Balance Lucia Franco,2024-01-11 Adrianna Rossi is no stranger to the rigorous demands required of her body. Years of pain and determination make her one of the best. Olympic glory is the ultimate goal, and she'll do anything to achieve it. Even if that means leaving home to attend World Cup Academy of Gymnastics, a training center that serves one purpose-producing champions. Perfection, precision, and dedication are required of his athletes. When two time Olympian Konstantin Kournakova is persuaded into training the young hopeful, he immediately regrets it. She doesn't come close to his high standards. As the relentless pursuit of her dream keeps her striving, a passion is ignited within him. Kova's power and domination, coupled with Adrianna's fierce tenacity, reveal there is more for her body to learn. Every interaction can be misconstrued, but there's no mistaking the darkening of his gaze, the lingering of his touch, or the illicit image of his bare skin pressed against hers. Integrity is on the line. One toe off the beam and their forbidden desires could ruin everything they've worked for, throwing it all off balance.

Balance Nik Wallenda,2013-06-04 Nik Wallenda, King of the High Wire, doesn't know fear. As a seventh generation of the legendary Wallenda family, he grew up performing, entertaining, and pushing the boundaries of gravity and balance. When Nik was four years old, he watched a video from 1978 of his great grandfather, Karl Wallenda, walking between the towers of the Condado Plaza Hotel in Puerto Rico, stumbling, and falling to his death because of improper rigging. When Nik heard his father quote his great-grandfather-Life is on the wire, everything else is just waiting-the words resonated deep within his soul and he vowed to be a hero like Karl Wallenda. Balance is the theme of Nik's life: between his work and family, his faith in God and artistry, his body and soul. It resonates from him when performing and when no one is looking. When walking across Niagara Falls, he prayed aloud the entire time, and to keep his lust for glory and fame in check, Nik returned to the site of his performance the next day and spent three hours cleaning up trash left by the crowd. Nik Wallenda is an entertainer who wants to not only thrill hearts, but to change hearts for Christ. Christ is the balance pole that keeps him from falling. Nik Wallenda is an entertainer who wants to not only thrill hearts, but to change hearts for Christ. Christ is the balance pole that keeps him from falling.

Your Body in Balance Neal D Barnard, MD,2020-02-04 This nationally bestselling book explains the shocking new science of how hormones are wreaking havoc on the body, and the delicious solution that improves health, reduces pain, and even helps to shed weight. Hidden in everyday foods are the causes of a surprising range of health problems: infertility, menstrual cramps, weight gain, hair loss, breast and prostate cancer, hot flashes, and much more. All of these conditions have one thing in common: they are fueled by hormones that are hiding in foods or are influenced by the foods we eat. Your Body in Balance provides step-by-step guidance for understanding what's at the root of your suffering-and what you can do to feel better fast. Few people realize that a simple food prescription can help you tackle all these and more by gently restoring your hormone balance, with benefits rivaling medications. Neal Barnard, MD, a leading authority on nutrition and health, offers insight into how dietary changes can alleviate years of stress, pain, and illness. What's more, he also provides delicious and easy-to-make hormone-balancing recipes, including: Cauliflower Buffalo Chowder Kung Pao Lettuce Wraps Butternut Breakfast Tacos Mediterranean Croquettes Apple Pie Nachos Brownie Batter Hummus Your Body in Balance gives new hope for people struggling with health issues. Thousands of people have already reclaimed their lives and their health through the strategic dietary changes described in this book. Whether you're looking to treat a specific ailment or are in search of better overall health, Dr. Neal Barnard provides an easy pathway toward pain relief, weight control, and a lifetime of good health.

