*Click* Kayla Miller,2022-05-31 Olive wants to get in on the act . . . Any act! For fans of Raina Telgemeier comes the first book in the New York Times best-selling graphic novel series about friendship and finding where you click. Olive “clicks” with everyone in the fifth grade –until one day she doesn’t. When a school variety show leaves Olive stranded without an act to join, she begins to panic, wondering why all her friends have already formed their own groups... without her. With the performance drawing closer by the minute, will Olive be able to find her own place in the show before the curtain comes up? A heartfelt and insightful story about navigating friendships, leaning on family, and learning to take the stage in the most important role of all.

**One Click** Richard L. Brandt,2011-10-27 Amazon's business model is deceptively simple: Make online shopping so easy and convenient that customers won't think twice. It can almost be summed up by the button on every page: Buy now with one click. Why has Amazon been so successful? Much of it has to do with Jeff Bezos, the CEO and founder, whose unique combination of character traits and business strategy have driven Amazon to the top of the online retail world. Richard Brandt charts Bezos's rise from computer nerd to world- changing entrepreneur. His success can be credited to his forward-looking insights and ruthless business sense. Brandt explains: Why Bezos decided to allow negative product reviews, correctly guessing that the earned trust would outweigh possible lost sales. Why Amazon zealously guards some patents yet freely shares others. Why Bezos called becoming profitable the dumbest thing they could do in 1997. How Amazon.com became one of the only dotcoms to survive the bust of the early 2000s. Where the company is headed next. Through interviews with Amazon employees, competitors, and observers, Brandt has deciphered how Bezos makes decisions. The story of Amazon's ongoing evolution is a case study in how to reinvent an entire industry, and one that anyone in business today ignores at their peril.

**Click** J. Courtney Sullivan,Courtney E. Martin,2011-03 When did you know you were a feminist? Whether it was a scene in a television show, an experience in school, or a specific day at work, many women can point to a particular moment in which they knew-or realized-they were feminists. Accomplished young authors Courtney E. Martin and J. Courtney Sullivan offer a look at feminism in the lives of young women-and tackle the questions of what made them feminists, how they came to define themselves as feminists, and how that identity has shifted and grown over time. Click features a range of women, including Amy Richards, Shelby Knox, Winter Miller, Allisa Quart, Rebecca Traister, Jennifer Baumgardner, and Debbie Siegel, each sharing their self-defining and personal stories. Sometimes emotional, sometimes humorous, each of these stories offers something to which other women can relate. In a time of feminist reflection, Martin and Sullivan offer a look at feminism for the under-forty set.

*Click Here to Kill Everybody: Security and Survival in a Hyper-connected World* Bruce Schneier,2018-09-04 A world of smart devices means the Internet can kill people. We need to act. Now. Everything is a computer. Ovens are computers that make things hot; refrigerators are computers that keep things cold. These computers—from home thermostats to chemical plants—are all online. The Internet, once a virtual abstraction, can now sense and touch the physical world. As we open our lives to this future, often called the Internet of Things, we are beginning to see its enormous potential in ideas like driverless cars, smart cities, and personal agents equipped with their own behavioral algorithms. But every knife cuts two ways. All computers can be hacked. And Internet-connected computers are the most vulnerable. Forget data theft: cutting-edge digital attackers can now crash your car, your pacemaker, and the nation’s power grid. In Click Here to Kill Everybody, renowned expert and best-selling author Bruce Schneier examines the hidden risks of this new reality. After exploring the full implications of a world populated by hyperconnected devices, Schneier reveals the hidden web of technical, political, and market forces that underpin the pervasive insecurities of today. He then offers common-sense choices for companies, governments, and individuals that can allow us to enjoy the benefits of this omnipotent age without falling prey to its vulnerabilities. From principles for a more resilient Internet of Things, to a recipe for sane government regulation and oversight, to a better way to understand a truly new environment, Schneier’s vision is required reading for anyone invested in human flourishing.

**Click, Clack, Boo!** Doreen Cronin,2019-07-23 New York Times bestselling duo Doreen Cronin and Betsy Lewin’s beloved Halloween story is now available as a Classic Board Book! Farmer Brown does not like Halloween. So he draws the shades, puts on his footy pajamas, and climbs into bed. But do you think the barnyard animals have any respect for a man in footy pajamas? No, they do not. For them, the Halloween party has just begun. And we all know these critters far prefer tricks over treats. There are big surprises in store for Farmer Brown!

