

Casinos

David G. Schwartz

Super Casino Pete Earley, 2000 Las Vegas was a mob town built on restlessness and hunger, on glitter, greed, and the firm belief that anyone can get lucky once. But in the last decade Las Vegas has had its own change of fortune, transforming itself from a gambler's fun house to one of the country's top family vacation spots. Now Pete Earley--the investigative journalist and award-winning author who stormed Leavenworth in *The Hot House*--takes us inside today's colossal theme casinos, in a fascinating look at the life, death, and fantastic rebirth of the Las Vegas Strip. With 320 days of sunshine, 500 churches, 27 golf courses, and no state income tax, Las Vegas is the ultimate boomtown. And at the heart of the boom are the new entertainment superstores known as super casinos. How do they run? Who are the business titans responsible for these extravagant showplaces? And why was the gaudy Vegas of the Rat Pack era remade in the first place? Pete Earley traces this evolution by taking a probing look at the checkered history of Las Vegas--when moguls, mobsters, and the world's top entertainers came together to create this ultimate monument to American excess. This fascinating book reveals the real stories of well-known power brokers like Steve Wynn, Vegas legends like Howard Hughes and Bugsy Siegel, and the gripping rise and fall and rise again of the entrepreneurs behind one of the largest gaming corporations in the nation, the colossus Circus Circus, to which the author was given unique access. Earley's trademark you-are-there style brings us front and center as whales win and lose hundreds of thousands of dollars in a few seconds. We see grifters try every trick in the book to beat the odds--while eye-in-the-sky cameras record all the action. We go behind the scenes to meet the blackjack dealers and hookers, the heavy hitters and bit players, the maids and chefs, security officers, cabbies, and showgirls who are caught up in the mercurial pace that pulses at the heart of this astounding city. This lively, probing book lays forth the real Las Vegas and shows how and why it has become the biggest draw in the country, offering adult and family entertainment like no other in the world. The result is an intriguing, often troubling look at a uniquely American city founded on greed--and a nation that built its own mad Mecca in the desert. This is the new Las Vegas--no longer the stomping ground of the Rat Pack, but just as fascinating, just as energized, just as cutthroat. What, and who, is behind it all? Earley was offered unique access to one of the largest gaming corporations in the nation (Circus Circus), and through his investigation of other major gambling enterprises, he shows how the Strip of yesterday has transformed itself, with multi-faceted, themed mega-complexes offering adult and family entertainment like no other in the world. Wall Street analysts call Las Vegas the biggest cash cow in America--its 1999 revenues were a staggering \$27.2 billion. *SUPER CASINO* tells how it came to be the biggest draw in the country, while catching the voices of those large and small--bosses, shift managers, dealers, cashiers, showgirls, hookers, cabbies, tourists, and of course, the players--who make it run today. -->

Beat the Craps Out of the Casinos Frank Scoblete, 2005 Until now, craps has been considered an unbeatable casino game because the house has an edge on every bet. Learn how to take beat the system in this new edition of the bestselling book on craps.

The Last Resort John Dombrink, William Norman Thompson, 1990 An examination of the ten major campaigns to legalize casino gambling in America

The Impact of the Three Land Based Indian Casinos in Louisiana Ross Philip Liner, 2004-11 The Impact of the Three Land Based Indian Casinos in Louisiana is a study on how the surrounding communities are affected. Louisiana's Indian tribes were devastated by war and prejudice. For decades these tribes had to depend on others; now through Indian gaming they have become self-sufficient. The limitations and benefits to gaming are many. Social costs are weighed and reported on. Gaming regulation is defined by Supreme Court decisions, Federal Acts, and state compacts. Census data such as population, household income, and poverty status is analyzed pre and post casino. The Impact of the Three Land Based Indian Casinos in Louisiana reports on how much money is given to local municipalities and how they spend it. Quite possibly the government that supported these tribes now relies on them.

Craps Underground Frank Scoblete, 2004-01-13 In a revealing, no holds barred style, America's best selling gambling author shares the exciting inside story of the new advantage players. Frank introduces us to the fascinating Runyonesque characters who are out there beating the system.

