James R Karmel

Casino Nicholas Pileggi,2016-10-18 The true story behind the Martin Scorsese film: A “riveting . . . account of how organized crime looted the casinos they controlled” (Kirkus Reviews). Focusing on Chicago bookie Frank “Lefty” Rosenthal and his partner, Anthony Spilotro, and drawing on extensive, in-depth interviews, the #1 New York Times–bestselling author of the Mafia classic Wiseguy–basis for the film Goodfellas–Nicholas Pileggi reveals how the pair worked together to oversee Las Vegas casino operations for the mob. He unearths how Teamster pension funds were used to take control of the Stardust and Tropicana and how Spilotro simultaneously ran a crew of jewel thieves nicknamed the “Hole in the Wall Gang.” For years, these gangsters kept a stranglehold on Sin City’s brightly lit nightspots, skimming millions in cash for their bosses. But the elaborate scheme began to crumble when Rosenthal’s disproportionate ambitions drove him to make mistakes. Spilotro made an error of his own, falling for his partner’s wife, a troubled showgirl named Geri. It would all lead to betrayal, a wide-ranging FBI investigation, multiple convictions, and the end of the Mafia’s longstanding grip on the multibillion-dollar gaming oasis in the midst of the Nevada desert. Casino is a journey into 1970s Las Vegas and a riveting nonfiction account of the world portrayed in the Martin Scorsese film of the same name, starring Robert DeNiro, Joe Pesci, and Sharon Stone. A story of adultery, murder, infighting, and revenge, this “fascinating true-crime Mob history” is a high-stakes page-turner (Booklist).

Super Casino Pete Earley,2009-11-04 In this lively and probing book, award-winning author Pete Earley traces the extraordinary evolution of Las Vegas -- from the gaudy Mecca of the Rat Pack era to one of the country's top family vacation spots. He revisits the city's checkered history of moguls, mobsters, and entertainers, reveals the real stories of well-known power brokers like Steve Wynn and legends like Howard Hughes and Bugsy Siegel, and offers a fascinating portrait of the life, death, and fantastic rebirth of the Las Vegas Strip. Earley also documents the gripping tale of the entrepreneurs behind the rise and fall and rise again of one of the largest gaming corporations in the nation, Circus Circus -- to which he was given unique access. In his trademark you-are-there style, he takes us behind the scenes to meet the blackjack dealers and hookers, the heavy hitters and bit players, the security officers, cabbies, and showgirls who are caught up in the mercurial pace that pulses at the heart of this astounding city.

The Casino Answer Book John Grochowski,1998 In casino gambling there's a house advantage built into every game. John Grochowski shows you how to beat that advantage and increase your winning odds in three of the most popular casino games (blackjack, video poker, and roulette).

No Work and All Play Roger Wagner,2011-05-26 The contents of the book describe the many examples of the types of characters and crazy daily episodes that an average person who selects a career in casino hotel management will witness and are part of during a lifetime in such a career. The book is really not about me, but it is a lifetime chronicle of my career where every work day is fun and there is almost never any drudgery. The three most interesting characters in the book are none other than a tycoon named Donald Trump, a Casino Icon named Jack Binion and a baseball legend named Mickey Mantle. The book also describes many other very interesting real-life persons in my career from Mob-connected people to other well known casino operators of their day. Most of these characters are not famous celebrities but their stories are sometimes even more humorous than those of Trump or Mantle. The stories about these people are real and actually happened, although the actual dates may be incorrect in some cases and some of the intricate details may be embellished to improve the stories. None of the tales degrade any of the characters in my book, but I do tell humorous stories about all of them that demonstrate they all have to put their pants on one leg at a time like the rest of us. It is not a text book, but it can serve as a good primer for a person considering making gaming hospitality their career objective. The seven different sections of the book are written to show how a person entering a casino hospitality position might evolve from the lowest level in a casino organization to a very high level of management, and that it generally takes many years to accomplish. It also describes the different relationships that one develops in any type of business and I use real people to illustrate how they each fit into the different types of relationships.

Casino Craps for the Winner Avery Cardoza, The best-selling classic has sold over 500,000 copies! Players no longer need to be intimidated by this game. Cardoza offers a comprehensive and easy-to-understand book for both beginning players new to the game and experienced players looking for the maximum edge possible. Careful explanations and loads of examples show players the basics of playing craps, the various bets, their odds and payouts, money management and bankrolling. Cardoza shows the best possible ways to win money for players who like to bet with the dice or against them. Includes Cardoza's copyrighted grandmaster strategy and glossary.