**Click: Ten Truths for Building Extraordinary Relationships** George C. Fraser,2008-01-07 Does the thought of networking make you cringe? In this book you will find ten simple principles that will dispel your dread of networking forever and reveal a proven path to success and happiness. Imagine mastering the skills to create an extraordinary marriage, lifelong friendships, or powerful and enriching business relationships. That is what awaits you in Click: the tools to tap into the richest resource on the planet--other people--no matter how hard it's been for you to do so in the past. In Click you will discover the Ten Truths for connecting with people: Tailor your relationships--to consciously create the perfect fit Be authentic--attract what you love and what loves you Trust first--release your real power Communicate with your heart--a new source of intelligence Love, give, serve, add value--then watch what comes back Bless them and release them--learn the lessons and move on Be open to everything--you can remake your life Make peace, not war, with words--create belief and confidence It takes teamwork to make the dream work--seek caring, creative allies Nurture your relationships--they are the core of your success A new world opens with networking. But George Fraser doesn't stop there. He

shows you how to go from networking to connecting--when you experience that heartfelt feeling of trust and exciting burst of energy with someone. And then when you each willingly add special value to each other and achieve more together than either of you could achieve alone, that's when you're clicking.

*Tap, Click, Read* Lisa Guernsey, Michael H. Levine, 2015-08-14 A guide to promoting literacy in the digital age With young children gaining access to a dizzying array of games, videos, and other digital media, will they ever learn to read? The answer is yes—if they are surrounded by adults who know how to help and if they are introduced to media designed to promote literacy, instead of undermining it. Tap, Click, Read gives educators and parents the tools and information they need to help children grow into strong, passionate readers who are skilled at using media and technology of all kinds—print, digital, and everything in between. In Tap, Click, Read authors Lisa Guernsey and Michael H. Levine envision a future that is human-centered first and tech-assisted second. They document how educators and parents can lead a new path to a place they call 'Readialand'—a literacy-rich world that marries reading and digital media to bring knowledge, skills, and critical thinking to all of our children. This approach is driven by the urgent need for low-income children and parents to have access to the same 21st-century literacy opportunities already at the fingertips of today's affluent families. With stories from homes, classrooms and cutting edge tech labs, plus accessible translation of new research and compelling videos, Guernsey and Levine help educators, parents, and America's leaders tackle the questions that arise as digital media plays a larger and larger role in children's lives, starting in their very first years of life. Tap, Click, Read includes an analysis of the exploding app marketplace and provides useful information on new review sites and valuable curation tools. It shows what to avoid and what to demand in today's apps and e-books—as well as what to seek in community preschools, elementary schools and libraries. Peppered with the latest research from fields as diverse as neuroscience and behavioral economics and richly documented examples of best practices from schools and early childhood programs around the country, Tap, Click, Read will show you how to: Promote the adult-child interactions that help kids grow into strong readers Learn how to use digital media to build a foundation for reading and success Discover new tools that open up avenues for creativity, critical thinking, and knowledge-building that today's children need The book's accompanying website keeps you updated on new research and provides vital resources to help parents, schools and community organizations.

Click And Camp Kayla Miller, 2019-10-22 Two full-color illustrated graphic novels from The New York Times bestselling author-illustrator Kayla Miller! In Click, Olive “clicks” with everyone in the fifth grade—until one day, a school variety show leaves Olive stranded without an act to join and wondering why all her friends have already formed their own groups . . . without her. Will Olive be able to find her own place in the show before the curtain comes up? In Camp, Olive and Willow are off to have the best time at summer camp. But when Olive makes quick friends, Willow struggles to form connections and latches on to Olive, and it’s more than Olive can handle. When this begins to wear on Olive, the girls aren’t just fighting, they may not even be friends by the time camp is over. Will the two be able to patch things up before camp is over?

