**Demons** Fyodor Dostoevsky,2010-05-19 Inspired by the true story of a political murder that horried Russians in 1869, Fyodor Dostoevsky conceived of Demons as a novel-pamphlet in which he would say everything about the plague of materialist ideology that he saw infecting his native land. What emerged was a prophetic and ferociously funny masterpiece of ideology and murder in pre-revolutionary Russia.

**Demon Hit List** John Eckhardt,2009-10-01 Identifying the enemy is the key to casting him out! John Eckhardt has created the ultimate deliverance thesaurus to help believers know the specific names and attributes of demons so they can become more successful in casting them out. We fear the unknown, but there is power in identification. The demons unmasked in this thesaurus are well aware that they are subject to the name of Jesus, the name above every name! By identifying demons, the believer strips them of their power and exhibits Christ's authority over every demon. Don't run from the devil; begin casting out the enemy and stand victorious with Jesus Christ!

**Personal Demons** Lisa Desrochers,2010-09-14 Frannie Cavanaugh is a good Catholic girl with a bit of a wicked streak. She has spent years keeping everyone at a distance---even her closest friends---and it seems as if her senior year is going to be more of the same . . . until Luc Cain enrolls in her class. No one knows where he came from, but Frannie can't seem to stay away from him. What she doesn't know is that Luc is on a mission. He's been sent from Hell itself to claim Frannie's soul. It should be easy---all he has to do is get her to sin, and Luc is as tempting as they come. Frannie doesn't stand a chance. But he has to work fast, because if the infernals are after her, the celestials can't be far behind. And sure enough, it's not long before the angel Gabriel shows up, willing to do anything to keep Luc from getting what he came for. It isn't long before they find themselves fighting for more than just Frannie's soul. But if Luc fails, there will be Hell to pay . . . for all of them. *Personal Demons* Stacia Kane,2009-04-14 Megan promises listeners to her new radio call-in show that she'll slay their personal demons, and they believe her. So do the personal demons. Although she doesn't know it, Megan is the only human without a personal demon on her shoulder. This, coupled with her psychic abilities, makes her a valuable weapon for any demon family that can gain her allegiance. It also makes her a serious threat -- not just to the personal demons, but to a soul-sucker known as The Accuser who has an old score to settle. Megan and her allies -- a demon lover who both protects and seduces her with devilish intensity, a witch with poor social skills, and three cockney guard demons -- have to deal not only The Accuser, the personal demons, and the ghosts of Megan's past, but a reporter who threatens to destroy Megan's career.

Book jacket.

Demons Are Real Beryl, 2011-12 Demons are Real is an inspirational book on the phenomenon of the demonic forces of darkness. Demons are Real and are neither a myth nor figment of our imagination. The word demons itself is not found in the bible. What is found in the Bible is reference to evil spirits or devils. Demons come from the Latin word daemon (meaning evil spirit) and the Greek word daimon (a divinity). Who are demons? Demons are disembodied spirits that cannot be seen with the natural eyes or with aid of microscope. Demons are fallen angels serving the devil and making assaults on mankind. Demons are real and their existence pervades the Bible from the Old Testament to the New Testament; these entities are rampant in the 21 century church era. We do not wrestle against flesh and blood, but against principalities, against powers, against rulers of this world, against spiritual wickedness in high places.

**California Demon** Debra Dunbar, 2021-01-12 In New Hell, only the monsters survive. Eden Alvaro is a licensed Vulture, picking through the aftermath of violence in demon-plagued LA, and fencing her finds to help support her family. But when a crooked cop reports her for a salvage she didn't take, all hell breaks loose. Stripped of her license, Eden finds herself with a price on her head. When the mercenaries hunting her raid her home, brutalize her family and abduct one of her sisters, Eden turns to the enigmatic Bishop—a man with a reputation for violence who, for the right price, can find just about anything or anyone. With time running out to find her sister before she's sold into slavery, Eden is determined to get her back—even if she has to slaughter her way through a gang affiliated with the traffickers and face down one of the powerful demons in control of the city. She'll need every bit of her burgeoning magical powers to bring her sister back alive—and she'll need to put herself in debt to Bishop. But when it comes to her family, no price is too high for Eden to pay.

*SEE & CONTROL DEMONS & PAINS* Rizwan Qureshi, 2013-06-13 Rizwan Qureshi is from Columbus, Texas, USA. He writes all his personal knowledge, experiences, and 100% true information about demons, pains, painless diseases, and cancer/infection insects. He writes pure truth and only those things in this book and in book 1, whatever he was dealing and experiencing by himself. His source of knowledge is purely his own experiences with dealing with supernatural invisible demons, different kinds of invisible pains and painless diseases. According to him, cancer is a very easily treatable and curable disease. As he sees, thousands of demons are residing in our houses around us. According to him, demons cannot perform any physical activity by themselves. He explains that by nature demons are very arrogant and extremely negative. The author suggested several practical ideas, procedures, and theories for common people and medical and modern science on how they can learn and handle demons, pains, painless diseases, and insects responsible for cancer by themselves. The author is 100% sure that after reading his books, everyone will be aware and will be able to control the invisible parallel world around them. In this book, he writes clear instructions for individuals, how they can communicate and interact with the demons around them, how to make demons around them their friends, and how to ask demons to do some stuff for them. Author describes in detail how much stuff we can expect our demon friends to do for us. The author writes very clear and very easy instruction for an individual once someone decides to learn how to communicate with demons. He advises everyone to start, practicing everything in a very slow pace instead of rushing. He guarantees everyone that people will be able to detect, interact, communicate and will be able to make most demons around them their friends within a month, whoever will try it and will follow his instruction properly. He advises everyone to be very careful in case of learning telepathy because he believes 99.999999% of people may have some mental issues and mental sickness once they will get involve in practicing telepathy. So he is not recommending learning telepathy to everyone. He thinks it is enough for normal people to have awareness and contact with demons around them. He strongly feels this will not be dangerous or hurtful for anyone to detect, interact, communicate, and make demons, only around them, their friends. He is sure, even demons around you are more willing and dying to communicate with humans. "The author has described complete details of the non-Internet cyber attacks on computerized controlled machines and how these non-Internet cyber attacks are self-operative and beyond human control in his book 2. He reveals complete details, information, and scientific description of non-Internet cyber attacks on computerized semi- or full-auto-control machines and human body."

Meet Jack Price and the Seven Demons: Doc, the evil mad scientist presently using Jack for sex; Rex, an explosives expert who doesn't ask too many questions so long as something goes boom; Volodya, a Ukrainian assassin who may or may not be a cannibal; Charlie, a comic book artist with computer skills and an anarchist bent; Lucille, whose specialty is razor-edged hugs; and Jack's predecessor, Fred, who doesn't contribute a whole lot owing to being a severed head on a stick. Finally there's Jack himself, former coffee magnate turned cocaine dealer turned First Demon, but basically just a guy trying to get along. Jack has a problem. The Seven Demons don't have a contract, and there's nothing more volatile than a gang of deadly killers with nothing to do. Luckily, a shadowy Eurotrash businessman wants them to pull off the heist of a lifetime, breaking into a bank that makes Fort Knox look like the corner candy store. Jack thinks this will be a nice little diversion for his crew . . . until a rosy-cheeked, lederhosen-wearing little psychopath named Evil Hansel stabs him with an oyster knife, and the whole situation goes completely to hell. Someone isn't playing straight, and in a game of double crosses, Jack Price will do anything--literally, anything--to come out on top