Casino Nicholas Pileggi,2015-08-13 The Stardust... The Fremont... The Marina. They ran them all. And they lost. Big time. No one knew more about casinos than Frank 'Lefty' Rosenthal, the gambling mastermind who, along with his best friend and partner, Anthony 'the Ant' Spilotro, virtually ran Las Vegas for the mob. For years it was the perfect arrangement – Lefty provided the smarts, while Tony kept the bosses happy with weekly suitcases filled with millions in skimmed cash. It should have lasted forever but Lefty’s obsessions with running the town – and Tony’s obsession with Lefty’s beautiful showgirl wife, Geri – eventually led to betrayals and investigations that exploded into one of the greatest scandals in mob history. Casino is the shattering inside account of how the mob finally lost its stranglehold on Las Vegas, the neon money-making machine it had created.

Casino Operations Management Jim Kilby,Jim Fox,Anthony F. Lucas,2006-06-12 Complete guidance to the ins and outs of gaming operations Management personnel need a thorough understanding of the business side of the casino industry to ensure profits???and to avoid losses. It's a sure bet that Casino Operations Management, Second Edition will help current and future gaming management professionals better serve any casino. Written by experts with over 65 years of combined experience in the field, this Second Edition offers all the critical skills and know-how to equip gaming and casino operators with the knowledge needed for the management office, cage operations, and table game and slot operations. This updated edition features detailed coverage of: Current high-roller marketing tactics and their effect on profitability The effect of popular money management systems on casino profits The initial development process of an Indian casino Studies designed to identify the patronage motives of gamblers, including those of riverboat customers Slot club design: player rating issues, point accumulation schemes, and more Principles of casino floor design: managing table game and slot location Studies designed to measure the profit contribution of popular slot promotions Casino Operations Management, Second Edition uses simplified mathematics and statistics throughout, and provides readers with a thorough understanding of all aspects of the casino industry business. It is a must-have reference for students and casinos that develop managers internally.

Trade Like a Casino Richard L. Weissman, 2011-09-02 A detailed look at the common characteristics found in most successful traders. While there are a variety of approaches to trading in the financial markets, profitable traders tend to share similar underlying characteristics. Most have a methodology that they believe will prove profitable over the long run and are willing to endure short-term setbacks. If you're looking to make the most of your time in today's markets, you need to understand what separates the best from the rest. And with *Trade Like a Casino*, you'll gain the knowledge needed to excel at this challenging endeavor. Engaging and informative, this reliable guide identifies and explains the key techniques and mental processes characteristic of successful traders. It reveals that successful traders operate very much like a casino in that they develop a method that gives them positive expectancy and they unflappably implement the method in the face of changing, and oftentimes volatile, market conditions. Page by page, the book explores the intricacies of methodology, mental control, and flexibility that allow traders to develop and maintain the casino-like edge. Reveals how many successful traders tend to follow the same general principles, even if their approach to trading may differ. Explores how to account for the risk of being wrong and the market moving against you. Discusses how to develop an approach that combines trade selection with sound risk management, avoids emotional attachment to positions, exploits volatility cycles, and focuses on market action. Regardless of how you approach markets, the insights found here will help improve the way you trade by putting you in a better position to distinguish the differences between successful and unsuccessful traders.

Suburban Xanadu David G. Schwartz, 2003 Institution. Remarkably detailed and entertaining, *Suburban Xanadu* tells us a great deal about popular leisure in America, and why the suburban ideal has become so dominant in our social life. Book jacket.

Gambling on the American Dream James R. Karmel, 2015-10-06 Provides a historical perspective for understanding the exponential growth of casinos in the United States since 1990, by telling the story of Atlantic City, New Jersey since the 1970s. This work uses oral history to focus on the human stories of the region in addition to the broader story of economic and social impacts.

The Secret Casino at Red Men's Hall Samuel W. Valenza Jr., 2014-04 The sleepy town of Mt. Holly, New Jersey, was more than it seemed. In the unsettled years following the Great Depression, it hosted the Secret Casino at Red Men's Hall, an underground playground that attracted Mafia bosses and players alike. Under the watchful and protective eye of author Samuel Valenza Jr.'s father, the casino was a thriving den for craps, roulette, poker, and slots players. the continuing cooperation of local law enforcement was assured each Saturday morning, when Officer Bucky Squires made his pickup of payoff money held for him in Mom's icebox. Growing up in this environment, the author's young life was scarred with violence, fear, hunger, betrayal, and homelessness, while his father enjoyed the high life with his powerful gangster associates. the author was just six years old when Frank Paulie Carbo, a prolific Murder, Inc. assassin, raided the casino and slaughtered his uncle, the casino handyman and 'gofer'--as a warning. the murder was the beginning of the end at Red Men's Hall, which fell under intense scrutiny from the authorities. Using the narrative style of a crime novel, Valenza recalls the intimate and often dangerous days of a life lived in the shadow of the Mafia.

