Harper's Bazaar: 150 Years Glenda Bailey, 2017-04-11 America's first fashion magazine, Harper's Bazaar has showcased the visions of legendary editors, photographers, and stylists and featured the works of noted writers since 1867. From its beginnings as a broadsheet aimed at the rising leisure class, the publication has since transformed into a magazine devoted to examining the lives of women through the lens of fashion. In celebration of the magazine's 150th anniversary in 2017, Harper's Bazaar: 150 Years captures the greats who have shaped the magazine over these decades. Harper's Bazaar: 150 Years includes the most iconic pieces of work from the magazine's archive: more than 150 photographs and covers and 50 text excerpts, including articles, poems, and works of fiction. Organized chronologically, the selections showcase the breadth of creativity and artistry that has been published in the pages of the magazine for more than a century and prove that Harper's Bazaar is more than just a fashion magazine.

Fortune's Bazaar Vaudine England, 2023-05-16 A timely, well-researched, and vibrant new history of Hong Kong that reveals the untold stories of the diverse peoples who have made it a multicultural world metropolis—and whose freedoms are endangered today. Hong Kong has always been many cities to many people: a seaport, a gateway to an empire, a place where fortunes can be dramatically made or lost, a place to disappear and reinvent oneself, and a mixing pot of diverse populations from literally everywhere around the globe. A British Crown Colony for 155 years, Hong Kong is now ruled by the Chinese Communist Party. Here, renowned journalist Vaudine England delves into Hong Kong's complex history and its people—diverse, multi-cultural, cosmopolitan—who have made this one-time fishing village into the world port city it is today. Rather than a traditional history describing a town led by British Governors or a mere offshoot of a collapsing Chinese empire, Fortune's Bazaar is the first thorough examination of the varied peoples who made Hong Kong. While British traders and Asian merchants had long been busy in the Indian and South East Asian seas, there were many from different cultures and ethnic backgrounds who arrived in Hong Kong, met and married—despite all taboos—and created a distinct community. Many of Hong Kong's most influential figures during its first century as a city were neither British nor Chinese—they were Malay or Indian, Jewish or Armenian, Parsi or Portuguese, Eurasian or Chindian—or simply, Hong Kongers. England describes those overlooked in history including the opium-traders who built synagogues or churches, ship-owners carrying gold-rush migrants, property tycoons, and more. Here, too, is the visionary who plumbed Hong Kong's harbor depths to spur reclamation, the half-Dutch Chinese gentleman with two wives who was knighted by Queen Victoria, and the landscape gardeners who settled Kowloon and became millionaires. A story of empire, race, and sex, Fortune's Bazaar combines deep archival research and oral history to present a vivid history of a special place—a unique city made by diverse people of the world, whose part in its creation has never been properly told until now.

According to the August Forrester Report, 56 percent of IT managers interviewed at Global 2,500 companies are already using some type of open source software in their infrastructure and another 6 percent will install it in the next two years. According to Bob Young, This is Eric Raymond's great contribution to the success of the open source revolution, to the adoption of Linux-based operating systems, and to the success of open source users and the companies that supply them.The interest in open source software development has grown enormously in the past year. This revised and expanded paperback edition includes new material on open source developments in 1999 and 2000. Raymond's clear and effective writing style accurately describing the benefits of open source software has been key to its success. With major vendors creating acceptance for open source within companies, independent vendors will become the open source story in 2001.

The Great Railway Bazaar Paul Theroux,2006-06-01 The acclaimed author recounts his epic journey across Europe and Asia in this international bestselling classic of travel literature: "Compulsive reading" (Graham Greene). In 1973, Paul Theroux embarked on a four-month journey by train from the United Kingdom through Europe, the Middle East, and Southeast Asia. In The Great Railway Bazaar, he records in vivid detail and penetrating insight the many fascinating incidents, adventures, and encounters of his grand, intercontinental tour. Asia's fabled trains—the Orient Express, the Khyber Pass Local, the Frontier Mail, the Golden Arrow to Kuala Lumpur, the Mandalay Express, the Trans-Siberian Express—are the stars of a journey that takes Theroux on a loop eastbound from London's Victoria Station to Tokyo Central, then back from Japan on the Trans-Siberian. Brimming with Theroux's signature humor and wry observations, this engrossing chronicle is essential reading for both the ardent adventurer and the armchair traveler.

