*On a Silver Platter* Greg M. Smith,1999 When the new medium of CD-ROMs emerged, industry figures and critics alike proclaimed their virtually unlimited potential. Adapting material from well-established media like television and film, CD-ROMs have quickly transformed genres such as science fiction and horror. At the same time, the realities of actual CD-ROMs often fall short of their utopian visions. On a Silver Platter marks a coming of age for CD-ROMs as a commercially and aesthetically significant medium demanding critical attention. Greg Smith brings together media scholars such as Lisa Cartwright, Henry Jenkins, Janet Murray, and Scott Bukatman to analyze how CD-ROMs offer alternatives to familiar places--to museums, to cities, and especially to classrooms. Examining specific CD-ROM titles, including, Sim City, Civilization, and Phantasmagoria, the contributors argue that CD-ROMs are complex texts worthy of close consideration, both for how they have changed our understanding of space and genre, and for how they will impact the development of future media. By examining particular CD-ROM texts and contexts, On a Silver Platter probes this new medium for insight and understanding into the current state of multimedia and into the future of technology.

**Then They Do** Trace Adkins,Jim Collins,Sunny Russ,2003 You want the dreams they dreamed of to come true-Then They Do. That line from one of country music's best songs in recent memory pretty much sums up the way millions of parents feel about their children. Many times as they are growing up and driving you crazy, you dream of when they will be out of the house-and you will have your life back again-and then they do. Then They Do is filled with heartwarming, and sometimes tear-inducing, stories from parents about cherishing the moments with your children and celebrating the fine young men and women they have become. This book will serve as a reminder to parents to seize those moments when their tiny ones are still underfoot, and will be a nostalgia-inducing keepsake for those whose children have moved upwards and onwards. A fine gift for parents young and old or for grown children in the midst of raising their own families.

**Music from Our Lord's Holy Heaven Book and CD** Gloria Jean Pinkney, 2005-09-27 Tapping a wellspring of comfort, inspiration, and renewal, Gloria Jean Pinkney has gathered twenty-two African-American spirituals and reverential songs. She's carefully chosen a psalm for each to illuminate its meaning. Soaring artwork by her husband, Jerry, and their sons, Brian Pinkney and Myles C. Pinkney, graces these pages. Expressing themselves in three distinct styles, these award-winning artists draw on a shared heritage to create images that meld beautifully. Including notes on music by daughter, Troy, and Gloria Jean Pinkney's moving tribute to the importance of spirited music in their lives, this is a book families will treasure. It evokes a universal feeling of harmony, with time-honored songs, psalms, and wondrous art to stir the heart. Your whole family is invited to join in as Gloria sings the twenty-two selections chosen for this book on the accompanying CD. Gloria Jean Pinkney grew up with the tradition of churchgoing, but she was a reluctant soloist until the Lord and His Redeemer strengthened her confidence. Her most recent publication is a book about the Holy Spirit, In the Forest of Your Remembrance.
