*Art Deco of the Palm Beaches* Sharon Koskoff, 2007 Art Deco design is a jazzy celebration of the Machine Age, mass production, geometry, and the straight line. In Palm Beach County, sleek themes are seen representing tropical, nautical, masculine, and stylized motifs that reflect speed and technology. Elements include eyebrows, flat roofs, porthole windows, rounded corners, columns, glass blocks, bandings, multiples of three, and Zig-Zag steps. Palm Beach County has dozens of Art Deco treasures built throughout the 1920s, 1930s, and 1940s, which are located in the downtowns of Delray Beach up through West Palm Beach. Art Deco architecture found in Palm Beach County is spread out rather than concentrated in one location. These buildings are significant to the history of South Florida because they represent some of the earliest structures ever built in the area. These remarkable gems are in danger of being demolished due to the ever-increasing amount of development throughout the county.

**The Hog Book** William Hedgepeth, 2008-08-01 The Hog Book is one of the most radical works in the annals of classic animal literature. This is the definitive work that touched off the whole recent revolution in our hog awareness leading to the ever-spreading acceptance of pigs as pets, as working partners, organ

donors, movie stars, and so many other fresh manifestations of the barely tapped porcine potential. The Hog Book is also a lot of fun.
