The Rave I'Ching Ra Uru Hu, 1999-03-01

Tao Oracle Ma Deva Padma, 2002-10-18 A visual I Ching--this book and card set is a beautiful and dazzling new tool for self-transformation, enlightenment, and personal growth using beautifully illustrated cards that feature paintings, symbols, colors, and key words.

The Essential I Ching Kari Hohne, 2015-09-20 The I Ching is the oldest work of literature and while it has been used for centuries as an oracle, it is also a profound work of ancient Chinese philosophy. The Taoist philosophers observed nature to be a teacher and this compilation of the I Ching is especially rich in examining how nature can teach us about the human journey. By examining all possible ancient and modern interpretations The Essential I Ching offers the most comprehensive I Ching translation. All interpretations include quotes from the ancient masters of Chinese philosophy as well as being based on the power of nature which originally inspired the Book of Changes. Each line interpretation refers to the hexagram that would have been created by the line change for added insight. Additionally, each hexagram includes the Hu Gua (secondary influence) the Zong Gua (opposite influence) and even a quick reference to what the hexagram means when received as the changing hexagram. There is no other book on the I Ching that can compare to the research that has gone into preparing this text and it is interpreted in a way that is modern and relevant to today.

The I Ching Cary F. Baynes, 1967 A classic book of Chinese philosophy.

The Medical I Ching Miki Shima, 1992 The first translation of this timeless classic of philosophy specifically for practitioners of the healing arts. Includes: diagnostic indications & prognosis for all 64 hexagrams & changing lines, discussions of casting methods, & case histories.

The Astrology of I Ching Wallace Andrew Sherrill, 1976

Intuitive Life-coaching Oracle Kelly T. Smith, 2020 In today's fast-paced world with its constant stream of information, advertisements, and advice, it can be hard to know where to turn when you need help. The answers may lie within you, if you know how to connect with your deeper self and access your intuition. The Intuitive Life-Coaching Oracle offers guidance on any issue or emotional challenge you may be facing and will provide you with practical solutions, advice, and wisdom. Whether you want to celebrate your accomplishments, learn from past mistakes, or need advice on a future decision, this oracle will help you tap into your intuition and higher self, allowing you to discover your fullest potential and live a life of ease and flow. Intuitive by nature, you will receive messages from your guides and angels to escort you on your path to greatness. Now is the time to take full responsibility for your life and your future. Slow down, take a deep breath, and work with the Intuitive Life-Coaching Oracle to help you live a life of spiritual connectedness--

Your Money or Your Life Vicki Robin, Joe Dominguez, 2008-12-10 A fully revised edition of one of the most influential books ever written on personal finance with more than a million copies sold "The best book on money. Period." -Grant Sabatier, founder of "Millennial Money," on CNBC Make It This is a wonderful book. It can really change your life. -Oprah For more than twenty-five years, Your Money or Your Life has been considered the go-to book for taking back your life by changing your relationship with money. Hundreds of thousands of people have followed this nine-step program, learning to live more deliberately and meaningfully with Vicki Robin's guidance. This fully revised and updated edition with a foreword by the Frugal Guru (New Yorker) Mr. Money Mustache is the ultimate makeover of this bestselling classic, ensuring that its time-tested wisdom applies to people of all ages and covers modern topics like investing in index funds, managing revenue streams like side hustles and freelancing, tracking your finances online, and having difficult conversations about money. Whether you're just beginning your financial life or

heading towards retirement, this book will show you how to: • Get out of debt and develop savings • Save money through mindfulness and good habits, rather than strict budgeting • Declutter your life and live well for less • Invest your savings and begin creating wealth • Save the planet while saving money • ...and so much more! The seminal guide to the new morality of personal money management. -Los Angeles Times

Nothing Bad Happens in Life Kari Hohne, 2009-05-13 *Nothing Bad Happens in Life*, Nature's Way of Success presents nature as the ultimate teacher of how to overcome all obstacles. The natural world is relentless in its ability to overcome any barriers to its forward progress and by exploring it's ability to renew itself, you will discover how you are also driven by it's mechanisms of self-determination and rebirth. Life's secret is that it has been committed to your success since the beginning. This illuminating and timely book explores nature's diversities and commitment to growth to reveal its essential goodness. Based on the ancient wisdom of the I Ching and Tao te Ching, this book is a valuable tool for leadership training, or for those in search of a more grounded and natural approach to spirituality and wellness.

