Date Book Erika Stalder,2007-08-01 Date Book sheds light on the teen girl dating experience and empowers girls to be safe and confident when dating. Written in a funny, shoot-from-the-hip voice, it's full of creative date suggestions, fashion advice, tips on how to bargain for extended curfews, and exit strategies for when a date goes bad

How Not to Date Judy McGuire,2011-01-04 On the heels of the success of How to Date in a Post-Dating World comes this polar opposite: a collection of dating nightmares that'll certainly let readers know what absolutely not to do on a date. Since the year 2000, dating columnist Judy McGuire has advised and entertained singles with her irreverent Ask DateGirl column. For every possible type of dating nightmare scenario out there, Judy's most probably heard about it, and has offered advice on what to do to resolve it if the problem date is still lingering. In this book, she collects some of the worst dates she has heard about, ranging from the bland to the incredibly frightening.

500 Dates Mark Miller,2015-02-03 Now several years post-divorce, relationship expert and humorist Mark Miller has experienced more than five hundred first dates. In *500 Dates*, composed of fifty-five humor essays, Miller features the highlights and lowlights of those dates. Among the true dating tales and revelations you will find in this book are: • How Miller and his date learned the limitations of a man being too emotionally expressive. ("Most guys consider revealing more about themselves emotionally and communicating on a deeper level nearly as enjoyable as falling face-first onto an ice pick—or spending the rest of eternity listening to Celine Dion music.) • Miller's realization that sometimes men have to pay a heavy price for their dates' previous relationship behavior.(At least six different times, God has matched me up with a woman who has had a long

history of wild, impulsive, passionate, no-holds-barred sex. She invariably finds something lacking in that lifestyle and decides to make a change. Starting with the very next man she dates. Who is invariably me.) • Miller's misguided social experiment to separate dating from status by spending less than \$20 on the date, purchasing everything at a 99¢ store, and what he learned, as a result, about his date and himself. ("I realize now that on the journey of romance, thrift and creativity will take you only so far - for the rest of the trip, you'll need MasterCard.) • Revealed for the first time the inner workings of a man's brain. (Cerebellum. Responsible for coordinating movement and maintaining balance. Used primarily when a man has had eight beers and is endeavoring to make his way to the bathroom without tripping over the dog and pulling the fish tank over on top of them.) • How Miller took his date to his ex-wife's holiday party only to find his date and his ex-wife bonding like high school girlfriends. ("Pam would take Amy aside and present to her a list of all 273 of my failings, most of which, she confides to Amy, won't become noticeable until month three of Amy's being with me. Amy is stunned; she'd only been aware of 149 of my failings.") But 500 Dates is about much more than dating. Its humor essays also cover romance, relationships, breakups, attraction, the nature of love, and how both men and women view the art, science, expectations, and reality of courtship and turning courtship into something deeper and longer lasting in the twenty-first century. Throughout these essays, a portion of which were previously published in various media, Miller provides a sense of hope about one's romantic prospects. Readers will find that the end of a marriage, even a long-term one, does not mean the end of romance—or one's sense of humor.

Save the Date Morgan Matson, 2018-06-05 “The cinema-worthy rom-com of your summer reading dreams.” —Bustle Father of the Bride meets *Sixteen Candles* in the latest novel from New York Times bestselling author Morgan Matson. Charlie Grant’s older sister is getting married this weekend at their family home, and Charlie can’t wait—for the first time in years, all four of her older siblings will be under one roof. Charlie is desperate for one last perfect weekend, before the house is sold and everything changes. The house will be filled with jokes and games and laughs again. Making decisions about things like what college to attend and reuniting with longstanding crush Jesse Foster—all that can wait. She wants to focus on making the weekend perfect. The only problem? The weekend is shaping up to be an absolute disaster. There’s the unexpected dog with a penchant for howling, house alarm that won’t stop going off, and a papergirl with a grudge. There are the relatives who aren’t speaking, the (awful) girl her favorite brother brought home unannounced, and a missing tuxedo. Not to mention the neighbor who seems to be bent on sabotage and a storm that is bent on drenching everything. The justice of the peace is missing. The band will only play covers. The guests are all crazy. And the wedding planner’s nephew is unexpectedly, distractingly...cute. Over the course of three ridiculously chaotic days, Charlie will learn more than

she ever expected about the family she thought she knew by heart. And she'll realize that sometimes, trying to keep everything like it was in the past means missing out on the future.

