

Celebrity Blog

Kelli S. Burns

Dishing Dirt in the Digital Age Erin A.

Meyers, 2013 Beginning in the mid-2000s, celebrity gossip blogs exploded into the media market, challenging the traditional dominance of print tabloids as the primary space of celebrity dish and reconfiguring the audience's role in celebrity culture. This book is a critical and historical examination of the impact of the technological and textual shifts engendered by new media on the use of celebrity gossip as a form of everyday cultural production. Examining six popular American gossip blogs - Perez Hilton and Jezebel among them - at a peak moment of influence in the mid-2000s, this book explores how the technological affordances of new media enable the merging of the social practice of gossip with the practice of reading, creating an evolving participatory and community-based media culture that continues to transform celebrity culture in the digital age.

Celeb 2.0 Kelli S. Burns, 2009-10-22 This volume looks at how the new capabilities of Web 2.0 are changing the worlds of celebrity fandom and gossip. With Ashton Kutcher's record-breaking tweeting more famous than his films, and Perez Hilton actually getting more attention than Paris, the actress often covered in his blog, the worlds of celebrity celebration and online social networking are pushing the public's crush on the famous and infamous into overdrive. *Celeb 2.0: How Social Media Foster Our Fascination with Popular Culture* explores this phenomenon. *Celeb 2.0* looks at how blogs, video sharing sites, user-news sites, social networks, and message boards are

fueling America's already voracious consumption of pop culture. Full of fascinating insights and interviews, the book looks at how celebrities use blogs, Twitter, and other tools, how YouTube and other sites create celebrity, how Web 2.0 shortens the distance between fans and stars, and how the new social media influences news reporting and series television.

The Celebrity Tweet Directory Jeanne Harris, 2010-01-15 Tweet along with your favorite celebs! Divided by category with celebrities listed in alphabetical order so you can easily find your favorite celeb, The Celebrity Tweet Directory tweets you to conversations with hundreds of well-known actors, comedians, singers, politicians, sports figures, and more. With this handy guide, you can flutter into the world of celebrity chatter and experience how they reveal themselves in a way you don't see anywhere else. With this portable directory, you'll quickly and easily discover what's really happening in Hollywood, on Wall Street, or in Washington, all while following your favorite celeb. In addition, the helpful directory weeds out any fake celebrity twitter accounts, providing only real Twitter handles, saving you the hassle and time of sifting through phony accounts. Features a helpful celebrity directory so you can find your favorite celeb and enjoy sweet tweets from the hottest actors, singers, politicians, sports figures, and more Weeds out any phony celebrity accounts, saving you the hassle of sorting through fake accounts Helps keep you in the know with celebrities on the go, so you're up on what's

happening everywhere from Beverly Hills to Capitol Hill Be the first to hear celebrity buzz and get the chic tweets from your fave celebs with The Celebrity Tweet Directory!

TMI Perez Hilton, Leif Eriksson, Martin Svensson, 2020-10-06 Delicious memoir. . . . catnip for Hollywood gossip hounds. —Publishers Weekly The story of how Mario Lavandeira becomes Perez Hilton, the world's first and biggest celebrity blogger, with millions of readers around the globe. With Perez's help, many promising young artists reached the masses—Katy Perry, Adele, Amy Winehouse, and Lady Gaga, to name a few. Soon Perez was a Hollywood insider, but after a dramatic fallout with Lady Gaga, his blog became increasingly mean. When people called him a bully and a hypocrite for outing gay celebrities, Perez was forced to reevaluate not only his alter ego, but also himself. TMI reveals the man behind the blog in a new, revealing, and still juicy memoir.

Messy Heather Cocks, Jessica Morgan, 2012-06-05 Sometimes life gets Messy. When sixteen-year-old Brooke Berlin catches a taste of fame and her movie-star father's attention, she decides it's time to take her career to the next level--by launching a blog that will position her as a Hollywood It Girl who tells it like it is. But between schoolwork, shopping, and spray-tan appointments, she hardly has the time to write it herself... Enter green-haired outsider Max McCormack, an aspiring author with a terrible after-school job pushing faux meat on the macrobiotic masses. Max loathes the celebrity scene almost as much as she dislikes Brooke, but

wooded by an impressive salary, Max reluctantly agrees to play Brooke's ghost-blogger -- and the site takes off. How long will their lie last? Can the girls work together to stay on top, or will the truth come out and ruin everything they've built? Along with an entourage of fame-hungry starlets, scruffy rocker wannabes, and sushi-scarfing socialites, the case of Heather Cocks and Jessica Morgan's dazzling debut, *Spoiled*, are back for another adventure in Tinseltown.