Intuitive Intelligence Paul O'Brien, 2019-09-10 Paul O'Brien, founder of Tarot.Com, shares how readers can tap into their creative power, leverage synchronicities, and cultivate their sixth sense. Through a combination of effective decisions and strategic timing, readers can align with their greatest dreams. What happens when a vision of creative freedom, courageous risk-taking and good timing come together? What if you focused on what fascinates you, then mastered some skills, including a level of intuitive decision-making that helps you make the right moves at the right time? The answer is a life filled with success on your own terms. In this unique book about self-discovery and manifesting your true destiny, author Paul O'Brien distills a lifetime of business and personal adventures into an eloquently articulated process for making the best strategic decisions with an ever-improving sense of timing. His true stories of lessons learned will intrigue and delight the reader, while the presentation of skills required to make great decisions with perfect timing captivate and motivate. The author's elegant Visionary Decision Making process and philosophy clearly define the essential skills of accessing intuition when you need it most. The book shows readers how to take charge of their life and fearlessly take the risks that will help them realize their goals and dreams to fearlessly take those risks that will grow them as a person. *Intuitive Intelligence* is the 2020 Silver winner of the Coalition of Visionary Resources (COVR) Visionary Awards. In *Intuitive Intelligence*, you will learn how to: - Discover what truly fascinates you and let that motivate you. Understand what turns on your creative imagination and innate desire to be of service. - Fine-tune your intuitive sense, so that you can hear its quiet voice even in the midst of chaos. - Leverage synchronicities meaningful coincidences to receive direction from the realm of Infinite Intelligence, outside the box of linear thinking. - Channel archetypes of power to, call forth your inner Hero, the Sovereign, Warrior, Magician, and Lover, and put them to work for you! - Develop intuition rituals. Learn how to use guided meditations and the I Ching (Book of Changes) as aids for cultivating and activating Intuitive Intelligence when you need it most. - Adopt visionary beliefs. Take ownership and upgrade your operating assumptions. - Execute decisions with exquisite timing, trusting in the process and yourself. Like compound interest, the more you trust intuition the easier it becomes to notice and interpret its subtle signals. - Develop perfect timing and cultivate a Synchronistic Lifestyle characterized by inspiration, joy, wisdom, and grace.

Rolling Rocks Downhill Clarke Ching, 2014-12-17 --- It's May, so guess what? We all survived the Scottish winter! --- So ... here's 60% off the Kindle version (and 20% off the paperback) until the end of the week, in celebration. A story that sticks ... *Rolling Rocks Downhill* is a fast-moving business novel, like Eli Goldratt's classic, *The Goal*, where you sit on the shoulders of the characters and quietly watch as they discover the few - but fundamental - principles which underly successful commercial software development. Faster than you ever thought possible. This is NOT a technical book. It doesn't mention Agile. It doesn't ram techniques and practices down your throat. There are other books for that. *Rolling Rocks downhill* is a book about delivering software projects ON TIME or, if you choose, EARLY. It's a book about building quality in and then running as FAST as you

can. J. B. Rainsberger, author of *JUnit Recipes*: I don't know how many of my clients would take the time to read *The Goal*, but I insist that they read *Rolling Rocks Downhill*--it strongly reinforces the essence of Agile software development that has been drowned in an ocean of process manuals, maturity models, and checklists. Just as *The Goal* sought to bring common sense back to manufacturing, so this book seeks to bring common sense back to a software industry that sorely needs it. -- J. B. Rainsberger Johanna Rothman, author of *Jolt Productivity award-winning Manage It! Your Guide to Modern, Pragmatic Project Management*: Maybe one of your teammates or someone in management has the bright idea that maybe transitioning to agile or lean will help. Maybe it does in some small way. But, it's not enough. You're on a death march, iteration by iteration. Or, with your board, you can see that you are making progress, but you're not working fast enough. Or, you're not delivering what your customers need. You're still trying to do it all. Why? Because it takes you forever to release anything. You know there's another piece to this. You just don't know what. You need to read Clarke Ching's *Rolling Rocks Downhill*.

