Danica: Crossing the Line Danica Patrick,2013-02-22 Sharing secrets and stories, tales from the track, and insights into her personal life, Danica reflects on her extraordinary rise from a ten-year-old go-kart champion to the most successful woman in the history of American racing. Danica Patrick's life moves at 220 mph. She drives every race and lives every day like she has something to prove—and she does. As a 5-foot 2-inch, 100-pound woman, she had to qualify a little quicker and race a little faster than the boys—just to earn the respect she would otherwise be given if she weren't the girl on the track, driving the princess mobile. But you don't get to be an IndyCar driver without talent and determination. Danica is living proof that if you work hard and aim high, you can do whatever you set your mind to, that you can rise to any challenge, and that what makes you different is what makes you great. An inspiration to all, *Crossing the Line* offers Danica's unique perspective on how to compete in life, how to stand out, and how to get the respect and attention you deserve.

I Will Protect You Eva Mozes Kor,2022-04-05 The illuminating and deeply moving true story of twin sisters who survived Nazi experimentation, against all odds, during the Holocaust. Eva and her identical twin sister, Miriam, had a mostly happy childhood. Theirs was the only Jewish family in their small village in the Transylvanian mountains, but they didn't think much of it until anti-Semitism reared its ugly head in their school. Then, in 1944, ten-year-old Eva and her family were deported to Auschwitz. At its gates, Eva and Miriam were separated from their parents and other siblings, selected as subjects for Dr. Mengele's infamous medical experiments. During the course of the war, Mengele would experiment on 3,000 twins. Only 160 would survive--including Eva and Miriam. Writing with her friend Danica Davidson, Eva reveals how two young girls were able to survive the unimaginable cruelty of the Nazi regime, while also eventually finding healing and the capacity to forgive. Spare and poignant, *I Will Protect You* is a vital memoir of survival, loss, and forgiveness.
