

Craze

Thomas A. Delong

Craze Jessica Warner,2003 This work, written by Jessica Warner, provides a social history of the gin craze in 18th-century London.

Witch Craze Lyndal Roper,2006-01-01 A powerful account of witches, crones, and the societies that make them From the gruesome ogress in Hansel and Gretel to the hags at the sabbath in Faust, the witch has been a powerful figure of the Western imagination. In the sixteenth and seventeenth centuries thousands of women confessed to being witches--of making pacts with the Devil, causing babies to sicken, and killing animals and crops--and were put to death. This book is a gripping account of the pursuit, interrogation, torture, and burning of witches during this period and beyond. Drawing on hundreds of original trial transcripts and other rare sources in four areas of Southern Germany, where most of the witches were executed, Lyndal Roper paints a vivid picture of their lives, families, and tribulations. She also explores the psychology of witch-hunting, explaining why it was mostly older women that were the victims of witch crazes, why they confessed to crimes, and how the depiction of witches in art and literature has influenced the characterization of elderly women in our own culture.

The American Scholar William Allison Shimer,2003

The Spanish Craze Richard L. Kagan,2019-03-01 The Spanish Craze is the compelling story of the centuries-long U.S. fascination with the history, literature, art, culture, and architecture of Spain. Richard L. Kagan offers a stunningly revisionist understanding of the origins of hispanidad in America, tracing its origins from the early republic to the New Deal. As Spanish power and influence waned in the Atlantic World by the eighteenth century, her rivals created the "Black Legend," which promoted an image of Spain as a dead and lost civilization rife with innate cruelty and cultural and religious backwardness. The Black Legend and its ambivalences influenced Americans throughout the nineteenth century, reaching a high pitch in the Spanish-American War of 1898. However, the Black Legend retreated soon thereafter, and Spanish culture and heritage became attractive to Americans for its perceived authenticity and antimodernism. Although the Spanish craze infected regions where the Spanish New World presence was most felt—California, the American Southwest, Texas, and Florida—there were also early, quite serious flare-ups of the craze in Chicago, New York, and New England. Kagan revisits early interest in Hispanism among elites such as the Boston book dealer Obadiah Rich, a specialist in the early history of the Americas, and the writers Washington Irving and Henry Wadsworth Longfellow. He also considers later enthusiasts such as Angeleno Charles Lummis and the many writers, artists, and architects of the modern Spanish Colonial Revival in the United States in the late nineteenth and early twentieth centuries. Spain's political and cultural elites understood that the promotion of Spanish culture in the United States and the Western Hemisphere in general would help overcome imperial defeats while uniting Spaniards and those of Spanish descent into a singular raza whose shared characteristics and interests transcended national boundaries. With elegant prose and verve, *The Spanish Craze* spans centuries and provides a captivating glimpse into distinct facets of Hispanism in monuments, buildings, and private homes; the visual, performing, and cinematic arts; and the literature, travel journals, and letters of its enthusiasts in the United States.

Boomtown Craze M. Pax,2015-01-21 In the far future, humanity settles the stars, bioengineering its descendants to survive in a harsh universe. This is the third book in the science fiction series, *The Backworlds*. A space opera adventure. To realize his dream, to build Pardeep Station into a top world, a destination all Backworlders want to come to, Craze makes the best use of a weapon left behind by the Foreworlders. The dastardly technology helps him to forge advantageous trades, which improves his situation on the dusty moon. Only days away from the grand opening of his shiny new tavern, the starway opens, bringing in a loony Backworlder intent on mucking up Craze's carefully laid plans. Gaunt and trembling, she claims her spaceship is possessed. She also has a connection to the underworld that shakes loose the dark past of one of Craze's closest friends. It all threatens to end his prosperity before it begins. Meanwhile off world, Captain Talos works desperately to outwit the mercenary Jixes and lure them away from Pardeep Station's budding

prospects. With all the trading done on Pardeep's behalf, the mind-control weapon Talos is using wears thin, and his next move may be his last. Will it end in boom or dust?

Space Craze Margaret A. Weitekamp, 2022-10-18 A space historian's tour through astounding spaceflight history and the Smithsonian's collection of space and science fiction memorabilia. Spanning from the 1929 debut of the futuristic Buck Rogers to present-day privatization of spaceflight, *Space Craze* celebrates America's endless enthusiasm for space exploration. Author Margaret Weitekamp, curator at the Smithsonian's National Air and Space Museum, writes with warmth and personal experience to guide readers through extraordinary spaceflight history while highlighting objects from the Smithsonian's spaceflight collection. Featuring historical milestones in space exploration, films and TV shows, literature and comic strips, toys and games, and internet communities, *Space Craze* is a sci-fi lover's dream. The book investigates how spaceflight, both real and imagined, has served as the nexus where contemporary American concerns, such as race, gender, sexuality, freedom, and national identity, have been explored and redefined. Chronological chapters include: Chapter 1: Buck Rogers, Ray Guns, and the Space Frontier Chapter 2: Space Forts, Television, and the Cold War Mindset Chapter 3: John Glenn, the Apollo Program, and Fluctuating Spaceflight Enthusiasm Chapter 4: Star Trek, Star Wars, and Burgeoning Fandoms Chapter 5: Generation X, the Space Shuttle, and Promoting Education Chapter 6: Space Stations, Spaceflight Enthusiasm, and Online Fandom Chapter 7: Streaming Services, Battling Billionaires, and Accelerated Change From the almost 650 million viewers who tuned in to watch the first steps on the Moon, to the ardent Star Trek fandom that burgeoned into a cultural force, *Space Craze* taps into the country's enduring love affair with space.

