Handbook of flower pollination, based upon Hermann Muller's work Paul Erich Otto Wilhelm Knuth,1898

Mild and Partly Cloudy Blumen Young,2003 Mild and Partly Cloudy is simply a collection of thoughts and feelings and just about anything else that crossed my mind over the last several decades. So you'd better put your boots on, because you're going to be wading through a wide variety of writing. Along with various pieces of prose, I've included a theatrical monologue, a short story, a mini-screenplay, a prayer, things that I call short shots, and a

few other miscellaneous selections that don't seem to fit into any particular category. I've also included some song lyrics that are complete tunes with chorded melodies, and just waiting to be charted and produced. But for now, they're just words on a page, and I hope they read entertainingly. So, a lot of different stuff, indeed. Nevertheless, I have tried to remain true to the overall theme of the book, and that theme is best described by my foreword: Through the years, thoughts have tumbled over and over in my mind like herds of evening clouds, high in the sky, lighted by the moon, drifting with directionless purpose, always on the go, never going anywhere. These are a few of the ones that got caught.