Act Kayla Miller, 2022-07-27 Act is the funny and honest follow-up to the middle school graphic novel sensations Click and Camp. How do you know when the person who can make the difference... is you? Olive is excited to start grade 6: new teachers, new experiences, and a field trip to the big city with her best buds! But when Olive finds out that a school policy is keeping some kids from going on the trip, she decides to act. She's prepared to do whatever it takes to be heard—even if it means running against Trent and Sawyer, two of her closest friends, in the student council election! With intense campaign competition and emotions running high, can Olive make a big change and keep her friends? New York Times bestselling author-illustrator Kayla Miller crafts a genuine and inspiring story about evolving friendships, supportive family, and finding out that you—yes, you—have the power to make a difference.

**Click Here to Start (A Novel)** Denis Markell, 2017-08-01 Young fans of Ernie Cline's Ready Player One will love this classic video game inspired mystery filled with elements of Escape from Mr. Lemoncello's Library and From the Mixed Up Files of Mrs. Basil E. Frankweiler. What if playing video games was prepping you to solve an incredible real-world puzzle and locate a priceless treasure? Twelve-year-old Ted Gerson has spent most of his summer playing video games. So when his great-uncle dies and bequeaths him the all so-called treasure in his overstuffed junk shop of an apartment, Ted explores it like it’s another level to beat. And to his shock, he finds that eccentric Great-Uncle Ted actually has set the place up like a real-life escape-the-room game! Using his specially honed skills, Ted sets off to win the greatest game he’s ever played, with help from his friends Caleb and Isabel. Together they discover that Uncle Ted’s “treasure” might be exactly that—real gold and jewels found by a Japanese American unit that served in World War II. With each puzzle Ted and his friends solve, they get closer to unraveling the mystery—but someone dangerous is hot on their heels, and he’s not about to let them get away with the fortune. Praise for Click Here to Start: As addictive as your favorite video game. I couldn't put it down.—Adam Gidwitz, New York Times bestselling author of A Tale Dark and Grimm Humor, believable characters, and adventure...keeps readers in suspense to the end. *Just for Clicks* Kara McDowell, 2019-02-19 Mommy blogs are great . . . unless the blog happens to belong to your mom. Twin sisters Claire & Poppy are accidental social media stars thanks to Mom going viral when they were babies. Now, as teens, they're expected to contribute by building their own brand. Attending a NY fashion week and receiving fan mail is a blast. Fending off internet trolls and would-be kidnappers? Not so much. Poppy embraces it. Claire hates it. Will anybody accept her as just Claire? And what should Claire do about Mom's old journals? The handwritten entries definitely don't sound like Mom's perfect blog persona. Worse, one of them divulges a secret that leaves Claire wondering what else in her life might be nothing but a sham . . .

**You Are What You Click** Brian A. Primack, 2021-09-14 An empowering, forward-thinking solution for creating intentional and healthy social media habits from an expert on media, technology and health. Internationally acclaimed behavioral scientist and social media expert Brian Primack, MD, PhD, believes we do not need to swear off social media, delete all our online accounts, or give up our phones to live healthier, happier lives. In *You Are What You Click*, he offers a new approach to digital wellness, and a realist's perspective on how what we consume online affects our well-being. In response, he presents a social media pyramid that personalizes our tech diet so we can enjoy a fruitful, balanced relationship with social media. While many of us turn to social media looking for a sense of connection and comfort, the data show that it may paradoxically leave us feeling more alone and depressed. Drawing on over twenty years of original research, Dr. Primack explains the fascinating nuances of our relationship with social media, its impact on our mental health, and the dangers of social media using us instead of the other way around. He empowers us to take back control with a simple method: being more selective, positive, and creative with our lives online. Dr. Primack introduces surprising strategies you can use right away to fine-tune your online experience and discover your definition of digital balance. Through short, actionable chapters, you'll learn how to: • Tailor your social media use to your personality. • Select positive relationships over toxic ones. • Overcome comparison syndrome and the fear of missing out. • Fill your feed with meaningful, humorous, and uplifting content. • Optimize your news intake and resist doomscrolling. • Improve your sleep, create tech holidays, and more. With innovative strategies for managing technology, you'll transform your relationship with tech and discover how to make social media work for you. *You Are What You Click* offers a science-backed approach from a credentialed doctor: Dr. Brian Primack has an MD and a PhD in Education and Behavioral Science. Primack is the go-to expert on this topic. His work on the intersection of media and health has been cited nearly 6,000 times in peer-reviewed scholarly literature, and he has been featured in major media outlets across the world. **FOR WELLNESS READERS, PARENTS, AND ANYONE WHO USES SOCIAL MEDIA:** Dropping off the digital map or deleting all our social media accounts isn't the only option—and often isn't something we feel ready to do. Rather than digital abstinence, with Primack's 3-step plan, tech lovers will be able to understand how to regulate their online social platforms in healthier ways. **A BALANCED PERSPECTIVE ON TECHNOLOGY AND SOCIAL MEDIA IN A POSITIVE LIGHT:** Almost every book in this genre portrays technology in a negative or even scary way. With this book, readers will learn how to adjust and balance their presence online with a personalized plan they can use across all platforms, no matter what new social media app goes public next. Primack offers an empowering solution that is forward-thinking, and will continue to be relevant as technology becomes more immersed into our lives. **QUICK, PRACTICAL ADVICE:** *You Are What You Click* is broken into short, actionable chapters that allow readers to understand the research, take action, and see results—perfect for short attention spans whittled down by Facebook and Instagram stories, Twitter, Snapchat, and TikTok! **FOR FANS OF PERSONALITY BOOKS:** Fans of books like *The Road Back to You: An Enneagram Journey to Self-Discovery* and *The Four Tendencies: The Indispensable Personality Profiles that Reveal How to Make Your Life Better* will love the personality quiz and personalized solutions Primack offers for being selective, creative, and healthy with social media use.

