Corrupt Penelope Douglas,2023-11-07 Dreams might be a heart's desire, but nightmares are its obsession in the first novel of a dark romance series from New York Times bestselling author Penelope Douglas. Erika Fane's boyfriend's older brother is handsome, strong, and completely terrifying. The star of his college's basketball team gone pro, he's more concerned with the dirt on his shoe than he is with her. But she saw him. She heard him. The things that he did, and the deeds that he hid... For years, Erika bit her nails, unable to look away. Now, she's in college, but she hasn't stopped watching him. He's bad and the things she's seen aren't content to stay in her head anymore. Because he's finally noticed her. But Michael Crist knows the hold he has on Rika, how much she fears him. She looks down when he enters the room and stills when he's close. He knows she thinks only of him. When Michael's brother leaves for the military, leaving Rika alone and unprotected, he knows the opportunity is too good to be true. Three years ago she put Michael's friends in prison, and now they're free. Every last one of her nightmares is about to come true.

Corrupted Lisa Scottoline,2015-10-27 Bennie Rosato the founder of the Rosato & DiNunzio law firm hides her big heart beneath her tough-as-nails exterior and she doesn't like to fail. Now, a case from her past shows her how differently things might have turned out in Lisa Scottoline's New York Times bestseller, Corrupted. Thirteen years ago, Bennie Rosato took on Jason Lefkavick, a twelve-year-old boy who was sent to a juvenile detention center after fighting a class bully. Bennie couldn't free Jason, and to this day it's the case that haunts her. Jason has grown up in and out of juvenile prison, and his adulthood hasn't been any easier. Bennie no longer represents those accused of murder, but when Jason is indicted for killing the same bully he fought with as a kid, she sees no choice but to represent him. She doesn't know whether or not to believe his claims of innocence, but she knows she owes him for past failures-of the law, of the juvenile justice system, and of herself. Forced to relive the darkest period of her life, Bennie will do everything in her power to get the truth, and justice.

Corrupted Lisa Scottoline,2018-07-31 Blockbuster bestselling author Lisa Scottoline is back with Corrupted, a novel of breathtaking legal suspense about one woman's fight for justice—at all costs. As the founder of the all-female Rosato & DiNunzio law firm, Bennie Rosato hides her big heart beneath her tough-as-nails exterior, and she doesn't consider failure an option. But Bennie was never able to do right by Jason Lefkavick, who was sent to a juvenile detention center for defending himself against a class bully. Years later, the case still haunts her. And now that Jason has ended up in trouble again, Bennie sees no choice but to help him. Jason, who has spent most of his life in and out of prison, has been indicted for killing the same man who bullied him as a kid. Even though Bennie doesn't know whether to believe Jason's claims of innocence, she knows she owes him for past failures—of the law, of the juvenile justice system, and of her own. Forced to relive the darkest period of her life, Bennie will do everything in her power to find the truth. Even if doing so means risking what matters most to her. Because there are a few secrets Bennie has herself...and one man who is at the center of them. “A masterpiece.”—Providence Journal “Fans will be on the edge of their seats.”—Library Journal (starred review)

The final chapter has been expanded to include the full-blooded assault on science mounted by the Trump administration.

Christianity Corrupted Marshall, Jermaine J.,2021-09-22 Examines the development of oppressive Christian theologies and the normalization of white superiority and white privilege in the United States--

Independence Corrupted Charles Benjamin Schudson,2018-10-09 With experience as both a trial and appellate judge, Charles Benjamin Schudson knows the burdens on judges. With engaging candor, he takes readers behind the bench to probe judicial minds analyzing actual trials and sentencings—of abortion protesters, murderers, sex predators, white supremacists, and others. He takes us into chambers to hear judges forging appellate decisions about life and death, multimillion-dollar damages, and priceless civil rights. And, most significantly, he exposes the financial, political, personal, and professional pressures that threaten judicial ethics and independence. As political attacks on judges increase, Schudson calls for reforms to protect judicial independence and for vigilance to ensure justice for all. Independence Corrupted is invaluable for students and scholars, lawyers and judges, and all citizens concerned about the future of America's courts.

Modern Christianity Corrupted Bob Klingenberg,2012-06-07 The roots of an insidious Religious Humanism have for some time now steadily been growing deeper and deeper and taking a firm hold in the modern Christian Church in America and across the world. The lethality of this rooting is that Religious Humanism is filled with false teachings which are historically known as heresies.

Fouad Masri's Is the Injeel Corrupted? Ibrahim Bayraktar,2016-05-13 In Is the Injeel Corrupted? (Crescent Project, 2006; Book Villages, 2012), Fouad Masri searches for the truth about the New Testament by tackling the question of whether the present-day Injeel (the Gospel) can be trusted, and whether Muslims should read and follow its teachings. Masri further examines the claim that the Bible is both corrupted and unreliable as a source of theological truth about Allah, His will, and the Prophets. Relying on quotes from the Qur'an, the Bible, and history, Masri concludes that the Bible is true, reliable, and free from corruption. The error thus lies not in the Christian scriptures themselves, but in the Muslim view that the Bible is corrupted. Masri's argumentation is flawed, however, in that it is based on superficial reasoning that only scratches the surface of Islamic theology on the question of the authenticity of the Christian scriptures. He reaches his conclusions by distorting the meaning of Islamic scripture and calling on readers' emotions to draw them towards a Christian worldview, with arguments that do not hold up to the scrutiny of tight logic. While the book successfully draws readers to sympathize with Christian thought and theology, it ultimately fails to address Muslim concerns from an intellectual perspective.