Governing Fortune Ernest P. Goss, Edward A. Morse, 2009-12-22 Written by a lawyer and an economist, *Governing Fortune* summarizes the legal framework supporting the gaming industry and reviews the costs and benefits of casinos by showing how tax base and job growth vary widely with site-specific factors. The book sets forth an innovative proposal for the licensing of gamblers as a means to balance the liberty interests of individuals against the social costs generated from problem gambling behavior. Morse and Goss offer both regional and sector comparisons of the gaming industry and accessible data about every aspect of the gaming environment, including the impact of gambling on economic and social environments. Goss and Morse provide an outstandingly sound economic understanding of the function and place of casinos in American society, including essential heretofore unavailable grounding in the legal issues that the book accomplishes remarkably effectively. Moreover, this wealth of economic and legal information is transmitted in an engaging and readable manner. Scholarly, thoughtfully collected and authoritative, the book is of interest to any learner of the gambling industry, including students, civic activists, legislators, and scholars. -- Earl Grinols, Baylor University In this book, Morse and Goss make important contributions to our understanding of the negative outcomes of the expansion of gambling in America. -- Jon Bruning, Nebraska Attorney General Edward A. Morse is Professor of Law and holder of the McGrath North Mullin & Kratz Endowed Chair in Business Law at Creighton University School of Law. Ernest P. Goss is Professor of Economics and MacAllister Chair at Creighton University and was a 2004 scholar-in-residence with the Congressional Budget Office.

Gambling Politics Patrick Alan Pierce, Donald E. Miller, 2004 Examines the dramatic growth of legal gambling in the United States--and the shifting and often contentious politics accompanying its spread.

American Roulette Richard Marcus, 2003-09-19 The true story of a 25-year career spent ripping off the world's casinos, *American Roulette* affords readers a never-before-seen view of the culture of gambling.

Suburban Xanadu David G. Schwartz, 2003 Institution. Remarkably detailed and entertaining, *Suburban Xanadu* tells

us a great deal about popular leisure in America, and why the suburban ideal has become so dominant in our social life. Book jacket.

Resorting to Casinos Denise von Herrmann, 2011-01-01 After the devastation Hurricane Katrina wrought on Mississippi's Gulf Coast casinos, media nationwide reported the loss in revenue the state was bound to suffer. From just those casinos shut down or destroyed by the storm, \$500,000 in tax revenue had poured into Mississippi's coffers every day. Biloxi, Bay St. Louis, Gulfport, Greenville, Lula, Natchez, Tunica, and Vicksburg-destinations once known for hanging moss, antebellum homes, or seaside fun are now also sought out for casino gambling. The phenomenal growth of the Mississippi casino resort industry has attracted substantial interest from industry observers, public officials, politicians, and public interest groups. This book seeks to begin the conversation about the effects the industry and its dramatic growth have had on the politics, culture, and people of Mississippi. Prior to the casinos' arrival in mid-July of 1992, the river and coastal regions of Mississippi were mired in economic recession. Unemployment was high, incomes were low, and prospects for improvement were dim. One state economic developer said the decision to authorize casinos was born more out of desperation than any ingenious plan. As the third largest casino gaming market in the United States before Katrina, Mississippi today has a more than ten-year history with the casino industry. The twenty-nine non-Indian casino properties generated nearly \$3 billion in gross gaming revenues, resulting in about \$330 million in direct gaming taxes to the state. *Resorting to Casinos* provides insight into the ongoing debate as to how well the casino industry and Mississippi fit together. Political scientists, economic developers, sociologists, and policy analysts provide essays on such topics as the casino workplace, casinos and crime, the historical and cultural influences of casinos, and the economic ramifications. It provides the first multidisciplinary examination of the casino resort phenomenon in Mississippi. Additional information updates new gaming laws in Mississippi that will allow casinos to build inland on the Gulf Coast. Editor Denise von Herrmann looks at the legislative battle fought in Katrina's aftermath and the future of gaming across the state.