Game Balance Ian Schreiber,Brenda Romero,2021-08-16 Within the field of game design, game balance can best be described as a black art. It is the process by which game designers make a game simultaneously fair for players while providing them just the right amount of difficulty to be both exciting and challenging without making the game entirely predictable. This involves a combination of mathematics, psychology, and occasionally other fields such as economics and game theory. Game Balance offers readers a dynamic look into game design and player theory. Throughout the book, relevant topics on the use of spreadsheet programs will be included in each chapter. This book therefore doubles as a useful reference on Microsoft Excel, Google Spreadsheets, and other spreadsheet programs and their uses for game designers. FEATURES The first and only book to explore game balance as a topic in depth Topics range from intermediate to advanced, while written in an accessible style that demystifies even the most challenging mathematical concepts to the point where a novice student of game design can understand and apply them Contains powerful spreadsheet techniques which have been tested with all major spreadsheet programs and battle-tested with real-world game design tasks Provides short-form exercises at the end of each chapter to allow for practice of the techniques discussed therein along with three long-term projects divided into parts throughout the book that involve their creation Written by award-winning designers with decades of experience in the field Ian Schreiber has been in the industry since 2000, first as a programmer and then as a game designer. He has worked on eight published game titles, training/simulation games for three Fortune 500 companies, and has advised countless student projects. He is the co-founder of Global Game Jam, the largest in-person game jam event in the world. Ian has taught game design and development courses at a variety of colleges and universities since 2006. Brenda Romero is a BAFTA award-winning game director, entrepreneur, artist, and Fulbright award recipient and is presently game director and creator of the Empire of Sin franchise. As a game director, she has worked on 50 games and contributed to many seminal titles, including the Wizardry and Jagged Alliance series and titles in the Ghost Recon, Dungeons & Dragons, and Def Jam franchises.

A Fine Balance Rohinton Mistry,2010-10-29 A Fine Balance, Rohinton Mistry's stunning internationally acclaimed bestseller, is set in mid-1970s India. It tells the story of four unlikely people whose lives come together during a time of political turmoil soon after the government declares a "State of Internal Emergency." Through days of bleakness and hope, their circumstances - and their fates - become inextricably linked in ways no one could have foreseen. Mistry's prose is alive with enduring images and a cast of unforgettable characters. Written with compassion, humour, and insight, A Fine Balance is a vivid, richly textured, and powerful novel written by one of the most gifted writers of our time.

Renewing the Balance Dirk Dunbar,2017-03-31 In Renewing the Balance, Dirk Dunbar shows how the balance worshipped in ancient Earth wisdom traditions is being integrated into Western culture's dominantly masculine, rational value system. Filled with hope, revelations regarding cultural evolution, and scholarship of the highest order, Dunbar's book passionately challenges all of us to recover the archaic reverence for the natural world, to reconsider the limits of growth, progress, and mechanistic thinking, and to join in the newly reclaimed celebration of life that fosters peace and the potential for a sustainable future. Dirk Dunbar's Renewing the Balance is a crucial and comprehensive account of how traditional cultures maintained a healthy balance that preserved our natural world and how our modern technocratic, economic ideology has produced a culture that is dangerously out of balance. It is at once a diagnosis of our dis-ease and a prescription for healing our collective psyche, polis, and environment. A truly fascinating philosophical adventure. ~Sam Keen Author of 12 books, including The Passionate Life and Hymns to an Unknown God Renewing the Balance brings depth and breadth to our efforts to understand how Western culture evolved as it did and to appreciate the many streams that now flow into our efforts to manifest ecological wisdom in a hypermodern world. ~Charlene Spretnak Author of 9 books, including States of Grace and The Resurgence of the Real

Achieving Balance Allan Willis,2012 Achieving balance is not the sole preserve of spiritual masters, gurus and the like. Would you like your life to feel more enjoyable and fulfilling? Is it time to empower yourself and take control of your emotions? This title helps you learn how to improve your relationship with yourself and others.

Balance Touré Roberts,2022-04-26 Imagine learning to tap into the awareness, sensitivity, and highest thought patterns that enable the most successful outcomes in life, love, and business. What would your life look like if you were able to break the patterns of inconsistency that keep you from your absolute best? Could it be possible to identify and regularly access the highest version of yourself, leaving behind past hit-or-miss cycles and instead starting to win in every key area of your life? These goals are not only possible--they are what you were made for! In Balance, bestselling author Touré Roberts guides us on the eye-opening journey that unpacks the divine formula that makes this a reality. This illuminating guide brings a unique and eye-opening perspective to the evasive concept of balance. Transcending familiar theories of work-life balance, Roberts teaches that balance is a state of existence, a becoming that, when realized, not only brings forth the highest version of an individual but optimizes their life's output, productivity, relational value, and overall achievement. As he unpacks balance with stunning relatability, Roberts connects with readers on

