Save the Date Morgan Matson,2018-06-05 “The cinema-worthy rom-com of your summer reading dreams.” –Bustle Father of the Bride meets Sixteen Candles in the latest novel from New York Times bestselling author Morgan Matson. Charlie Grant’s older sister is getting married this weekend at their family home, and Charlie can’t wait—for the first time in years, all four of her older siblings will be under one roof. Charlie is desperate for one last perfect weekend, before the house is sold and everything changes. The house will be filled with jokes and games and laughs again. Making decisions about things like what college to attend and reuniting with longstanding crush Jesse Foster—all that can wait. She wants to focus on making the weekend perfect. The only problem? The weekend is shaping up to be an absolute disaster. There’s the unexpected dog with a penchant for howling, house alarm that won’t stop going off, and a papergirl with a grudge. There are the relatives who aren’t speaking, the (awful) girl her favorite brother brought home unannounced, and a missing tuxedo. Not to mention the neighbor who seems to be bent on sabotage and a storm that is bent on drenching everything. The justice of the peace is missing. The band will only play covers. The guests are all crazy. And the wedding planner’s nephew is unexpectedly, distractingly...cute. Over the course of three ridiculously chaotic days, Charlie will learn more than she ever expected about the family she thought she knew by heart. And she’ll realize that sometimes, trying to keep everything like it was in the past means missing out on the future.

From award-winning marriage researcher and bestselling author Dr. John Gottman and fellow researcher Julie Gottman, Eight Dates offers an ingenious and simple-to-implement approach to effective relationship communication. Here are the subjects that every serious couple should discuss: Trust. Family. Sex and intimacy. Dealing with conflict. Work and money. Dreams, and more. There are also suggestions for where and when to go on each date—book your favorite romantic restaurant for the Sex & Intimacy conversation (and maybe go to a yoga or dance class beforehand). There are questionnaires, innovative exercises, real-life case studies, and skills to master, including the Four Skills of Intimate Conversation and the Art of Listening. Because making love last is not about having a certain feeling—it’s about both of you being active and involved.

500 Dates Mark Miller,2015-02-03 Now several years post-divorce, relationship expert and humorist Mark Miller has experienced more than five hundred first dates. In 500 Dates, composed of fifty-five humor essays, Miller features the highlights and lowlights of those dates. Among the true dating tales and revelations you will find in this book are: • How Miller and his date learned the limitations of a man being too emotionally expressive. (“Most guys consider revealing more about themselves emotionally and communicating on a deeper level nearly as enjoyable as falling face-first onto an ice pick—or spending the rest of eternity listening to Celine Dion

music.) • Miller's realization that sometimes men have to pay a heavy price for their dates' previous relationship behavior. (At least six different times, God has matched me up with a woman who has had a long history of wild, impulsive, passionate, no-holds-barred sex. She invariably finds something lacking in that lifestyle and decides to make a change. Starting with the very next man she dates. Who is invariably me.) • Miller's misguided social experiment to separate dating from status by spending less than \$20 on the date, purchasing everything at a 99¢ store, and what he learned, as a result, about his date and himself. ("I realize now that on the journey of romance, thrift and creativity will take you only so far – for the rest of the trip, you'll need MasterCard.) • Revealed for the first time the inner workings of a man's brain. (Cerebellum. Responsible for coordinating movement and maintaining balance. Used primarily when a man has had eight beers and is endeavoring to make his way to the bathroom without tripping over the dog and pulling the fish tank over on top of them.) • How Miller took his date to his ex-wife's holiday party only to find his date and his ex-wife bonding like high school girlfriends. ("Pam would take Amy aside and present to her a list of all 273 of my failings, most of which, she confides to Amy, won't become noticeable until month three of Amy's being with me. Amy is stunned; she'd only been aware of 149 of my failings.") But 500 Dates is about much more than dating. Its humor essays also cover romance, relationships, breakups, attraction, the nature of love, and how both men and women view the art, science, expectations, and reality of courtship and turning courtship into something deeper and longer lasting in the twenty-first century. Throughout these essays, a portion of which were previously published in various media, Miller provides a sense of hope about one's romantic prospects. Readers will find that the end of a marriage, even a long-term one, does not mean the end of romance—or one's sense of humor.