The Indian Craze Elizabeth Hutchinson, 2009-03-23 In the early twentieth century, Native American baskets, blankets, and bowls could be purchased from department stores, "Indian stores," dealers, and the U.S. government's Indian schools. Men and women across the United States indulged in a widespread passion for collecting Native American art, which they displayed in domestic nooks called "Indian corners." Elizabeth Hutchinson identifies this collecting as part of a larger "Indian craze" and links it to other activities such as the inclusion of Native American artifacts in art exhibitions sponsored by museums, arts and crafts societies, and World's Fairs, and the use of indigenous handicrafts as models for non-Native artists exploring formal abstraction and emerging notions of artistic subjectivity. She argues that the Indian craze convinced policymakers that art was an aspect of "traditional" Native culture worth preserving, an attitude that continues to influence popular attitudes and federal legislation. Illustrating her argument with images culled from late-nineteenth- and early-twentieth-century publications, Hutchinson revises the standard history of the mainstream interest in Native American material culture as "art." While many locate the development of this cross-cultural interest in the Southwest after the First World War, Hutchinson reveals that it began earlier and spread across the nation from west to east and from reservation to metropolis. She demonstrates that artists, teachers, and critics associated with the development of American modernism, including Arthur Wesley Dow and Gertrude Käsebier, were inspired by Native art. Native artists were also able to achieve some recognition as modern artists, as Hutchinson shows through her discussion of the Winnebago painter and educator Angel DeCora. By taking a transcultural approach, Hutchinson transforms our understanding of the role of Native Americans in modernist culture.

Milk Craze Veronica S. W. Mak, 2021-02-28 Why do the Chinese, who are mostly lactase non-persistent, suddenly thirst for milk today? Whether it is formula milk, fresh cow milk, or tea with condensed milk, the rocketing milk consumption and production in China are of increasing global food safety, health, and environmental concerns. *Milk Craze* examines and compares developments in China's dairy industry and dietary dairy consumption, cross-nationally and globally, and more specifically in two localities: Shunde and Hong Kong. Through an innovative analysis of medical texts and social media, as well as careful ethnographic studies, Veronica Mak ponders why the surge in demand for Western cow milk coincides with the plunge in sales of indigenous water-buffalo milk and cheese. She reveals the multiple ways in which global industries and Chinese dairy

conglomerates sabotage and destroy local dairy farms. She shows that the rise of milk consumption is not just about the globalization of cow milk production and Westernization of the Chinese diet, but also due to the crossovers between the traditional Chinese diet and medicine and modern global diets. She uses these reference points to explore the multiple meanings of dairy foods in China, such as the class and cultural attributes associated with British “milk tea” and flavored yogurt products, water buffalo curds and cheese, and the lower class associations of labor in the water-buffalo dairying industries, and then discusses these developments in China through colonial and modern global perspectives. *Milk Craze* argues powerfully that the Westernization or dramatic change of diet in China too often obscures structural, educational, occupational, and social stresses and constraints, while naturalizing the dubious redefinition of health, cognitive performance, and ideal body shape as individual responsibility and imperative.

Quiz Craze Thomas A. DeLong, 1991-10-30 For more than fifty years, the quiz show has thrived on American television and radio. From *Pot o' Gold* and *The \$64,000 Question* to *Wheel of Fortune* and *Jeopardy*, quiz and game programs have entertained and informed millions of Americans, promoted and sold untold quantities of products, generated fortunes for their creators and producers, and filled the pockets of a multitude of jackpot winners. In this volume, Thomas DeLong offers the first in-depth history of quiz and game formats available in print. He describes how mass communications transformed the old parlor guessing games into enormously popular features on radio and television and examines their impact on American society and the consumer marketplace. DeLong also explores their decline in the wake of the quiz scandal inquiry of the late 1950s and their subsequent revival as new shows on daytime TV that began to build up a loyal following. *Quiz Craze* is enhanced by the recollections, insights, and anecdotes of many who brought the quiz show genre to listeners and viewers. Producers, directors, gamemakers, writers, emcees, panelists, and advertisers have added their first-hand observations on the inner workings and widespread influence of quiz show programming. Former contestants and their families offer reminiscences from shows such as *To Tell the Truth*, *What's My Line?*, *Name That Tune*, and many others. DeLong also draws on the resources of key organizations in the broadcast field, archival records, and published media reports to demonstrate the extraordinary popularity of the game show format.