The I Ching Workbook R.L. Wing, 1978-12-19 An important, new interpretation of the I Ching, the 5,000-year-old Chinese book of wisdom, in a unique workbook format designed to help truth-seekers find new meaning and enlightenment in its ancient lore. Designed for those actively exploring this ancient system in order to better understand their lives, *The I Ching Workbook* serves as a simple guide to the study and interpretation of the I Ching's advice. It provides a format for each of the 64 hexagrams that allows one to record the various responses of the I Ching. Insights regarding health, relationships, business, politics, travel, career, social events, and inner development have been sought of the I Ching, or Book of Change, for thousands of years. With continued consultation of the I Ching concerning all aspects of your life, you will begin to perceive patterns to the I Ching's responses—and therefore, certain patterns to the changes in your life. R.L. Wing's new interpretation incorporates cultural and linguistic changes that will greatly enhance your understanding of our world's most ancient book. You can now begin to use this valuable tool to bring new meaning and insight into your life.

The Forest of Changes, 2016-05-12 *The Forest of Changes* (Jiao Shi Yi Lin) is a Han Dynasty book of divination based on the Yi Jing. It expands the 64 hexagrams of the Yi Jing into 4096 verses, with one verse for each possible combination of two hexagrams. The work was created in the latter part of the Western Han or during the reign of Wang Mang. Much more than a diviners' tool, it contains numerous important insights into early Chinese culture, religion, history, myth and philosophy. This is the first translation of the entire work into a western language. Note! Now available: *The Merchant's and Traveler's Forest of Changes*. This is the first of three volumes in the *Forest of Changes Oracle* series, a resyncing of the *Forest* to the Yi Jing to create a working oracle. See my author's page for details.

The Tao of I Ching Tsung Hwa Jou, 1989-12-15 A new and refreshing way to understand and utilize the I Ching.

Reading Machines Stephen Ramsay, 2011-12-01 Besides familiar and now-commonplace tasks that computers do all the time, what else are they capable of? Stephen Ramsay's intriguing study of computational text analysis examines how computers can be used as reading machines to open up entirely new possibilities for literary critics. Computer-based text analysis has been employed for the past several decades as a way of searching, collating, and indexing texts. Despite this, the digital revolution has not penetrated the core activity of literary studies: interpretive analysis of written texts. Computers can handle vast amounts of data, allowing for the comparison of texts in ways that were previously too overwhelming for individuals, but they may also assist in enhancing the entirely necessary role of subjectivity in critical interpretation. *Reading Machines* discusses the importance of this new form of text analysis conducted with the assistance of computers. Ramsay suggests that the rigidity of computation can be enlisted in the project of intuition, subjectivity, and play.

Whole Earth Software Catalog for 1986 Stewart Brand, 1985

Architecture Francis D. K. Ching, 2012-07-16 A superb visual reference to the principles of architecture Now including interactive CD-ROM! For more than thirty years, the beautifully illustrated *Architecture: Form, Space, and Order* has been the classic introduction to the basic vocabulary of architectural design. The updated Third Edition features expanded sections on circulation, light, views, and site context, along with new considerations of environmental factors, building codes, and contemporary examples of form, space, and order. This classic visual reference helps both students and practicing architects understand the basic vocabulary of architectural design by examining how form and space are ordered in the built environment. Using his trademark meticulous drawing, Professor Ching shows the relationship between fundamental elements of architecture through the ages and across cultural boundaries. By looking at these seminal ideas, *Architecture: Form, Space, and Order* encourages the reader to look critically at the built environment and promotes a more evocative understanding of architecture. In addition to updates to content and many of the illustrations, this new edition includes a companion CD-ROM that brings the book's architectural concepts to life through three-dimensional models and animations created by Professor Ching.

The Software Encyclopedia, 1991

Atomic Habits James Clear, 2018-10-16 The #1 New York Times bestseller. Over 10 million copies sold! Tiny Changes, Remarkable Results No matter your goals, *Atomic Habits* offers a proven framework for improving—every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. *Atomic Habits* will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits—whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

Ignite the flame of optimism with is motivational masterpiece, **Daily I Ching Software** . In a downloadable PDF format (*), this ebook is a beacon of encouragement. Download now and let the words propel you towards a brighter, more motivated tomorrow.