The Man that corrupted Hadleyburg (and other stories and essays) Mark Twain,1922 'The Man that Corrupted Hadleyburg' gives its title to this collection of short stories by Mark Twain. We find here the old Mark, with a difference. The years that bring the philosophic mind have made of the inimitable humorist a writer of stories with a purpose. But the author's purpose is not permitted to thwart the reader's, which is to get at least one good laugh out of everything that Mark Twain signs. As the present tales and sketches reprinted from Harper's, The Century, The Cosmopolitan, etc., contain more than one laugh each, the reader should not be disappointed who finds them provocative of thought as well as of mirth.

How Corrupt is Britain? David Whyte,2015 This edited collection looks at corruption in different arms of the British state, and calls for fundamental political change.

Corrupt Cities ,2000 Much of the devastation caused by the recent earthquake in Turkey was the result of widespread corruption between the construction industry and government officials. Corruption is part of everyday public life and we tend to take it for granted. However, preventing corruption helps to raise city revenues, improve service delivery, stimulate public confidence and participation, and win elections. This book is designed to help citizens and public officials diagnose, investigate and prevent various kinds of corrupt and illicit behaviour. It focuses on systematic corruption rather than the free-lance activity of a few law-breakers, and emphasises practical preventive measures rather than purely punitive or moralistic campaigns.

The Corrupted Robert Earl,2006-09-04 When rogue wizard Grendl flees the Empire, a disgraced wizard and a fanatical team of witch hunters are sent to track him down. But as hunters and hunted stray into the Northern Wastes, all bets are off as the corrupting touch of Chaos starts to affect them all. Original.

Corrupted Justice Richie Taxman,2015-05-26 One man's mission for justice battles a mountain of corruption as he sees his brother's killer walk free on murder and illegal weapons. Bearing no expense he is determined to seek the truth and expose all responsible. Based on a true story.

Corrupt Practices Robert Rotstein,2013-06-04 A Los Angeles church, considered by some to be a powerful cult, charges Rich Baxter with embezzling millions. Rich reaches out to former colleague and star trial attorney Parker Stern to come to his defense. Parker despises the cult, but he hasn't entered a courtroom since developing severe stage fright after his mentor, Harmon Cherry, committed suicide. Rich claims that Cherry did not kill himself—he was murdered by someone connected to the church. At first, Parker doesn't believe it . . . until disturbing events force him to question what's really happening. As the case takes an unexpected turn, Parker surprises himself and agrees to take on the church. But to represent his client

and uncover the truth he must overcome his own long-buried secrets.

Corrupt Illinois Thomas J. Gradel,Dick Simpson,2015-02-15 Public funds spent on jets and horses. Shoeboxes stuffed with embezzled cash. Ghost payrolls and incarcerated ex-governors. Illinois' culture of Where's mine? and the public apathy it engenders has made our state and local politics a disgrace. In Corrupt Illinois, veteran political observers Thomas J. Gradel and Dick Simpson take aim at business-as-usual. Naming names, the authors lead readers through a gallery of rogues and rotten apples to illustrate how generations of chicanery have undermined faith in, and hope for, honest government. From there, they lay out how to implement institutional reforms that provide accountability and eradicate the favoritism, sweetheart deals, and conflicts of interest corroding our civic life. Corrupt Illinois lays out a blueprint to transform our politics from a pay-to-play-driven marketplace into what it should be: an instrument of public good.

The Sun And Moon Corrupted Philip Ball,2013-07-04 What if you had developed a machine that generated energy for free and no one believed you? That is the lot of Kurt Neder, once Einstein's accomplice and the brightest young physicist of his generation, now a lost soul wandering Europe in the hope that someone will pay him heed. Enter Lena - an intrepid young British journalist, hoping for a story to kick-start her stalled career, and driven by her own needs and beliefs, and her own need to believe. Her trail takes her from the cafes of Vienna via the castles of Transylvania and the labs of Princeton to the blasted borderlands of the old Soviet Union, in the search for truth and coherence, both scientific and personal. Here is a Geiger counter of a novel that crackles with ideas and offers the reader insights and emotions not often found in fiction.

Sugar: The World Corrupted: From Slavery to Obesity James Walvin,2018-04-03 The modern successor to Sweetness and Power, James Walvin’s Sugar is a rich and engaging work on a topic that continues to change our world. How did a simple commodity, once the prized monopoly of kings and princes, become an essential ingredient in the lives of millions, before mutating yet again into the cause of a global health epidemic? Prior to 1600, sugar was a costly luxury, the domain of the rich. But with the rise of the sugar colonies in the New World over the following century, sugar became cheap, ubiquitous and an everyday necessity. Less than fifty years ago, few people suggested that sugar posed a global health problem. And yet today, sugar is regularly denounced as a dangerous addiction, on a par with tobacco. While sugar consumption remains higher than ever—in some countries as high as 100lbs per head per year—some advertisements even proudly proclaim that their product contains no sugar. How did sugar grow from prize to pariah? Acclaimed historian James Walvin looks at the history of our collective sweet tooth, beginning with the sugar grown by enslaved people who had been uprooted and shipped vast distances to undertake the grueling labor on plantations. The combination of sugar and slavery would transform the tastes of the Western world. Masterfully insightful and probing, James Walvin reveals the relationship between society and sweetness over the past two centuries—and how it explains our conflicted relationship with sugar today.