**Crunch** Kayla Miller, 2022-08-30 Kayla Miller, the New York Times bestselling author-illustrator of *Click*, *Camp*, *Act*, and *Clash*, returns with a new Olive story! Olive is balancing the too-many things she wants to do with the too-few hours in the day to do them. When everything adds up, suddenly it's crunch time! It's no secret that Olive loves trying new things. Between taking guitar lessons, making a short film, joining Berry Scouts, and leading the charge on her school's dress code reform, Olive has her hands full! But she enjoys being busy, so staying on track with her jam-packed schedule should be no problem...right? As weeks fly by, it gets harder and harder for Olive to find time for her activities, never mind time for herself. Will she be able to accomplish her goals, or will all her sizzle turn to fizzle? The New York Times bestselling author-illustrator Kayla Miller delivers a vibrant and timely story about the importance of balance, effort, and reaching out for help. Don't miss any of the popular graphic novels in Kayla Miller's Click series: *Click* *Camp* *Act* *Clash* *Crunch*

**The Moment It Clicks** Joe McNally, 2008-01-23 THE FIRST BOOK WITH ONE FOOT ON THE COFFEE TABLE, AND ONE FOOT IN THE CLASSROOM Joe McNally, one of the world's top pro digital photographers, whose celebrated work has graced the pages of *Sports Illustrated*, *Time*, and *National Geographic* (to name a few), breaks new ground by doing something no photography book has ever done—blending the rich, stunning images and elegant layout of a coffee-table book with the invaluable training, no-nonsense

insights, and photography secrets usually found only in those rare, best-of-breed educational books. When Joe's not on assignment for the biggest-name magazines and Fortune 500 clients, he's in the classroom teaching location lighting, environmental portraiture, and how to "get the shot" at workshops around the world. These on-location workshops are usually reserved for a handful of photographers each year, but now you can learn the same techniques that Joe shares in his seminars and lectures in a book that brings Joe's sessions to life. What makes the book so unique is the "triangle of learning" where (1) Joe distills the concept down to one brief sentence. It usually starts with something like, "An editor at National Geographic once told me..." and then he shares one of those hard-earned tricks of the trade that you only get from spending a lifetime behind the lens. Then, (2) on the facing page is one of Joe's brilliant images that perfectly illustrates the technique (you'll recognize many of his photos from magazine covers). And (3) you get the inside story of how that shot was taken, including which equipment he used (lens, f/stop, lighting, accessories, etc.), along with the challenges that type of project brings, and how to set up a shot like that of your own. This book also gives you something more. It inspires. It challenges. It informs. But perhaps most importantly, it will help you understand photography and the art of making great photos at a level you never thought possible. This book is packed with those "Ah ha!" moments—those clever insights that make it all come together for you. It brings you that wonderful moment when it suddenly all makes sense—that "moment it clicks."