Choose Me Jo Leigh, 2012-01-24 Trading Card:
Charlie Winslow Nickname: King of Manhattan
Occupation: Celebrity Blogger Marry/Date/One-night stand: One night...but it'll be fabulous Secret passion: Shh He's old-fashioned. Warning: Complete workaholic. Bottom line: Be genuine. Be yourself... Charlie Winslow isn't your average New York date--he's wealthy, successful and usually mingling with the A-list crowd. So how exactly did he get set up with Bree Kingston on Valentine's Day? Still, there's something about Bree. Her quirky style, her authenticity, or an unanticipated attraction that just keeps Charlie wanting more. And if Bree plays her trading card just right, this might be the luckiest--and nakedest--Valentine's Day ever

Celebrities' Most Wanted™ Marjorie Hallenbeck-Huber, 2010-06-30 Team Aniston or Team Jolie?
Whether you have admittedly chosen a side, chances are you know the feud these slogans reference and perhaps even remember where you were when news of the Aniston-Pitt split broke. Over the past three decades, buzz over the rich and famous has exploded, thanks in part to refined technology,

well-oiled media outlets, and a dedicated few who have greased up their own laptops to challenge the tabloid giants (think Perez Hilton). Much to their chagrin, or so they say, celebrities have become all the rage, lending to their adoring, or simply inquisitive, public not only a glamorous escapism but also the reality that even megastars suffer fault. Marjorie Hallenbeck-Huber fills you in on the juiciest bits to hit the celebrity gossip circuit over the past three decades. Read about the most bizarre hookups (Lance Armstrong and an Olsen twin, anyone?); marriages that lasted a Hollywood second, or fifty-five hours in the case of Britney Spears; celebrity baby names, like Heavenly Hiranni Tiger Lily, that even the creative teams at Crayola could not dream up; diet tricks and training regimens that guarantee a camera-ready body; “it” travel destinations where celebs go to laze under the sun—or to do good; and infamous crack-ups that surely sent publicists into a damage-control frenzy. Did we forget to mention sex tapes? Celebrities’ Most Wanted™ grants you access to the fascinating world of the rich and famous, where Red Carpet is a season, Fiji is more than a bottle of water, and saving the world is not such a far-off possibility.

Princess of Gossip Sabrina Bryan, Julia DeVillers, 2008-10-07 Who knows better than Sabrina Bryan of The Cheetah Girls what it's really like to be famous? In this addictive new novel, Sabrina teams up with popular author Julia DeVillers to tell the story of an ordinary girl with an extraordinary secret.... Life in southern California is not at all like Avery expected. She

feels invisible at her new high school, her parents are always working, and her only friends are on MySpace. If only her life was like the celebrities she reads about online.... When she's mistaken on MySpace for a rising pop star's assistant, Avery scores an invite to a glamorous Hollywood party and snaps a photo of a young starlet with her secret new beau. Eager to share her juicy scoop, Avery starts a blog, the Princess of Gossip, and the next thing she knows, she's the new gossip girl to watch. Suddenly she's getting the inside scoop on celebrity sightings, and designers are sending her their hottest clothes and accessories in the hopes of scoring a mention on her blog. When Avery shows up at school in her exclusive fashion swag, even Cecilia, the most popular girl in their class, takes notice. Then celebuteante playboy Beckett Howard sees Avery wearing one of his father's designs and asks her out. The Princess of Gossip's true identity is still a secret, but when the paparazzi catch Avery and Beckett on a date, Cecilia gets jealous. There's only room for one it girl at school. Can the Princess of Gossip hold onto her crown?

Finding Forever Ken Baker, 2015-09-08 In this YA series, Brooklyn Brant is a celebrity news blogger dying to have her big break. Her blog, Deadline Diaries, features the clickbait hook-ups, break-ups, and screw-ups of the Hollywood glitterati, but she has yet to nab the one juicy scoop that will establish her as the ultimate insider. Actress Taylor Prince is America's sweetheart-beautiful, talented, successful, and sober. With a Golden Globe win, Oscar nom,

clothing and fragrance line, and too many magazine covers to count, Taylor is ready to celebrate her sixteenth birthday with a big poolside bash. However, she is not prepared for a police raid and blacking out in the arms of a dangerously handsome stranger. Brooklyn is called by Taylor's assistant to locate the missing starlet under the radar and on a very tight deadline. And she will need both her sleuthing and journalistic skills to solve the mystery and get the story of a lifetime. In this suspenseful, dual narrative thriller alternating between the perspectives of Brooklyn and Taylor, author Ken Baker uses his in-depth experience with celebrity journalism and behind-the-scenes truths to explore the ugly underbelly of Hollywood's obsession with finding the ever elusive fountain of youth. [Excerpt:] "Sources are to a news-breaking blogger what water is to a plant: Everything but the sun."