Eight Dates John Gottman,Julie Schwartz Gottman,Doug Abrams,Rachel Carlton Abrams,2019-02-05 Whether you're newly together and eager to make it work or a longtime couple looking to strengthen and deepen your bond, Eight Dates offers a program of how, why, and when to have eight basic conversations with your partner that can result in a lifetime of love. "Happily ever after" is not by chance, it's by choice- the choice each person in a relationship makes to remain open, remain curious, and, most of all, to keep talking to one another. From award-winning marriage

researcher and bestselling author Dr. John Gottman and fellow researcher Julie Gottman, *Eight Dates* offers an ingenious and simple-to-implement approach to effective relationship communication. Here are the subjects that every serious couple should discuss: Trust. Family. Sex and intimacy. Dealing with conflict. Work and money. Dreams, and more. And here is how to talk about them—how to broach subjects that are difficult or embarrassing, how to be brave enough to say what you really feel. There are also suggestions for where and when to go on each date—book your favorite romantic restaurant for the Sex & Intimacy conversation (and maybe go to a yoga or dance class beforehand). There are questionnaires, innovative exercises, real-life case studies, and skills to master, including the Four Skills of Intimate Conversation and the Art of Listening. Because making love last is not about having a certain feeling—it's about both of you being active and involved.

Date & Time Phil Kaye, 2018-08-23 Phil Kaye's debut collection is a stunning tribute to growing up, and all of the challenges and celebrations of the passing of time, as jagged as it may be. Kaye takes the reader on a journey from a complex but iridescent childhood, drawing them into adolescence, and finally on to adulthood. There are first kisses, lost friendships, hair blowing in the wind while driving the vastness of an empty road, and the author positioned in the middle, trying to make sense of it all. Readers will find joy and vulnerability, in equal measure. *Date & Time* is a welcoming story, which freezes the calendar and allows us all to live in our best moments.

Dates A. Manickavasagan, M. Mohamed Essa, E. Sukumar, 2012-04-20 Of the many varieties of date palms, the species *Phoenix dactylifera* Linn. is cultivated extensively and traded and consumed worldwide. *Dates: Production, Processing, Food, and Medicinal Values* draws from a broad spectrum of contributors to present a comprehensive survey of this particular species. The book explores a range of essential facets of what many consider to be a wonder plant—from its cultivation to its potential for medicinal purposes. Divided into four parts, the book begins by examining cultural practices and their implications for date quality. The contributors discuss tissue culture studies, farm water management, mechanization approaches in pollination and harvesting operations, and marketing aspects. The second section focuses on postharvest operations such as drying and explores alternatives for methyl bromide fumigation and value-added products. It also reviews biofuel production from by-products and discusses the issue of waste generated from industry. The third part of the book highlights the physical, chemical, and structural characteristics of dates. It

reviews fermentative products that use dates as substrate, discusses the fruits as a substitute for added sugar in food, and explores date palm feeding to livestock. The final section discusses the possibilities for nutritional and medicinal use and reviews the use of dates in indigenous medicine. Exploring essential properties and agricultural implications, this volume is a reliable resource for understanding the many aspects of the Phoenix dactylifera Linn.

Just carving out time to talk, cook, and eat together became the marriage-booster they needed, and now with Date Night In she invites you to make date night an integral part of your week and shows you how to woo your partner all over again with food, drink, and conversation. Packed with tantalizing and delicious recipes, Date Night In is a must-have cookbook for any couple who wants to spice things up with special seasonal meals at home with a table for two.

The Wedding Date Disaster Avery Flynn, 2020-08-25 I can't believe I have to go home to Nebraska for my sister's wedding. I'm gonna need a wingman and a whole lot of vodka for this level of family interaction. At least my bestie agreed he'd man up and help. Too bad he had to catch a different flight than me. Then his plane got delayed. And finally—because bad things always happen in threes—instead of my best friend, his evil twin strolls out of the airport. If you looked up doesn't-deserve-to-be-that-confident, way-too-hot-for-his-own-good billionaire in the dictionary, you'd find a picture of Will Holt. He's awful. Horrible. The worst—even if his butt looks phenomenal in those jeans. Ten times worse? My buffer was supposed to be there to keep me away from the million and one family events. But Satan's spawn just grins and signs us up for every. Single. Thing. Fine. "Cutthroat" Scrabble? I'm in. I can't wait to take this guy down a notch. But somewhere between

Pictionary and the teasing glint in his eyes, our bickering starts to feel like more than just a game...