Powerful Profits From Casino Table Games Victor H Royer, 2014-07-29 The Insider's Guide To Playing—And Winning—Like A Pro! Some say gambling is a tough way to make an easy living. . .but that's only if you let Lady Luck determine your fate. Victor H. Royer has authored more than fifty casino reports, and his trade secrets and step-by-step techniques will enhance your gaming and fatten your bankroll. This fully updated, comprehensive guide contains professional tips and never-before-revealed strategies for Baccarat, Mini-Baccarat, Roulette, Let It Ride, Pai Gow Poker, Casino Liver Poker (Texas Hold 'Em and Seven-Card Stud), Casino War, Progressive Caribbean Stud, including games like Double Down Stud, Three Card Poker, Caribbean Draw, and Super Nines. Discover: Why Baccarat and Mini-Baccarat are among the most lucrative—and underplayed—games Which Roulette bets offer the highest short-term profits When—and when not—to Let It Ride Crucial differences between European and American Roulette Tips for selecting your high and low hands in Pai Gow Poker Which casinos offer the best variations and payouts on each game The importance of seat selection in Let It Ride and Caribbean Stud Guidelines for calculating your optimum bankroll And much, much more! Want to walk away a winner? This is the book for you! 89,500 Words

Gambling on the American Dream James R Karmel, 2015-10-06 Provides a historical perspective for understanding the exponential growth of casinos in the United States since 1990, by telling the story of Atlantic City, New Jersey since the 1970s. This work uses oral history to focus on the human stories of the region in addition to the broader story of economic and social impacts.

Tourism in Cuba Tony L. Henthorne, 2018-10-04 From the Flapper Era to Batista, Cuba strove to position itself as America's Caribbean playground, but Castro's Revolution put an end to that. Now, the "Cuban Thaw" promises US travelers a return to the island. This book explores the history and development of tourism in Cuba and provides insight on what it was, what it is, and what it may be.

Casino Nicholas Pileggi, 2016-10-18 The true story behind the Martin Scorsese film: A "riveting . . . account of how organized crime looted the casinos they controlled" (Kirkus Reviews). Focusing on Chicago bookie Frank "Lefty" Rosenthal and his partner, Anthony Spilotro, and drawing on extensive, in-depth interviews, the #1 New York Times—bestselling author of the Mafia classic *Wiseguy*—basis for the film *Goodfellas*—Nicholas Pileggi reveals how the pair worked together to oversee Las Vegas casino operations for the mob. He unearths how Teamster pension funds were used to take control of the Stardust and Tropicana and how Spilotro simultaneously ran a crew of jewel thieves nicknamed the "Hole in the Wall Gang." For years, these gangsters kept a stranglehold on Sin City's brightly lit nightspots, skimming millions in cash for their bosses. But the elaborate scheme began to crumble when Rosenthal's disproportionate ambitions drove him to make mistakes. Spilotro made an error of his own, falling for his partner's wife, a troubled showgirl named Geri. It would all lead to betrayal, a wide-ranging FBI investigation, multiple convictions, and the end of the Mafia's longstanding grip on the multibillion-dollar gaming oasis in the midst of the Nevada desert. *Casino* is a journey into 1970s Las Vegas and a riveting nonfiction account of the world portrayed in the Martin Scorsese film of the same name, starring Robert DeNiro, Joe Pesci, and Sharon Stone. A story of adultery, murder, infighting, and revenge, this "fascinating true-crime Mob history" is a high-stakes page-turner (Booklist).

American Casino Guide Steve Bourie, 2005-11 Listing more than 700 casinos in 36 states, this bestselling guide is jam-packed with detailed information and includes 150 coupons providing more than \$1,000 in savings. Consumable.

Powerful Profits Victor H. Royer, 2004 - Royer's monthly columns reach more than 300,000 readers- Royer has written more than fifty casino reports, profiling casino games and providing services for casinos like Hilton, Mirage, and Foxwoods

The Winner's Guide to Casino Gambling Edwin Silberstang, 2005-04 The definitive guide to the best strategies at the gambling table—now in a fully revised and updated fourth edition Long recognized as the gambler's bible, *The Winner's Guide to Casino Gambling* has been completely revised and expanded to include new rules and strategies for every major game in the casino, including several popular new ones.
