Delphi Clare Pollard, 2022-08-02 A Guardian Best Book of 2022 * "Clever and surprising." –BuzzFeed * "Brilliantly funny." –San Francisco Chronicle * "Ingenious." –The Millions * "Powerful." –Harper's Bazaar A captivating debut novel about a classics professor immersed in research for a new book on a prophecy in the ancient world who confronts chilling questions about her own life just as the pandemic descends—for readers of Jenny Offill, Ottessa Moshfegh, and Sally Rooney. Covid-19 has arrived in London, and the entire world quickly succumbs to the surreal, chaotic mundanity of screens, isolation, and the disasters big and small that have plagued recent history. As our unnamed narrator—a classics professor immersed in her studies of ancient prophecies—navigates the tightening grip of lockdown, a marriage in crisis, and a ten-year-old son who seems increasingly unreachable, she becomes obsessed with predicting the future. Shifting her focus from chiromancy (prophecy by palm reading) to zoomancy (prophecy by animal behavior) to oenomancy (prophecy by wine), she fails to notice the future creeping into the heart of her very own home, and when she finally does, the threat has already breached the gates. Brainy and ominous, imaginative and funny, Delphi is a snapshot and a time capsule—it vividly captures our current moment and places our reality in the context of myth. Clare Pollard has delivered one of our first great pandemic novels, a mesmerizing and richly layered story about how we keep on living in a world that is ever-more

uncertain and absurd.

He could take care of himself, but he had reckoned without Cecilia, his beautiful photographer.

When he fell in love with her, he gave his enemies the one weapon they needed.

Delphi Anita L. Werling, Bonnie J. Maxwell, Delphi Preservation Society, Inc., 2010-07-26 Delphi is nestled in the picturesque valley formed by the Wabash River and Deer Creek. Named for the Grecian city with its famed oracle, Delphi was envisioned by early residents as a center of culture for the surrounding area. Three courthouses have graced the central square in Delphi—the “seat of justice” in Carroll County since platted in 1828 by Gen. Samuel Milroy. When the Wabash and Erie Canal cut through the area in the 1840s, Delphi became a center for industry and commerce. Handsome three-story brick buildings appeared in the 1850s and surrounded the square by the 1880s. Area residents traveled to Delphi for trade, business, and entertainment. Delphi’s opera houses drew traveling acts from Chicago, Indianapolis, Cincinnati, and other cultural centers. Visitors today enjoy the architectural gems downtown and in nearby residential districts plus six parks with miles of groomed hiking and biking trails. The canal era is alive in Delphi at the Wabash and Erie Canal Interpretive Center where a replica boat takes visitors on a restored section of the historic waterway.