every level. His easy-to-grasp style of teaching and unabashed vulnerability illuminate and clarify how living in balance is the longing in each human heart. Roberts shares life-changing personal stories and the principles they inspired while discovering balance in his own life. As an author, speaker, entrepreneur, CEO, and lead pastor of two large congregations in the United States--not to mention a devoted husband and dedicated father of six--Roberts knows that merely juggling responsibilities is not the answer. Balance departs from traditional techniques of time management and better organization to get to the core issues at stake. Roberts reveals that the path to true balance prioritizes self and discovers the unique, deep internal needs of the individual first. Identifying your deepest needs not only is life-transforming but brings forth your greatest self, pouring an overflow of your best and highest abilities into the lives of everyone around you, Roberts explains. Balance is not about learning to effectively give pieces of yourself to important parts of your life. Balance is about knowing and becoming your entire self--and then giving from your wholeness to everyone and everything within the context of your life. Key chapters include The Power of No, which unpacks why no is the most powerful word in your vocabulary; There's No Team in I, a liberating and paradigm-shifting exploration of the difference between being selfish and the transformational quality of a term Roberts coins as being self-ful; The 5 Signs of Imbalance, which will help you quickly identify the imbalances in your life and effectively respond before crisis hits; and Balance after The Blow, a step-by-step guide to get you back on your feet after experiencing an unexpected setback. You'll walk away from each illuminating chapter with powerful principles, tools, and prompts for self-evaluation. A personal navigation guide like no other, Balance charts your path to productivity, peace, positivity, purpose, and unlimited possibilities.

Pocketful of Miracles Joan Borysenko,2001-03-15 From the New York Times bestselling author of Minding the Body, Mending the Mind comes a powerful collection of spiritual activities that we can use every day in order to create miracles in our lives. Through daily meditations and exercises, Borysenko helps us to let go of fear and realize the light of peace.

Off Balance Matthew Kelly,2011-09-15 The prescriptive follow-up to the New York Times bestseller The Dream Manager. One of the major issues in our lives today is work-life balance. Everyone wants it; no one has it. But Matthew Kelly believes that work- life balance was a mistake from the start. Because we don't really want balance. We want satisfaction. Kelly lays out the system he uses with his clients, his team, and himself to find deep, long-term satisfaction both personally and professionally. He introduces us to the three philosophies of our age that are dragging us down. He shows us how to cultivate the energy that will give us enough battery power for everything we need and want to do. And finally, in five clear steps, he shows us how to use his Personal & Professional Satisfaction System to establish and honor our biggest priorities, even if we spend a lot more time on some of the lesser ones.

True Balance Sonia Choquette,2010-03-10 When you balance your seven energy centers, you reclaim your natural rights and reestablish your natural order. You begin to undo the damage that was caused by living your life backward, from the head first, forgetting the body and spirit altogether. As with everything in nature, if your life isn't supported by a grounded source of energy, it will wither and lose its vitality. As you learn about the chakras, you will discover that balancing them isn't particularly hard, especially if you think of it as a process of not just living your life, but actually loving your life. -- From the Introduction How can we balance our time and energy when our days are so hectic? How can we find harmony in mind, body, and spirit? In True Balance, renowned intuitive and spiritual healer Sonia Choquette presents a step-by-step workbook for finding balance within our seven essential energy centers, or chakras. Drawing upon her deep personal experience and practice, she offers a wise and down-to-earth guide to achieving harmony. With supportive questionnaires, practical advice, and many specific remedies, Choquette leads us to a balanced life filled with creativity and blessings.

