**The Best of Me** David Sedaris, 2020-11-03 What could be a more tempting Christmas gift than a compendium of David Sedaris's best stories, selected by the author himself? From a spectacular career spanning almost three decades, these stories have become modern classics and are now for the first time collected in one volume. For more than twenty-five years, David Sedaris has been carving out a unique literary space, virtually creating his own genre. A Sedaris story may seem confessional, but is also highly attuned to the world outside. It opens our eyes to what is at absurd and moving about our daily existence. And it is almost impossible to read without laughing. Now, for the first time collected in one volume, the author brings us his funniest and most memorable work. In these stories, Sedaris shops for rare taxidermy, hitchhikes with a lady quadriplegic, and spits a lozenge into a fellow traveler's lap. He drowns a mouse in a bucket, struggles to say 'give it to me' in five languages and hand-feeds a carnivorous bird. But if all you expect to find in Sedaris's work is the deft and sharply observed comedy for which he became renowned, you may be surprised to discover that his words bring more warmth than mockery, more fellow-feeling than derision. Nowhere is this clearer than in his writing about his loved ones. In these pages, Sedaris explores falling in love and staying together, recognizing his own aging not in the mirror but in the faces of his siblings, losing one parent and coming to terms - at long last - with the other. Taken together, the stories in *The Best of Me* reveal the wonder and delight Sedaris takes in the surprises life brings him. No experience, he sees, is quite as he expected - it's often harder, more fraught and certainly weirder - but sometimes it is also much richer and more wonderful. Full of joy, generosity, and the incisive humor that has led David Sedaris to be called 'the funniest man alive' (Time Out New York), *The Best of Me* spans a career spent watching and learning and laughing - quite often at himself - and invites readers deep into the world of one of the most brilliant and original writers of our time.

*Thank You for My Service* Mat Best, Ross Patterson, Nils Parker, 2019-08-20 NEW YORK TIMES BESTSELLER • The unapologetic, laugh-your-ass-off military memoir both vets and civilians have been waiting for, from a five-tour Army Ranger turned YouTube phenomenon and zealous advocate for veterans. Members of the military's special operations branches share a closely guarded secret: They love their jobs. They relish the opportunity to fight. They are thankful for it, even, and hopeful that maybe, possibly, they'll also get to kill a bunch of bad guys while they're at it. You don't necessarily need to thank them for their service—the pleasure is all theirs. In this hilarious and personal memoir, readers ride shotgun alongside former Army Ranger and private military contractor and current social media phenomenon Mat Best, into the action and its aftermath, both abroad and at home. From surviving a skin infection in the swampy armpit of America (aka Columbus, Georgia) to kicking down doors on the outskirts of Ramadi, from blowing up a truck full of enemy combatants to witnessing the effects of a suicide bombing right in front of your face, *Thank You for My Service* gives readers who love America and love the good guys fresh insight into what it's really like inside the minds of the men and women on the front lines. It's also a sobering yet steadying glimpse at life for veterans after the fighting stops, when the enemy becomes self-doubt or despair and you begin to wonder why anyone should be thanking you for anything, least of all your service. How do you keep going when something you love turns you into somebody you hate? For veterans and their friends and families, *Thank You for My Service* will offer comfort, in the form of a million laughs, and counsel, as a blueprint for what to do after the war ends and the real fight begins. And for civilians, this is the insider account of military life you won't find anywhere else, told with equal amounts of heart and balls. It's Deadpool meets Captain America, except one went to business school and one went to therapy, and it's anyone's guess which is which.

*The Best of Me* Nicholas Sparks,2011-10-11 In this #1 New York Times bestselling novel of first love and second chances, former high school sweethearts confront the painful truths of their past to build a promising future—together. Everyone wanted to believe that endless love was possible. She'd believed in it once, too, back when she was eighteen. In the spring of 1984, high school students Amanda Collier and Dawson Cole fell deeply, irrevocably in love. Though they were from opposite sides of the tracks, their love for one another seemed to defy the realities of life in their small town in North Carolina. But as the summer of their senior year came to a close, unforeseen events would tear the young couple apart, setting them on radically divergent paths. Now, twenty-five years later, Amanda and Dawson are summoned back home for the funeral of Tuck Hostetler, the mentor who once gave shelter to their high school romance. Neither has lived the life they imagined . . . and neither can forget the passionate first love that forever changed their lives. As Amanda and Dawson carry out the instructions Tuck left behind for them, they realize that everything they thought they knew—about Tuck, about themselves, and about the dreams they held dear—was not as it seemed. Forced to confront painful memories, the former lovers will discover undeniable truths about the choices they have made. And in the course of a single, searing weekend, they will ask of the living, and the dead: Can love truly rewrite the past?
