Covingtons Remembered Da Costa Euclid Covington,1991 A compilation of records of many people surnamed Covington in England and America.

War Is Not All Hell William R. Covington,2010-08-16 As strange as it may seem, there is a lot of room for humor and laughter in a war zone environment. Maybe the reason is that when so much sadness and danger is all around, one seems to welcome anything that is remotely funny. During my two years in Vietnam, I oft en felt that humor and laughter were the major factors that contributed to having a positive attitude. I talk about a number of the people, places and very meaningful events that have proven to be extremely monumental in my life and my desire to make a difference, at least in my mind. It is dedicated to those that have served and are currently serving in our military forces, and especially to those comrades in arms who paid the full measure. To be sure, our many freedoms, our opportunities, and our safe living environment in the USA did not and still do not come without a price. This story is for friends, comrades and any others that have had similar experiences. I hope to shed a bit of a different light on the subject of war with an emphasis on the humor that oft en happens, which I believe is what gets us through. I have cherished this time and know that it had a great deal to do with developing the positive attributes of my character that I may have and the way I approach and live my life.

Covington Horton Beirne and Byron E. Faidley on behalf of the Alleghany Historical Society,2013 Covington grew from one of Col. George Washington's frontier forts, known as Fort Young, and due to the location of several early structures was known as Mouth of the Dunlap in the 1700s. Located on the Midland Trail and the proposed route for the Chesapeake & Ohio Railway, Covington was able to expand. The Civil War temporarily halted this progress and sent many of Covington's native sons to fight on both sides during the conflict. After the war, the growing iron industry revived the community. In 1899, the West Virginia Pulp and Paper Company located a mill at the confluence of the Jackson River and Dunlap Creek, which continues to support the city of Covington today. The dawn of the 20th century found Covington booming and expanding so much that two new railway passenger stations had to be built within an 18-year period.

The Spirit of Covington Joan Medlicott,2003-11-10 “Settle back in a comfortable chair and enjoy your visit to Covington, a town rich with charm and character” (Debbie Macomber, New York Times bestselling author) with this continuation of a heartwarming series about three sixty-something women who have moved to a small mountain town in North Carolina. The three ladies of Covington—Grace, Hannah, and Amelia—must rebuild their old farmhouse after a fire destroys three houses on their road. Max proposes a marriage of convenience to Hannah, in which she can continue living with the other ladies, but also inherit his estate and Bella’s Park without having to pay taxes, and Hannah is conflicted about his offer. Meanwhile, when Grace’s companion Bob has a heart attack, she moves in with him to take care of him, then must decide whether to stay with him as he wishes, or return to the newly built farmhouse with Hannah and Amelia. And through it all, the crisis of the fire deepens their relationships with their local Covington neighbors.

Covington ,2003 Covington, Kentucky, Northern Kentucky's largest city, is located at the confluence of the Ohio and Licking Rivers, directly across from Cincinnati. Within a few years of the city's founding in 1815, the steamboat had generated much prosperity in the region and attracted an influx of German immigrants who brought with them their religion and customs. By the mid-1800s these immigrants had made a permanent home in what was referred to as America's Rhine Valley. For the next century, meatpackers and breweries, alongside the city's many churches, dominated much of the urban landscape of Covington.

African Americans in Covington Eva Semien Baham,2015-06-01 Covington is the seat of St. Tammany Parish government and sits north of Lake Pontchartrain in the New Orleans metropolitan area. Records from 1727 show 11 Africans on the north shore. One person of African descent was present at the founding of Covington on July 4, 1813. Most African Americans in antebellum Covington were slaves, with a modest number of free people, all of whom covered nearly every occupation needed for the development and sustenance of a heavily forested region. For more than 200 years in Covington, African Americans transformed their second-class status by grounding themselves in shared religious and social values. They organized churches, schools, civic organizations, benevolent societies, athletic associations, and businesses to address their needs and to celebrate their joys.

