The Sunday Only Christian E.N. Joy, 2012-12-01 What kind of woman wants a man so badly that she's willing to lie to get him? What if that lie includes denying the fact that she has a child? Deborah Lewis is that woman. The suave, debonair Lynox Chase is the man Deborah has wanted for years. She almost had him, but then left him hanging when she decided to give her ex another try. With her ex no longer in the picture, Deborah is willing to eat crow and go claim Lynox. She's a little worried he won't forgive her and take her back, but she hopes that two years has been enough time to get over it. The chase turns into more of a marathon for Deborah. Just when she thinks she's near the finish line, she learns that a woman with kids is a turn-off for Lynox. Can Deborah turn off being a mother just long enough to get Lynox to fall in love with her again?

Rooted and Grounded Steven Croft , 2019-08-30 Beginning in New Testament times, there is a time-honoured tradition of forming new Christians in the essentials of faith: catechesis. This volume aims to uncover the riches of this tradition for all who teach and preach the faith today, and well as animate it: St Augustine wrote that joy should be the prime characteristic of those who teach the faith. Six outstanding theologians and historians open up the tradition of catechesis for today's church: • Alister McGrath explores the role of the creeds in catechesis; • Susan Gillingham, Professor of the Hebrew Bible, looks at the Psalms in Christian formation; • Jennifer Strawbridge, Associate Professor of New Testament, reflects on catechesis in the early church; • Carole Harrison, Lady Margaret Professor of Divinity, offers lessons from the patristic period; • Sarah Foot, Regius Professor of Ecclesiastical History, draws lessons from the Anglo Saxon missions to Europe; • Simon Jones, Chaplain of Merton College and member of the Liturgical Commission, links formation and liturgy; • Steven Croft shows how this great tradition can be revitalised today.

Lloyd-Jones on the Christian Life (Foreword by Sinclair B. Ferguson) Jason C. Meyer, 2018-04-16 Called a "physician of the soul," Martyn Lloyd-Jones is widely regarded as one of the most powerful preachers of the twentieth century. Originally trained as a medical doctor, he changed careers after recognizing the depth of healing the gospel can bring to the soul of a sinner. With a unique ability to winsomely capture the minds and hearts of his listeners, Lloyd-Jones crafted sermons that continue to have a tremendous impact on the world today, almost forty years after his death. In this book, pastor Jason Meyer summarizes what Lloyd-Jones taught about the Christian life, what he saw as the dangers of separating doctrine from life, and how he modeled devotion to the knowledge of God. Lloyd-Jones's passion for the glory of God in his own life will encourage Christians to hunger to experience God in the same way.

The Reason for God Timothy Keller, 2008-02-14 A New York Times bestseller people can believe in--by a pioneer of the new urban Christians (Christianity Today) and the C.S. Lewis for the 21st century (Newsweek). Timothy Keller, the founding pastor of Redeemer Presbyterian Church in New York City, addresses the frequent doubts that skeptics, and even ardent believers, have about religion. Using literature, philosophy, real-life conversations, and potent reasoning, Keller explains how the belief in a Christian God is, in fact, a sound and rational one. To true believers he offers a solid platform on which to stand their ground against the backlash to religion created by the Age of Skepticism. And to skeptics, atheists, and agnostics, he provides a challenging argument for pursuing the reason for God.

Sidewalks in the Kingdom (The Christian Practice of Everyday Life) Eric O. Jacobsen, 2003-05-01 Christians often talk about claiming our cities for Christ and the need to address urban concerns. But according to Eric Jacobsen, this discussion has remained far too abstract. *Sidewalks in the Kingdom* challenges Christians to gain an informed vision for the physical layout and structure of the city. Jacobsen emphasizes the need to preserve the nourishing characteristics of traditional city life, including shared public spaces, thriving neighborhoods, and a well-supported local economy. He explains how urban settings create unexpected and natural opportunities to initiate friendship and share faith in Christ. Helpful features include a glossary, a bibliography, and a description of New Urbanism. Pastors, city-dwellers, and those interested in urban ministry and development will be encouraged by *Sidewalks in the Kingdom*.

