Companion to Baptist Hymnal William Jensen Reynolds, 1976 The publication of Baptist Hymnal 1975 has already modified the musical life of Southern Baptist churches. While conserving the hymns and gospel songs that Baptists have long loved, it has substantially increased the breadth of their hymnody. It is perhaps the first major denominational hymnal to reflect the new folk-gospel hymnody that is dynamically emerging today in American Christianity. It also draws, however, on great hymnic traditions of the past, especially those of England and Germany. It thus is a surprisingly universal collection of Christian song. It is this exciting book, developed under the editorial leadership of William J. Reynolds, which is the basis for Companion to Baptist Hymnal. The companion contains background information about the content of the hymnal--when and where texts and tunes were written, who authors and composers are, and some fascinating facts about why texts were written and how they have affected Christian life. Much of the panorama of Christian history is reflected in these pages, from the devotion of medieval monastics to the stirring lives of reformers and revivalists. Every reader who would understand Christianity stands to learn from these pages. Leaders of Christian worship, in particular, need the depth of background information that is provided here. Ministers and congregational music leaders can gain new understanding of, and appreciation for, the rich treasury of devotion that is contained in the hymnal. People who are interested in the study of Christian hymnody will find information here about recent hymns that has never been published before. Familiar material about older hymns is presented in clear and concise form. The first section of the book is arranged alphabetically by hymn text, with tunes discussed under related texts. The second section alphabetically lists authors and composers.--Dust jacket.

The Baptist Hymnal William Rawson Stevenson, 2017-01-09 Excerpt from The Baptist Hymnal: A Collection of Hymns and Spiritual Songs It only remains to be stated that, whenever practicable, the original text of every author has been consulted; and this text has been rigorously followed, except in cases where to the Committee of Preparation there seemed to be specially strong reasons for a change. When any change has been made, though it be only in a single important word, the fact is indicated by affixing an asterisk to the author's name. In these cases the author is not to be held responsible for the hymn as it stands. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. The Baptist Hymnal ,

Old School Hymnal Bryce H. Lowrance, 2021-05-25 From the song of Moses on the shore of the Red Sea, to the hymn at the close of our Lord's first communion, the singing of psalms, hymns and spiritual songs is an essential part of worship for God's people. In the wisdom of the Glorious Creator, God created man in his image, which included a voice – a uniquely human instrument capable of producing melody. And so, our Lord delights in worship with the voice of praise. From the psalms composed by David on the grassy hillsides of Bethlehem, to the thunderous chorus of "Holy! Holy! Holy!" offered by the seraphim in the throne room of heaven, expressions of singing in worship are evident. And notably, Zephaniah declared the Lord rejoices in singing Himself: "The LORD thy God in the midst of thee is mighty; he will save, he will rejoice over thee with joy; he will rest in his love, he will joy over thee with singing." (Zephaniah 3:17). Truly, God's people rejoice in songs of praise through the ages. By singing Psalms in the early church, in quiet whispers of praise in dens and caves of the earth during persecution, singing praises to our Lord endures. In recent centuries, times of revival and despair alike have sown seeds of creativity, and hymns of praise blossomed and bloomed. As such, visionary men like Elder Lee Hanks, saw fit to collect hymns, true to God's word in sentiment, and place them in hymnbook form to use in worship. To commemorate the 100th year of the Old School Hymnal, with hearts set on the glory of God, and enveloped by our rich history of worship in song, we the members of the newly restructured, non-profit Old School Hymnal Foundation Board, humbly present to you the Centennial Edition. In 1920, the founding members of the 1st edition presented a compilation of beloved hymns. In updating the hymnal, we prayerfully labored to honor their focus, endeavoring to maintain treasured, long-standing hymns, while also offering new compositions. We believe the Lord blessed us to remain true to scripture and honor Him with the words and melodies selected. In following the footsteps of our forefathers in hymnody, we echo the words of Elders Monsees and Pittman, in the preface to the 3rd edition, as we tried to include "the best old songs, and some of the new good ones..." In recent years, the Holy Spirit has blessed the creation of new hymns, born from the souls of redeemed children of God, moved and affected by the influence of grace. In honoring the spirit of past editions, and striving to obey the unction of the Holy Spirit, we are united in the desire to share some new songs. Having begun in the fall of 2019, and concluded in the midst of uncertain times, we believe a Providential blessing is in the timing of this effort. As unprecedented upheaval and abject fear

prevails, we are compelled to present a point of light to push back against the darkness. While angry, dispirited voices reach a fever pitch, as the vitriolic squawk of malicious accusations command our attention, amidst the din of hard speeches and great swelling words, our prayer is that a different sound rises above the fray. In Christian homes, among congregations of Spirit-led worship, and from hearts of weary sinners, may songs of praise and voices of worship rise to adorn and adore the worthy name of Jesus. Accepting full responsibility for omissions, oversights and mistakes, and pleading for the mercy and blessing of God, we give to you this Centennial Edition, trusting the voice of praise will lift up to glorify our resurrected, reigning and returning Savior.
