How to Clean Toilets - And other things your Mom should have taught you about cleaning Bathrooms Rachel Redden,John Davidson,2015-02-17 Table of Contents Introduction Deep Cleaning Cabinet Dusting The Mirror Soap Dish Sink Tubs/Shower Shower Curtain Bidets Commode (toilet) Rugs Toilet Brush and Cup Floors Garbage's Time Monthly Routine Weekly Routine Daily Routine Types of Bathroom Ware Apparel Cleaning supplies Cleaning on a budget Tips Conclusion Author Bio Publisher Introduction The bathroom has to be the most used room in the entire house, but nobody wants to clean it. Why? Well for starters, it's a disgusting job, but I think you'll agree that cleaning a bathroom is a task that is not to be taken too lightly, it can cause sickness or worse if you just let it be. It's a big job most of the time and often we don't know where to start, a lot of the time and we tend to leave it until it is so filthy that we can no longer stand it. But I think we can all agree that there is nothing more disgusting than going to someone's house and using a filthy bathroom. I once went to a friend's house and had to use their bathroom. The stench in that room nearly killed me off! So I decided I would rather go in my pants than use that bathroom (I didn't if you wanted to know. We left for home before I went to those drastic measures). So even if it's just for the neighbors we should clean it. Though it doesn't excuse the fact that it is a big job every single time you clean it.Well, I'm here to tell you that even deep cleaning it can be less of a big deal when you know how to go about it. All it takes is a plan, some rags, cleaners and some desire.

All Dirty! All Clean! Harriet Ziefert,2005 Discusses the sensations of dirty and clean in children and some animals.

Team Clean Carol Paul,2013 Are you the only one who cleans in your house? Do you constantly pick up items around the house (that normally aren't yours) and move them to where they belong? Is it your job to know that everyone's clothes (and everything else everyone needs to walk out the front door) are ready for the next day? Are your family members always asking you where their things are? Most cleaning books will tell you to go it alone, and teach you tricks or shortcuts to make it more enjoyable or efficient. They show you a better way to do the job. Team Clean is different. Gone are the days of cleaning alone. It's not all on you anymore Carol Paul will teach you how to create a team made up of every member of your household. You will learn how to get that very team to clean your home for you once a week, all while creating a tradition that will change your family forever. Carol shares her simple step-by-step ways to make it happen, regardless of age, ability, or attitude. You will be amazed that you will finish the whole house in less than an hour without cleaning any other night of the week. She will help you create your own personal family-bonding element (she calls it the reward), and show you the life lessons and discipline you will instill in your children as a result. You could very well get back the family you dreamed of when you got married and first had kids