Casino Gamble Talk: The Language Of Gambling And The New Casino Game Victor H. Royer, 2014-08-26 Discover The Gambling Secrets That Every Pro Knows The 21st-century casino is a high-tech, fast-paced world complete with its own peculiar language and rules. Do you know the difference between a boxman and boxcars? How about when to scratch and when to stand, and what a puck is? (Hint: it has nothing to do with hockey.) In this updated, indispensable guide, gambling columnist and consultant Victor H. Royer reveals everything you need to know about modern gambling--from the terminology and slang that's integral to casino play to profiles of the new table games, slots, progressives, multi-link, multi-game, and video poker machines. *Casino Gamble Talk* provides all the tools you need to maximize your gaming enjoyment--and increase the odds in your favor. Discover: How to parlay like a pro New games and eTable games Valuable tips on novelty table games such as Let It Ride, Pai Gow Poker, and Caribbean Stud How to get comps (free rooms, food, and tickets to shows) Which games offer the best odds--and how to play

them to your best advantage Insider secrets of classic casino games, such as Blackjack, Craps, Roulette, Mini-Baccarat, and Big Board Keno And much, much more Here is an essential gambling resource that shows you how to have the most fun for the least amount of risk, and walk out a winner every time. 95,000 Words

The Great Casino Heist Richard Marcus,2005 One of a select band of the world's greatest professional cheats, Richard Marcus toured the gambling cultures of Las Vegas, London and Monte Carlo, winning huge sums of money from casinos by elaborate sleight-of-hand tricks with gaming chips. He and his gang were great tacticians, backing up their moves with psychological set-ups to convince pit bosses that they were watching legitimate high rollers getting lucky, while in fact their casinos were being robbed blind. Here, for the first time, Richard Marcus tells his outrageous tale of a lifetime spent cheating casinos. This insider story of how one very smart man and his small band were able to beat some of the biggest casinos at their own game opens a window on to a hidden world of intriguing personalities, tense situations and very close shaves.

Risk and Reward N. Richard Werthamer,2009-07-07 For decades, casino gaming has been steadily increasing in popularity worldwide. Blackjack is among the most popular of the casino table games, one where astute choices of playing strategy can create an advantage for the player. RISK AND REWARD analyzes the game in depth, pinpointing not just its optimal strategies but also its financial performance, in terms of both expected cash flow and associated risk. The book begins by describing the strategies and their performance in a clear, straightforward style. The presentation is self-contained, non-mathematical, and accessible to readers at all levels of playing skill, from the novice to the blackjack expert. Careful attention is also given to simplified, but still nearly optimal strategies that are easier to use in a casino. Unlike other books in the literature the author then derives each aspect of the strategy mathematically, to justify its claim to optimality. The derivations mostly use algebra and calculus, although some require more advanced analysis detailed in supporting appendices. For easy comprehension, formulae are translated into tables and graphs through extensive computation. This book will appeal to everyone interested in blackjack: those with mathematical training intrigued by its application to this popular game as well as all players seeking to improve their performance.

Stripping Las Vegas Karin Jaschke,Silke Ötsch,2003

Loser: Thoughts and War Stories from Years of Casino Battles Mr. Lucky,2021-04-14 Loser: Thoughts and War Stories from Years of Casino Battles By: Mr. Lucky Loser: Thoughts and War Stories from Years of Casino Battles is a fun, enjoyable read about all of the interesting characters and characteristics of casinos and gambling. The book is filled with many different accounts of what makes casinos and everything connected to them so fascinating. With millions of people who frequent casinos and the millions more who wonder what this attraction is all about, there is a very large audience of people who will be nodding along and relating (and hopefully laughing) to the experiences Mr. Lucky has recounted. As maddening as losing can be, you need to just try to enjoy the entertainment value and all of the weirdness that goes along with it.

Beat the Casino Frank Barstow,1990-02

Embracing the Tune of Appearance: An Emotional Symphony within **Casino**

In some sort of used by monitors and the ceaseless chatter of instant interaction, the melodic elegance and mental symphony created by the written word often diminish in to the back ground, eclipsed by the persistent sound and disturbances that permeate our lives. Casino Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Casino PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Casino PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Casino free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to

personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Casino Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Casino is one of the best book in our library for free trial. We provide copy of Casino in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Casino. Where to download Casino online for free? Are you looking for Casino PDF? This is definitely going to save you time and cash in something you should think about.