Finding My Balance Mariel Hemingway,2003-01-30 Actress Mariel Hemingway uses the lessons and practices of yoga as a starting point for her own personal reflections and a larger-than-life family story. The result is a searingly honest memoir that is firmly practical, as well as a moving narrative of the author's struggle to deal with a complex and often stressful life. Mariel was the third daughter born to Jack Hemingway, Ernest Hemingway's son, and Byra Whittlesey. Her older sister, Muffet, suffered for years from instability, while middle sister Margaux, a celebrated actress and model who was caught up in the fast lane, eventually died of the effects of her driven lifestyle. Their mother, Byra, was darkly moody and emotionally quixotic, and made no secret of her disdain for her husband, while Jack, himself insecure in no small part because of his celebrated father, a man he never really felt he knew, was an indifferent parent at best. Even before she was a teenager, Mariel was forced to assume the role of stable center of her family. In just about every way, she never really had a childhood of her own, a situation that was exacerbated by her sudden thrust into celebrity when she was first cast in sister Margaux's film Lipstick, then in Woody Allen's Manhattan. Suddenly, Mariel was a movie star. Always an athletic person, Mariel turned to yoga and its meditative practice in an effort to maintain her center while much of her life threatened to spin out of control. As the title of this remarkable memoir suggests, much of her adult life has been directed toward finding and maintaining her balance in situations that have been heartbreakingly unsettling and emotionally disorienting. Throughout the book, Mariel uses her yoga training as a starting point for each chapter, carefully describing a particular position, then letting her mind wander into thoughts of the past and her rocky life. As each chapter begins with instruction, so does the book end in the same way, the exercises this time organized in a sequence that can be followed by anyone who wants to practice them. Included are photos of Mariel as she performs the various moves. Living the life now of wife and mother to two teenaged daughters while still pursuing a career in film, Mariel Hemingway has weathered some of the worst storms that life can bring. Certainly she has found her balance. And in this deeply inspiring, thoroughly fascinating memoir, she shares for the first time the story of that journey.

Shifting the Balance, 3-5 Katie Cunningham,Jan Burkins,Kari Yates,2023-09-14 In this much anticipated follow-up to their groundbreaking book, *Shifting the Balance: 6 Ways to Bring the Science of Reading into the Balanced Literacy Classroom*, authors Jan Burkins and Kari Yates, together with co-author Katie Cunningham, extend the conversation in *Shifting the Balance 3-5: 6 Ways to Bring the Science of Reading into the Upper Elementary Classroom*. This new text is built in mind specifically for grades 3-5 teachers around best practices for the intermediate classroom. *Shifting the Balance 3-5* introduces six more shifts across individual chapters that: Zoom in on a common (but not-as helpful-as-we-had-hoped) practice to reconsider Untangle a number of misunderstandings that have likely contributed to the use of the common practice Propose a more science-aligned shift to the current practice Provide solid scientific research to support the revised practice Offer a collection of high-leverage, easy-to-implement instructional routines to support the shift to more brain-friendly instruction The authors offer a refreshing approach that is respectful, accessible, and practical - grounded in an earnest commitment to building a bridge between research and classroom practice. As with the first *Shifting the Balance*, they aim to keep students at the forefront of reading instruction.

Wholeness Touré Roberts,2018-02-06 Wholeness is about removing invisible boundaries from our lives that keep us from realizing our highest potential. In order to live an outer life without limits, we have to uncover and address the inner limitations that hide in our blind spots. This life-changing book explains that regardless of where you are in life, Wholeness will take you higher. Wholeness will elevate your sense of fulfillment in life, produce healthier, more rewarding relationships, and will position you for optimum success in every endeavor. International thought leader and pastor Touré Roberts explains we can't always choose the experiences that keep us from being whole, but we can take control of our lives today and bring healing to any broken area. Key chapters include an in-depth relationship guide titled *Two Halves Don't Make a Whole*. The *Cracked Mirror* shows how unprocessed experiences can negatively shape our view of self, others, and the world around us. *Ghosts of the Past* gives powerful, practical tools for avoiding the traps of the past and ensuring that we enter into the amazing future that God has planned for us. Wholeness is filled with wisdom garnered from Touré's own life--raised by a single mom, narrowly escaping the trappings of inner-city life, and finding success in corporate America. His insight is further broadened by his role as founder of one of the most influential churches in the nation, with over fourteen years pastoring thousands of millennials, couples, families, and a diverse group of individuals. Wholeness will take you on a transformational journey that won't leave you the same. Concluding with a Wholeness Test, Wholeness will help you track and maintain your progress while walking out your journey to your full potential.