Celebrity and Mediated Social Connections Neil M. Alperstein, 2019-05-16 *Celebrity and Mediated Social Connections* is a critical examination of the multiple realities of the mediated culture we traverse, extending from our imaginary inner worlds to the imagined communities of digital media. Chapters explore the dialogic at work when we connect with celebrities and internalize aspects of their personas due to the various social roles they serve within our everyday lives. What might begin as strong identification and internalization within our imaginary worlds, in this digital age, sometimes seeps out as we connect to celebrities, their fans, friends and followers in ways that were not formerly possible.

The book contains topics that range from the degradation of micro-celebrities, the role of celebrities in promoting prescription drugs and their role in contemporary social movements. The common thread that runs through the book presents a mediated world that paradoxically allows if not encourages people to daydream, engage in stream of consciousness thinking and fantasize about celebrities, all while concurrently compelling us to engage in a digitally based objective world. The possibility of interaction on and through digital media intensifies the emotional connection between celebrity and fan. The more personal details one gives up, the closer we feel we become—digital intimacy based on the excessive self. Digital media entice us to engage and remain tethered to technology, staying continuously connected so as not to miss the latest post or meme. To suggest we should build a proverbial wall between the two—imaginary and objective worlds—runs counter to the reality of an always on, always connected culture in which we presently live.

I'm Stalking Jake! Becky Heineke, 2010-08-31 It was a standard-issue celebrity crush. It was 2006, Brokeback Mountain was inspiring critical acclaim and late night talk show jokes alike and there was Becky Heineke, thinking Jake Gyllenhaal was looking pretty good. She was twenty-four, two years out of college, and had nothing better to do which is how she wound up joining a girl she'd never met to write a blog called Jake Watch. Over the blog's nineteen-month run, there were movie premieres, a movie script, a legitimately stupid

Internet rumor (accidental), one highly unsuccessful presidential campaign, a lost puggle, and a T-shirt business that may or may not have violated international copyright laws. But Jake Watch also aged its two writers more than its life span might suggest. While countless books have been written about celebrities, blogs, and the impact of the Internet on our changing culture, there hasn't, until now, been a book that exemplifies their influence on the first generation to grow up obsessed with all three. *Im Stalking Jake!* is a memoir unique to the age in which it was written, a comedy about the drama of growing up and reaching out in the era of Internet addiction and celebrity infatuation.

Let Me Be Frank Issue Four Sarah

Laing, 2013-05-12

Keeping Up the Kardashian Brand Amanda Scheiner McClain, 2013-10-29 The Kardashian family is a contemporary cultural touchstone, recognizable throughout the world connoting warrantless celebrity, voluptuous beauty, and social media savviness. Amanda Scheiner McClain explores the Kardashians' brand and celebrity via narrative discourse analyses of their hit reality television series, *Keeping Up with the Kardashians*, social media utilization, and popular press coverage. This triangulated study allows insight into contemporaneous American culture: societal norms, values, and ideologies, as well as structural and cultural aspects of cross-platform brand creation. The television series examination finds intrinsic paradoxes of sexuality/conservatism, family/business, beauty/unhappiness,

narcissism/celebrity, intimate/transgressiveness, and traditional/nontraditional gender roles, as well as materialism and public vs. private spheres themes. In addition, a study of the Kardashian blogs and Twitter use finds that their careful participation amplifies celebrity and unifies the overall brand into a single, sellable image across media. Through interactive media and just being themselves, the Kardashians renovate banal status updates and hackneyed reality television into character-constructing building blocks of brand, celebrity, and profits.

Celebrity in the 21st Century Larry Z.

Leslie, 2011-01-12 This book offers a critical look at celebrity and celebrities throughout history, emphasizing the development of celebrity as a concept, its relevance to individuals, and the role of the public and celebrities in popular culture. Tabloid magazines, television shows, and Internet sites inundate us with daily updates about movie stars, musicians, athletes, and even those who have achieved celebrity status simply for being rich and extravagant. Disturbingly, it appears that the harder our celebrities fall, the more fascinating they are to us. As popular culture becomes more influential, it is important to understand both the positive and negative aspects of celebrity. This volume traces the development of the concept of celebrity, discusses some of the problems facing both celebrities and their followers, and points to future trends and developments in our cultural understanding of celebrity. The author's treatment is unflinchingly honest, revealing the importance of the public's

role in celebrities' lives and establishing firm criteria for determining who is a celebrity—and who is not.

Hilary Duff Laura B. Edge, 2010-07-01 A biography of American actress and singer Hilary Duff-- Provided by publisher.