Bazaar to Piazza Rosamond E. Mack,2002 From Italian textiles featuring Islamic and Asian motifs to ceramics and glassware that reflected Syrian techniques and ornamental concepts, this book gives an extraordinary view of the influence of imported Oriental goods in Italy over three crucial centuries of artistic development, from 1300 to 1600..

The Renaissance Bazaar Jerry Brotton,2003-05-22 More than ever before, the Renaissance stands as one of the

defining moments in world history. Between 1400 and 1600, European perceptions of society, culture, politics and even humanity itself emerged in ways that continue to affect not only Europe but the entire world. This wide-ranging exploration of the Renaissance sees the period as a time of unprecedented intellectual excitement and cultural experimentation and interaction on a global scale, alongside a darker side of religion, intolerance, slavery, and massive inequality of wealth and status. It guides the reader through the key issues that defined the period, from its art, architecture, and literature, to advancements in the fields of science, trade, and travel. In its incisive account of the complexities of the political and religious upheavals of the period, the book argues that Europe's reciprocal relationship with its eastern neighbours offers us a timely perspective on the Renaissance as a moment of global inclusiveness that still has much to teach us today.

Order at the Bazaar Regine A. Spector, 2017-08-15 *Order at the Bazaar* delves into the role of bazaars in the political economy and development of Central Asia. Bazaars are the economic bedrock for many throughout the region—they are the entrepreneurial hubs of Central Asia. However, they are often regarded as mafia-governed environments that are largely populated by the dispossessed. By immersing herself in the bazaars of Kyrgyzstan, Regine A. Spector learned that some are rather best characterized as islands of order in a chaotic national context. Spector draws on interviews, archival sources, and participant observation to show how traders, landowners, and municipal officials create order in the absence of a coherent government apparatus and bureaucratic state. Merchants have adapted Soviet institutions, including trade unions, and pre-Soviet practices, such as using village elders as the arbiters of disputes, to the urban bazaar by building and asserting their own authority. Spector's findings have relevance beyond the bazaars and borders of one small country; they teach us how economic development operates when the rule of law is weak.

Dream Decor Will Taylor, 2016-05-19 Will understands the life-enhancing abilities of colour. He's a true talent with a keen eye. By inspiring readers to look to their surroundings and call on their own travel memories and personal journeys, the book will be the practical yet playful travel companion the reader needs to create their own Destination Decor style.

Bazaar India Anand A. Yang, 1999-02-01 The role of markets in linking local communities to larger networks of commerce, culture, and political power is the central element in Anand A. Yang's provocative and original study.

Yang uses bazaars in the northeast Indian state of Bihar during the colonial period as the site of his investigation. The bazaar provides a distinctive locale for posing fundamental questions regarding indigenous societies under colonialism and for highlighting less familiar aspects of colonial India. At one level, Yang reconstructs Bihar's marketing system, from its central place in the city of Patna down to the lowest rung of the periodic markets. But he also concentrates on the dynamics of exchanges and negotiations between different groups and on what can be learned through the voices of people in the bazaar: landholders, peasants, traders, and merchants. Along the way, Yang uncovers a wealth of details on the functioning of rural trade, markets, fairs, and pilgrimages in Bihar. A key contribution of *Bazaar India* is its many-stranded narrative history of some of South Asia's primary actors over the past two centuries. But Yang's approach is not that of a detached observer; rather, his own voice is engaged with the voices of the past and with present-day historians. By focusing on the world beyond the mud walls of the village, he widens the imaginative geography of South Asian history. Readers with an interest in markets, social history, culture, colonialism, British India, and historiographic methods will welcome his book.

