**Beep** David Wanczyk,2018-03-12 In *Beep*, David Wanczyk illuminates the sport of blind baseball to show us a remarkable version of America's pastime. With balls tricked out to squeal three times per second, and with bases that buzz, this game of baseball for the blind is both innovative and intense. And when the best beep baseball team in America, the Austin Blackhawks, takes on its international rival, Taiwan Homerun, no one's thinking about disability. What we find are athletes playing their hearts out for a championship. Wanczyk follows teams around the world and even joins them on the field to produce a riveting inside narrative about the game and its players. Can Ethan Johnston, kidnapped and intentionally blinded as a child in Ethiopia, find a new home in beep baseball, and a spot on the all-star team? Will Taiwan's rookie MVP Ching-kai Chen—whose superhuman feats on the field have left some veterans suspicious—keep up his incredible play? And can Austin's Lupe Perez harness his competitive fire and lead his team to a long-awaited victory in the beep baseball world series? *Beep* is the first book about blind baseball.

**The Beep Beep Man** L. P. Vine, 2018-03-17 Amie, a nine year old girl, suddenly comes into contact with her estranged mother Trish, who's been absent from her life for the past five years. Strung out on heroin and tired of her life as a street walker, Trish feels the need to turn her life around and become a mother again; but for what reason? Adam, Amie's biological father and current care giver is on a downward spiral of his own. He became addicted to oxycodone during a lengthy, work related back injury and has turned to heroin as a cheaper alternative to ease his pain. He lives on the first floor apartment below his parents, who have assisted the single working Dad with Amie's care. To the grandparent's dismay, they are shocked to learn that Trish has taken Amie for an overnight sleepover. As the days pass with no word from Trish; paranoia sets in when the grandparents believe, Trish, may be seeking custody of Amie. There's nothing stopping Trish from uprooting Amie from her current home. The grandparents know they have no legal right to intervene with this unwed couple and feel the courts would side with the unwed mother. Somehow they must hide the fact of Adam's drug addiction and must convince Trish that it would be in Amie's best interest to live with Adam. It's not an easy task, when they don't know how to contact her.