The Gardens of Covington Joan A. Medlicott,2007-04-01 The Gardens of Covington joyously celebrates women and friendships, families and love, laughing through the tears, thinking with the head and the heart. The ladies, so real and inspiring, will make you wish they were your neighbors. If this is your first visit to the small town of Covington, you'll feel comfortably at home in the white farmhouse with the yellow shutters on Cove road that once again teems with warmth and fresh hope for today and tomorrow. If it's your second visit, you'll be thrilled to sit on the front porch once again and catch up with old friends and neighbors. Hannah, cool-headed and calm, battles to save their beloved hills from the rapacious development that has already ruined Loring Valley, only five minutes from Cove Road. Amelia, giddy with a newfound love, abandons the ladies and her photography to please her dashing new beau. And Grace is driven to prove she has an eye for business when she and her steady companion, Bob Richardson, open the Cottage Tearoom. New friends and neighbors are introduced. Eccentric Lurina Masterson, an eighty-one-year-old bride, brings tears of joy to all when, wearing her childhood dream of white satin, she married Old Man, who is ninety-one. And George Maxwell, the ladies' closest neighbor, provides an inspired solution to preserving Covington's lush hills and valleys. Joan Medlicott writes lovingly about the complexity and tenderness of women. she writes with honesty about relationships, about love and passion, about commitment and friendship, as well as about the intricate bonds between parents and their children. As you join the ladies of Covington through their highs and their lows, their joys and their sorrows, you will not want the book to end, nor will you wish to leave their world behind you.

At Home in Covington Joan Medlicott,2004-07-20 In this acclaimed addition to Joan Medlicott’s USA TODAY bestselling series, new joys overcome new troubles as the unforgettable Ladies of Covington embrace life in their small North Carolina mountain town. A dark cloud is hovering over the usually cheery farmhouse that Grace, Hannah, and Amelia share. Grace has lost someone dear to her, and the mysterious diary from the past has turned Hannah’s life upside down. To raise their spirits, the three ladies take an exotic Caribbean cruise and return with many wonderful stories. But sharing such close quarters while traveling has stirred up conflict, and Amelia and Hannah are suddenly questioning whether they want to continue living in the farmhouse together. Meanwhile, Grace faces her own challenges: the young girl she mentors unknowingly becomes involved with an Internet predator, and Grace’s diabetes worsens. Yet new joy enters their lives when Hannah’s daughter has a baby boy—and when Hannah finally lays her past to rest, she may just be ready to set a wedding date with Max! With warmth and charm, this celebration of female friendship will inspire and delight readers, whether they’re meeting these wonderful women for the first time or visiting Covington once more!

Covington David Arbo,2011 The town of Covington has had a unique and varied history, due in large part to its location between the Bogue Falaya River and the pine forests of St. Tammany Parish. The city serves as the parish seat and something of a de facto capital of the Ozone Belt, an area of South Louisiana characterized by clean air, flowing streams, and verdant woodlands. Early settlers established themselves in the area, producing pine products and bricks, and Covington soon developed a reputation as a retreat from epidemics of disease, as well as from the rigors of city life. Covington has long shipped goods to the cities across Lake Ponchartrain, and those cities in turn have sent their people to Covington to vacation, relax, and revel in its beauty.

From the Heart of Covington Joan A. Medlicott,2010-04-01 The three spunky ladies who so charmed readers in *The Ladies of Convington Send Their Love* and *The Gardens of Covington* welcome us back to the small Southern town of Covington, to their quaint white farmhouse with yellow shutters on Cove Road. Life lessons abound throughout *From the Heart of Covington*, as housemates Hannah, Grace, and Amelia continue to surround themselves with love and hope, meeting each new challenge with equanimity and heart and placing their trust in one another as their friendship strengthens and grows. In helping a dear friend and neighbor cope with illness, the ladies develop a deeper mutual compassion and a true appreciation for the softness of heart and toughness of spirit that join them as women. Amelia, feeling strong and adventurous, takes a momentous trip to New York City to further her burgeoning photography career. Grace, kindhearted as ever, becomes involved with a little girl at the local elementary school who may be having terrible problems at home. Meanwhile, Hannah's daughter, Laura, is involved in a tragic accident that has serious consequences for all concerned. With the same compassion and heart readers have already come to know and love, Joan Medlicott once again reveals how life's journeys and challenges only strengthen our loving commitments to family, friends, and loved ones. It's another inspiring message of courage, self-acceptance, and hope.

The Ladies of Covington Send Their Love Joan A. Medlicott,2011-04-01 Cautious Grace Singleton, uncertain of her place in an intimidating world. Outspoken Hannah Parrish, harboring private fear that may change her life. Fragile Ameila Declose, shattered by devastating grief. Circumstance has brought these disparate women of a certain age to a Pennsylvania boardinghouse where three square meals and a sagging bed is the most any of them can look forward to. But friendship will take them on a starting journey to a rundown North Carolina farmhouse where the unexpected suddenly seems not only welcome, but delightfully promising. And with nothing more than a bit of adventure in mind, each woman will be surprised to find that they years they've reclaimed from the shadow of twilight will offer something far more rare: confidence, competence, and even another chance at love... The Tampa Tribune calls Joan A Mendicott's *The Ladies of Covington Send Their Love* A must-read for women of all ages.
