Colorful Eto Mori,2021-07-20 A beloved and bestselling classic in Japan, this groundbreaking tale of a dead soul who gets a second chance is perfect for readers of The Midnight Library. Congratulations, you've won the lottery! shouts the angel Prapura to a formless soul. The soul hasn't been kicked out of the cycle of rebirth just yet—he's been given a second chance. He must recall the biggest mistake of his past life while on 'homestay' in the body of fourteen-year-old Makoto Kobayashi, who has just committed suicide. It looks like Makoto doesn't have a single friend, and his family don't seem to care about him at all. But as the soul begins to live Makoto's life on his own terms, he grows closer to the family and the people around him, and sees their true colors more clearly, shedding light on Makoto's misunderstandings. Since its initial release over twenty years ago, *Colorful* has become a part of the literary canon, not only in Japan—where it has sold over a million copies—but around the world, having been translated into several different languages. Now, Eto Mori's beloved classic is finally available in English.

Colorful Journey Jennifer Tiritilli Ranu,Giuliana Ranu,Karolina Ranu,2020-07-21 *Colorful Journey*, a historical fiction, told by Sweetie, a young African American girl in the 1950s begins at the Great Falls when George Washington and Alexander Hamilton galloped on horses in this area to plan the first industrial city in America - Paterson, New Jersey. Sweetie describes the living and working conditions for migrant factory workers, and fun games she and her Irish American and Italian American friends play at the foot of Garret Mountain. A bossy groundhog promises to take the neighborhood kids on a colorful journey through Garret Mountain if Sweetie's friend, Giuliana can guess his name. The groundhog leads the neighborhood kids to the Morris Canal Bank, over railroad tracks, to an overflowing watering spring where they meet a fox. They travel through Garret Mountain's wilderness, see a moving locomotive, and meet Sir Vincent of Paterson at Lambert Castle. Throughout this colorful journey, Sweetie wonders what our Founding Fathers would think about the changes that have taken place in this same area where they explored nearly two hundred years ago, and what the Great Falls and Garret Mountain will look like in the next century.