The Dan Brown Craze Aiping Zhang, Zhenwu Zhu, 2016-05-11 Since the Chinese translation of *The Da Vinci Code* was released in China in 2004, the “Dan Brown Craze” has swept across the country. All of Brown’s novels have subsequently been translated into Chinese and sold millions of copies. No living foreign writer has generated so much media coverage and scholarship in China within such a short period of time; not even Toni Morrison or J.K. Rowling. Brown’s rendering of dichotomies, such as science and religion, humanity and divinity, good and evil, and liberty and privacy, resonates well with his Chinese readers because they feel that these issues are no longer irrelevant to them. They see an urgent need for a revision, if not an entire redefinition, of their existing beliefs and values. This book examines the plot, characterization, themes, setting, codes, knowledge, institutions, and techniques in his novels, and delivers a careful textual analysis, a selective dissemination of relevant information on different subjects, and a perceptive comparison between Brown and other Chinese and Western writers. As such, it shows how his thrillers have been appreciated and studied in China, and what kinds of discoveries, challenges, controversies, and insights have surfaced in the Chinese appreciation of Brown’s novels. Furthermore, the book explores why the “Dan Brown Craze” has lasted this long and exerted a broad and far-reaching impact upon the reading, writing, studying, translating, publishing, and marketing of fiction in China.

Tresses and Transformations: Unveiling the Wig Craze Cassandra Fenyk, 2023-05-15 Discover the enchanting world of wigs and embark on a transformative journey with *Tresses and Transformations: Unveiling the Wig Craze*. This comprehensive guidebook is your ultimate resource for buying, wearing, and caring for wigs. Whether you're a beginner seeking advice or an experienced wig enthusiast looking for new inspiration, this book has you covered. Dive into the fascinating history of wigs, explore different types and styles, master the art of wig care and

maintenance, and uncover the empowering potential of wearing wigs. Mad Craze Middle School; the Case of the Crumpled Balls V. L. Nabors, 2010-07-20 Three days remain before 12 yr. old Cuban Linn's 2-week holiday break and he couldn't be more excited. First, he'll hang out at the mall with the most popular girl at his school and other friends. Then, he'll play in his school's division championship basketball game. Finally Cuban and his cousin/best friend Jaria will celebrate their 13th birthday with a huge party. Unfortunately, Cuban has unknowingly stumbled into the middle of a crime at his school. He is now the prime suspect and could lose everything, including his freedom. Join Cuban and Jaria as they set out to clear his name. Will they find the perpetrator in time? It's middle school fun, craziness, and suspense for readers 9 through 15 years of age.

Beautiful Sun: Boy Craze M. Rose Barnett, 2008

George and the New Craze Alice Hemming, 2019 The original picture book text for this story has been modified by the author to be an early reader.

The Thought Reader Craze Barry H. Wiley, 2012-09-26 Beginning in 1870, the hunger for scientific discovery in Great Britain drove prominent scientists, philosophers and others to promote the legitimacy of telepathy. At the same time, mind-reading as a form of entertainment gained increasing popularity as persuasive performers like John Randall Brown, W.I. Bishop, and Stuart C. Cumberland convinced reporters that they truly could read the thoughts of others. The widely publicized, sometimes bizarre, interactions between scientists and these charlatans ushered in the Thought Reader Craze, a period that lasted through about 1910 and saw entertainers make and lose fortunes and scientists make and lose reputations. This volume explores this unusual cultural phenomenon, showing how it was aided through the years by public scientific pronouncements, astonishing performances by the thought readers, and the rapidly changing industrial society.

The Reciprocity Craze George Webb Medley, Cobden Club (London, England), 1881

The Last Witch Craze Tony McAleavy, 2022-06-15 A fascinating account of man of letters John Aubrey's investigation into the witch craze in 17th century England and the remarkable witch trials in Wiltshire. John Aubrey and other leading figures in the Royal Society promoted belief in witchcraft. Aubrey also had a dark secret. He personally practised a form of black witchcraft.

Craze Introduction

Craze Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Craze Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Craze : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Craze : Has an extensive collection of digital content, including books, articles,

videos, and more. It has a massive library of free downloadable books. Free-eBooks Craze Offers a diverse range of free eBooks across various genres. Craze Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Craze Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Craze, especially related to Craze, might be challenging as they're often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Craze, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Craze books or magazines might include. Look for these in online stores or libraries. Remember that while Craze, sharing copyrighted material without permission is not legal. Always ensure you're either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Craze eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website

Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Craze full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Craze eBooks, including some popular titles.

FAQs About Craze Books

What is a Craze PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Craze PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Craze PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Craze PDF to another file format?**

There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Craze PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, I LovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password

protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
