Relentless Tim S. Grover,Shari Wenk,2014-03-11 An award-winning trainer draws on experience with such top athletes as Michael Jordan, Kobe Bryant and Ken Griffey, Jr. to explain how to tap dark competitive reflexes in order to succeed regardless of circumstances, explaining the importance of finding internal resources and harnessing the power of personal fears and instincts.

Cheaper, Greener, Cleaner Carolyn Wootton,Dena Wootton,2011-12 For too long we've been led to believe there are only two choices when it comes to cleaning our homes: either spend an arm and a leg on green products, or pollute our homes and the environment with noxious chemicals. No longer! Cheaper, Greener, Cleaner: Ceiling to Floor Savings shatters this myth with easy-to-follow recipes for inexpensive, homemade cleaners that will allow you to save money while going green. Spend pennies, not dollars, for your cleaning and laundry needs. Do away with mystery ingredients with unpronounceable names. No more guessing what's really in your cleaning and laundry products. Everything you need to create cheaper, greener cleaning products is already in your kitchen or can be found easily at your local store. If you can make a cake mix, you will have no problem following the step-by-step recipes provided. It really is that simple. Cheaper, Greener, Cleaner: Ceiling to Floor Savings will show you how to clean your twenty-first century home at a nineteenth-century price!

The Cleaner Brett Battles,2008-06-24 “The Cleaner has it all: exotic locales, James Bondian derring-do, and ingenious plot twists that will keep you sweating all the way ’til the end.“—Tess Gerritsen Meet Jonathan Quinn: a freelance operative with a take-no-prisoners style and the heart of a loner. His job? Professional “cleaner.” Nothing too violent, just disposing of bodies, doing a little cleanup if necessary. But Quinn’s latest assignment is about to change everything, igniting a harrowing journey of violence, betrayal, and revenge. The job seemed simple enough: investigating a suspicious case of arson. But when a dead body turns up where it doesn’t belong—and Quinn’s handlers turn strangely silent—he knows he’s in over his head. Quinn’s only hope may be Orlando, a woman from his past who could hold the key to solving the case. Suddenly the two are prying into old crimes, struggling to stay alive long enough to unbury the truth. But as the hunt intensifies, Quinn is stunned by what he uncovers: a brilliantly orchestrated conspiracy—with an almost unimaginable goal. Praise for The Cleaner “Battles is a compelling new voice in the thriller genre. The Cleaner combines the best elements of Lee Child, John le Carré and Robert Ludlum. . . . A stellar debut.“—Sheldon Siegel “A brilliant and heart-pounding thriller.”—Jeffery Deaver “A tightly written page-turner.”—Booklist

The Vacuum Cleaner Carroll Gantz,2012-09-21 House cleaning has been an innate human activity forever but only since the early 19th century have mechanical devices replaced the physical labor (performed mostly by women). Mechanical carpet sweepers were replaced by manual suction cleaners, which in turn were replaced by electric vacuum cleaners in the early 20th century. Innovative inventors, who improved vacuum cleaners as electricity became commonly available, made these advances possible. Many early manufacturers failed, but some, such as Bissell, Hoover, Eureka and others, became household names as they competed for global dominance with improved features, performance and appearance. This book describes the fascinating people who made this possible, as well as the economic, cultural and technological contexts of their times. From obscure beginnings 200 years ago, vacuum cleaners have become an integral part of modern household culture.

The Cleaner Paul Cleave,2012-03-01 Surprising and compelling this powerfully written novel is a terrifyingly vivid rendering inside the mind of a serial killer. Meet Joe. He’s a nice guy out to catch a copycat killer. The one copying himself. Joe is in control of everything in his simple life, including both his day job at the police department and his 'night work'. He remembers to feed his fish twice a day and visit his mother at least once a week, although he occasionally peppers her coffee with rat poison. He is not bothered by the reports of The Christchurch Carver, who - they say - murdered seven women. Joe knows the carver has killed only six. He knows that for a fact. And Joe is going to find that copy-cat killer, punish him for the one murder and then frame him for the rest. It's a perfect plan because he already knows he can outwit the police. All he has to do now is take care of all the women who keep getting in his way – his domineering mother for one. Then there is Sally, the maintenance worker who sees him as a replacement for her dead brother, and the mysterious Melissa, the only woman to have ever understood him, but whose fantasies of blackmail and torture no longer have any place in Joe's investigation... The Carver Series: Book 1: The Cleaner Book 2: Joe Victim

The Night Cleaner Florence Aubenas,2011-04-11 The idea was simple: pack a suitcase, go to another city where you have no connections and try to find a job, anonymously. That was the idea that took Florence Aubenas - one of France's most accomplished undercover journalists - on a journey into the worst recession since the Great Depression. Day after day she searched for work, one unemployed worker among others, with no special skills or qualifications. She immersed herself in the crowd of job seekers, going from one employment office to another, eventually managing to cobble together a few hours working as a night cleaner on a ferry that crossed the English Channel. For many people the global financial crisis seems real enough but remote from their daily lives. They have little sense of what it really means to be unemployed in the midst of a recession. Florence Aubenas was determined to find out. This book is the story of her journey. The Night Cleaner became an instant number one bestseller in France and has subsequently become a bestseller in many countries throughout the world. Better than any academic treatise on the topic, this book shows what recession means today.

The Trauma Cleaner Sarah Krasnostein,2018-04-10 Winner of the Victorian Prize for Literature, Sarah Krasnostein’s The Trauma Cleaner: One Woman’s Extraordinary Life in the Business of Death, Decay, and Disaster is the fascinating biography of one of the people responsible for tidying up homes in the wake of natural—and unnatural—catastrophes and fatalities. Homicides and suicides, fires and floods, hoarders and addicts. When properties are damaged or neglected, it falls to Sandra Pankhurst, founder of Specialized Trauma Cleaning (STC) Services Pty. Ltd. to sift through the ashes or sweep up the mess of a person’s life or death. Her clients include law enforcement, real estate agents, executors of deceased estates, and charitable organizations representing victimized, mentally ill, elderly, and physically disabled people. In houses and buildings that have fallen into disrepair, Sandra airs out residents’ smells, throws out their weird porn, their photos, their letters, the last traces of their DNA entombed in soaps and toothbrushes. The remnants and mementoes of these people’s lives resonate with Sandra. Before she began professionally cleaning up their traumas, she experienced her own. First, as a little boy, raised in violence and excluded from the family home. Then as a husband and father, drag queen, gender reassignment patient, sex worker,

small businesswoman, and trophy wife. In each role she played, all Sandra wanted to do was belong. The Trauma Cleaner is the extraordinary true story of an extraordinary person dedicated to making order out of chaos with compassion, revealing the common ground Sandra Pankhurst—and everyone—shares with those struck by tragedy.