Christian Socialism Philip Turner, 2022-05-26 Christian Socialism arose in England in the mid-nineteenth century as a response to the philosophy of 'political economy' - now commonly called neoliberalism. Seeking not institutional change or nationalisation, but a reform of the moral underpinnings of society, it refuted the assumption that people are essentially selfish, competitive individuals seeking nothing but personal happiness. Although they did not deny the presence of selfishness, its proponents believed that the social nature of humankind lies deeper than such egotism and conflict, and pursued a society built on this belief. Less prominent now than at the time of its inception, Christian Socialism nevertheless continues into the twenty-first century, its goal nothing less than a new society built upon the virtues of equality, fellowship, cooperation, service and justice. Philip Turner's careful exposition traces the history of this strand of Anglican political thought and restores confidence in its message for the future.

What's the Least I Can Believe and Still be a Christian? Martin Thielen, 2013-01-01 Pastor and author Martin Thielen has compiled a list of ten things people need to believe, and ten things they don't, in order to be a Christian. This lively and engaging book will be a help to seekers as well as a comfort to believers who may find themselves questioning some of the assumptions they grew up with. With an accessible, storytelling style that's grounded in solid biblical scholarship, Thielen shows how Christians don't need to believe that sinners will be left behind to burn in hell or that it's heresy to believe in evolution. And while we must always take the Bible seriously, we don't always have to take it literally. At the same time, Christians do need to believe in Jesus--

his life, his teachings, his death and resurrection, and his vision for the world. A great benefit of those beliefs is that they provide promising answers to life's most profound questions, including: Where is God? What matters most? What brings fulfillment? What about suffering? Is there hope? Thielen articulates centrist, mainline Christianity in a way that's fresh and easy to understand, and offers authentic Christian insights that speak to our deepest needs. This new edition includes a leader's guide, previously only available online, and a new introduction from the author that reflects on the book's reception. The leader's guide features unique and easily implemented aids for carrying out a seven-week, congregation-wide initiative that will help local churches reach out to their communities. More information is available at thielen.wjkbooks.com.

Modern Doubt and Christian Belief Theodor Christlieb,1874

The Christian Religion: an Account of Every Sect, Etc CHRISTIAN RELIGION.,1840

A Shared Christian Life Ben Witherington III,2012-08-01 This book is for is for everyday Christians who seek to love God and offer charity toward others by celebrating spiritual practices in their congregation. It is meant to encourage you to be an integral part of the body of Christ --working and serving together, loving God with hearts but also with hands and feet--to be formed as a disciple of Jesus Christ. In the Wesleyan tradition, we believe that Christian formation happens best “when two or more are gathered.” So focus is the body of Christ gathered--worshiping; sharing, learning, fellowshiping, taking Holy Communion, and doing works of piety and charity--together. In addition, a relationship with God is not primarily an individual's lonely personal quest for transcendence. It is not about becoming more self-centered, more self-focused, but it is about becoming more self-forgetful. The book outlines spiritual practices that involve individual and congregational transformation through learning and loving, fellowship and worship, by being lifted up in spirit and being enlightened in mind. A normal Christian life needs balance not only between work and rest and play, but also between worship, sacraments, doing, and learning. It needs balance between being alone with God and time with significant others.

Confessions of a Christian Twi-hard Cindy Biondi Gobrecht,2012-10-01 What can the fantasy of the Twilight Saga teach us about reality? Cindy Biondi Gobrecht says, “I never liked vampire stories, and here I am a self-proclaimed Twi-hard! The stories are about more than vampires. The saga is about love, devotion, sacrifice, heartache, courage, and faith, to name a few. These are things I can relate to in my own life and my Christian faith. The characters in Twilight are heroic in relation to these qualities. I aspire to be heroic through my faith in Christ.”

Early Christian Letters for Everyone Wright Tom,2011-11-15 Writing in an accessible and anecdotal style, Tom Wright opens up to us the wisdom of the letters of James, Peter, John and Judah (Jude). A vital resource for every church and every Christian, these letters are full of clear practical advice for Christians. Written for those new to the faith, they warn of the dangers and difficulties a young Christian community would face both within and without, while revelling in the delight of budding faith, hope and life. Today, these letters are just as relevant as they were two thousand years ago. They continue to help Christians to live with genuine faith in a complex modern age.