Blogging, Citizenship, and the Future of Media
Mark Tremayne, 2012-10-02 This collection of original essays addresses a number of questions seeking to increase our understanding of the role of blogs in the contemporary media landscape. It takes a provocative look at how blogs are reshaping culture, media, and politics while offering multiple theoretical perspectives and methodological approaches to the study. Americans are increasingly turning to blogs for news, information, and entertainment. But what is the content of blogs? Who writes them? What is the consequence of the population's growing dependence on blogs for political information? What are the effects of blogging? Do readers trust blogs as credible sources of information? The volume includes quantitative and qualitative studies of the blogosphere, its contents, its authors, and its networked connections. The readers of blogs are another focus of the collection: how are blog readers different from the rest of the population? What consequences do blogs have for the lives of everyday people? Finally, the book explores the ramifications of the blog phenomenon on the future of traditional media: television, newspapers, and radio.

Messy Cocks Heather Morgan Jessica, 2014-06-06 Brooke wants to start a blog revealing the inner-

workings of Hollywood in order to be in the spotlight but has no time to write one, so she enlists the help of a ghost-writer, seventeen-year-old Max McCormack, who needs the money but not the hassles when the adorable actor, Brady Swift, comes between them.

The Mirror Effect Drew Pinsky, S. Mark Young, 2009-03-17 Reality TV. Celebutantes. YouTube. Sex Tapes. Gossip Blogs. Drunk Driving. Tabloids. Drug Overdoses. Is this entertainment? Why do we keep watching? What does it mean for our kids? In the last decade, the face of entertainment has changed radically—and dangerously, as addiction specialist Dr. Drew Pinsky and business and entertainment expert Dr. S. Mark Young argue in this eye-opening new book. The soap opera of celebrity behavior we all consume on a daily basis—stories of stars treating rehab like vacation, brazen displays of abusive and self-destructive diva antics on TV, shocking sexual imagery in prime time and online, and a constant parade of stars crashing and burning—attracts a huge and hungry audience. As Pinsky and Young show in *The Mirror Effect*, however, such behavior actually points to a wide-ranging psychological dysfunction among celebrities that may be spreading to the culture at large: the condition known as narcissism. The host of VH1's *Celebrity Rehab* with Dr. Drew and of the long-running radio show *Loveline*, Pinsky recently teamed with Young to conduct the first-ever study of narcissism among celebrities. In the process, they discovered that a high proportion of stars suffer from traits associated with clinical

narcissism—including vanity, exhibitionism, entitlement, exploitativeness, self-sufficiency, authority, and superiority. Now, in *The Mirror Effect*, they explore how these stars, and the media, are modeling such behavior for public consumption—and how the rest of us, especially young people, are mirroring these dangerous traits in our own behavior. Looking at phenomena as diverse as tabloid exploitation (Stars . . . they're just like us!), reality-TV train wrecks (from *The Anna Nicole Show* to *My Super Sweet 16* to *Bad Girls Club*), gossip websites (TMZ, PerezHilton, Gawker), and the ever-evolving circle of pop divas known as celebutantes (or, more cruelly, celebutards), *The Mirror Effect* reveals how figures like Britney and Paris and Lindsay and Amy Winehouse—and their media enablers—have changed what we consider normal behavior. It traces the causes of disturbing celebrity antics to their roots in self-hatred and ultimately in childhood disconnection or trauma. And it explores how YouTube, online social networks, and personal blogs offer the temptations and dangers of instant celebrity to the most vulnerable among us. Informed and provocative, with the warm and empathetic perspective that has won Dr. Drew Pinsky legions of fans, *The Mirror Effect* raises important questions about our changing culture—and provides insights for parents, young people, and anyone who wonders what celebrity culture is doing to America.

Status Update Alice E. Marwick, 2013-11-26
Presents an analysis of social media, discussing how a technology which was once heralded as

democratic, has evolved into one which promotes elitism and inequality and provides companies with the means of invading privacy in search of profits.

Living in the Limelight: Dynamics of the Celebrity Experience Kylo-Patrick R.

Hart, 2019-07-22 To enable readers to grasp the cumulative complexity of contemporary celebrity culture, this book explores dynamics of the celebrity experience in recent centuries and up to the present day.

Celebrity Blog Book Review: Unveiling the Magic of Language

In an electronic digital era where connections and knowledge reign supreme, the enchanting power of language has become more apparent than ever. Its power to stir emotions, provoke thought, and instigate transformation is truly remarkable. This extraordinary book, aptly titled "**Celebrity Blog**," published by a very acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound affect on our existence. Throughout this critique, we will delve into the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.