The Grand Bazaar Istanbul Serdar Gulgun, 2011-09 With its rich 500-year history, Istanbul's Grand Bazaar has quite a story to tell. Black Bazaar Alain Mabanckou, 2012-07-05 Finalist for the Man Booker International Prize 2015 Buttologist is down on his uppers. His girlfriend, Original Colour, has cleared out of their Paris studio and run off to the Congo with a vertically challenged drummer known as The Mongrel. She's taken their daughter with her. Meanwhile, a racist neighbour spies on him something wicked, accusing him of 'digging a hole in the Dole'. And his drinking buddies at Jips, the Afro-Cuban bar in Les Halles, pour scorn on Black Bazaar, the journal he keeps to log his sorrows. There are days when only the Arab in the corner shop has a kind word; while at night his dreams are stalked by the cannibal pygmies of Gabon. Then again, Buttologist wears no ordinary uppers. He has style, bags of it (suitcases of crocodile and anaconda Westons, to be precise). He's a dandy from the Bacongo district of Brazzaville - AKA a sapeur or member of the Society of Ambience-makers and People of Elegance. But is flaunting sartorial chic against tough times enough for Buttologist to cut it in the City of Light?

Body Bazaar Lori B. Andrews, Dorothy Nelkin, 2001 This disturbing and eye-opening book explores the growing trade in human DNA, blood, tissues, bones, embryos, and other commodities of the burgeoning new biotechnology market.

Bazaar Literature LESLEE. THORNE-MURPHY, 2022-12-15 Charity bazaars were a key method women used to intervene in political, social, and cultural affairs. *Bazaar Literature* reorients our understanding of Victorian social reform fiction by reading it in light of the copious amount of literature generated for charity bazaars--which shaped the social, political, and literary movements of its time.

Bazaar Politics Noah Coburn, 2011-09-28 After the fall of the Taliban, instability reigned across Afghanistan.

However, in the small town of Istalif, located a little over an hour north of Kabul and not far from Bagram on the Shomali Plain, local politics remained relatively violence-free. *Bazaar Politics* examines this seemingly paradoxical situation, exploring how the town's local politics maintained peace despite a long, violent history in a country dealing with a growing insurgency. At the heart of this story are the Istalifi potters, skilled craftsmen trained over generations. With workshops organized around extended families and competition between workshops strong, kinship relations become political and subtle negotiations over power and authority underscore most interactions. Starting from this microcosm, Noah Coburn then investigates power and relationships at various levels, from the potters' families; to the local officials, religious figures, and former warlords; and ultimately to the international community and NGO workers. Offering the first long-term on-the-ground study since the arrival of allied forces in 2001, Noah Coburn introduces readers to daily life in Afghanistan through portraits of local residents and stories of his own experiences. He reveals the ways in which the international community has misunderstood the forces driving local conflict and the insurgency, misunderstandings that have ultimately contributed to the political unrest rather than resolved it. Though on first blush the potters of Istalif may seem far removed from international affairs, it is only through understanding politics, power, and culture on the local level that we can then shed new light on Afghanistan's difficult search for peace.

The Bazaar in the Islamic City Mohammad Gharipour, 2012-10-01 The Middle Eastern bazaar is much more than a context for commerce: the studies in this book illustrate that markets, regardless of their location, scale, and permanency, have also played important cultural roles within their societies, reflecting historical evolution, industrial development, social and political conditions, urban morphology, and architectural functions. This interdisciplinary volume explores the dynamics of the bazaar with a number of case studies from Cairo, Damascus, Aleppo, Nablus, Bursa, Istanbul, Sana'a, Kabul, Tehran, and Yazd. Although they share some contextual and functional characteristics, each bazaar has its own unique and fascinating history, traditions, cultural practices, and structure. One of the most intriguing aspects revealed in this volume is the thread of continuity from past to present exhibited by the bazaar as a forum where a society meets and intermingles in the practice of

goods exchange-a social and cultural ritual that is as old as human history.

A VISIT TO THE BAZAAR LOVER OF CHILDREN,2023-05-13 My dear, said Mrs. Durnford to her husband on his return from a long walk, I this morning received a letter from poor Susan Boscawen, full of the most lively expressions of her gratitude, for the kind assistance which you gave to her on the death of her father. She has established herself at the Bazaar, in Soho-square, which I understand is a most respectable institution, founded by a gentleman of considerable opulence residing in the place, and by this means, she is enabled to support her aged mother and her two helpless brothers. The one you know is a cripple, and the other was born blind. If you have no objection, I should like to take the children to town some morning, when it would be convenient to you to accompany us, and shew them the interior of our English Bazaar.
