in the second section eliminate mid-piece page turns and facilitate effective home practice. If you haven't used the WunderKeys Rock Repertoire Series before, check out what teachers are saying: The description, including the title, specifies for beginning teenagers. But I have used it with ALL of my pre-teen and teen age students, as well as some beginning adults. The music is fun for my most experienced (they still have to concentrate) and satisfying for beginners. Students love these pieces and feel they have really accomplished something when they're able to play them with the duet part.

They sound so cool! I have an adult student recovering from a stroke, and this book has been extremely helpful. The pieces sound mature and contemporary, but are simple enough for her to experience success as she works at regaining her skills. I also use it for my older beginner students, but it really shines for my teens. The authors have additional support materials available on their blog, and a support group for teachers on FB that is highly recommended. Bring the magic of WunderKeys Rock Repertoire For Teen Beginners Book 2 to your studio today.