The Wedding Date Disaster Avery Flynn, 2020-08-25 I can't believe I have to go home to Nebraska for my sister's wedding. I'm gonna need a wingman and a whole lot of vodka for this level of family interaction. At least my bestie agreed he'd man up and help. Too bad he had to catch a different flight than me. Then his plane got delayed. And finally—because bad things always happen in threes—instead of my best friend, his evil twin strolls out of the airport. If you looked up doesn't-deserve-to-be-that-confident, way-too-hot-for-his-own-good billionaire in the dictionary, you'd find a picture of Will Holt. He's awful. Horrible. The worst—even if his butt looks phenomenal in those jeans. Ten times worse? My buffer was supposed to be there to keep me away from the million and one family events. But Satan's spawn just grins and signs us up for every. Single. Thing. Fine. "Cutthroat" Scrabble? I'm in. I can't wait to take this guy down a notch. But somewhere between Pictionary and the teasing glint in his eyes, our bickering starts to feel like more than just a game...

The Perfect Date Evelyn Lozada, Holly Lorincz, 2019-06-11 When a single mom ends up playing an unwilling fake girlfriend to a charming playboy baseball player, love suddenly turns everything upside down in this fun, heartwarming multicultural romance. Angel Gomez has never lived by the book. A Bronx-based unwed mother by the time she was sixteen, Angel's personal mission has always been to show the world that a Puerto Rican girl is not to be messed with—especially by a man. The only thing that matters to Angel, now, is providing for her son and earning enough tips at the club to complete her nursing degree along the way. Love is nowhere on her agenda. Caleb "The Duke" Lewis is a star pitcher for the Bronx Bolts whose romantic escapades make delicious fodder for gossip columns. But lately he's been trying to keep a lower profile—so much so that when he meets Angel, first while she's in her nurse uniform and the next time behind the bar, she has no idea who Duke is, fails to fall for his obvious charm, and ends up throwing a drink in his face! She is the perfect woman for Duke...to fool the tabloids into thinking he's finally settling down. But what begins as a charade soon has Duke and Angel hurtling into a full-blown romance that rocks each of their worlds and begs the question: Is this the real deal—or are some love stories just too good to be true?

Date & Time Phil Kaye, 2018-08-23 Phil Kaye's debut collection is a stunning tribute to growing up, and all of the challenges and celebrations of the passing of time, as jagged as it may be. Kaye takes the reader on a journey from a complex but iridescent childhood, drawing them into adolescence, and finally on to adulthood. There are first kisses, lost friendships, hair blowing in the wind while driving the vastness of an empty road, and the author positioned in the middle, trying to make sense of it all. Readers will find joy and vulnerability, in equal measure. Date & Time is a welcoming story, which freezes the calendar and allows us all to live in our best moments.

Acme Novelty Datebook Volume Two Chris Ware,2007-12-10 Stragglng behind the mild 2003 success of cartoonist Chris Ware's first facsimile collection of his miscellaneous sketches, notes, and adolescent fantasies arrives this second volume, updating weary readers with Ware's clichéd and outmoded insights from the late twentieth century. Working directly in pen and ink, watercolor, and white-out whenever he makes a mistake, Ware has cannily edited out all legally sensitive and personally incriminating material from his private journals, carefully recomposing each page to simulate the appearance of an ordered mind and established aesthetic directive. All phone numbers, references to ex-girlfriends, false starts, and embarrassing experiments with unfamiliar drawing media have been generously excised to present the reader with the most pleasant and colorful sketchbook reading experience available. Included are Ware's frustrated doodles for his book covers, angry personal assaults on friends, half-finished comic strips, and lengthy and tiresome fulminations of personal disappointments both social and sexual, as well as his now-beloved drawings of the generally miserable inhabitants of the city of Chicago. All in all, a necessary volume for fans of fine art, water-based media, and personal diatribe. This hardcover is attractively designed and easy to resell.
