

Diary Writing

Carla Stevens

A Civil Life in an Uncivil Time Paula Whitacre,2017-09-01 In the fall of 1862 Julia Wilbur left her family's farm near Rochester, New York, and boarded a train to Washington DC. As an ardent abolitionist, the forty-seven-year-old Wilbur left a sad but stable life, headed toward the chaos of the Civil War, and spent most of the next several years in Alexandria devising ways to aid recently escaped slaves and hospitalized Union soldiers. A Civil Life in an Uncivil Time shapes Wilbur's diaries and other primary sources into a historical narrative sending the reader back 150 years to understand a woman who was alternately brave, self-pitying, foresighted, petty--and all too human. Paula Tarnapol Whitacre describes Wilbur's experiences against the backdrop of Alexandria, Virginia, a southern town held by the Union from 1861 to 1865; of Washington DC, where Wilbur became active in the women's suffrage movement and lived until her death in 1895; and of Rochester, New York, a hotbed of social reform and home to Wilbur's acquaintances Frederick Douglass and Susan B. Anthony. In this second chapter of her life, Wilbur persisted in two things: improving conditions for African Americans who had escaped from slavery and creating a meaningful life for herself. A Civil Life in an Uncivil Time is the captivating story of a woman who remade herself at midlife during a period of massive social upheaval and change.

The Girls' Diary Project Shannon McFerran,Daniel George Scott,2013

Diary Writing Difficulty Level Diary Writing Publishing,2020-01-10 Features: 120 blank, wide-lined white pages Duo-Sided, lined paper, with line at top for date entry 6 x 9 dimensions. Anne Frank Anne Frank,1997 Thirteen year old Anne Frank, with her parents and sister and four other people, went into hiding in the sealed-off building in 1942, when the Nazi invaders intensified their persecution of Jews. For two years they remained safe. In August 1944 they were betrayed. Anne's diary was found, and it reveals her life and her spirit.

Working Days John Steinbeck,1990-12-01 John Steinbeck wrote The Grapes of Wrath during an astonishing burst of activity between June and October of 1938. Throughout the time he was creating his greatest work, Steinbeck faithfully kept a journal revealing his arduous journey toward its completion. The journal, like the novel it chronicles, tells a tale of dramatic proportions--of dogged determination and inspiration, yet also of paranoia, self-doubt, and obstacles. It records in intimate detail the conception and genesis of The Grapes of Wrath and its huge though controversial success. It is a unique and penetrating portrait of an emblematic American writer creating an essential American masterpiece.

Klopp Anthony Quinn,2020-11-03 'A love letter to the great man himself.' The Times 'Immensely readable.' Observer 'Delightful.' Mail on Sunday 'Highly enjoyable.' Guardian 'Informative and emotive.' This Is Anfield In the first book by a British writer about this extraordinary football manager, lifelong Liverpool fan Anthony Quinn

has crafted a memorable love letter to Jürgen Klopp. Taking in all the drama of LFC's disrupted, but ultimately triumphant, 2019-20 season, it offers unique insight into one of football's most charismatic figures. 'Klopp isn't just for Liverpool, Quinn writes in his final pages. He is for all of us. I reckon this book can be too.' Hannah Jane Parkinson, Observer 'Klopp has worked his way into Liverpool's big sentimental heart like a German love bomb. And Quinn couldn't resist writing an ode, an unabashed fan's note: to Klopp and his boyhood city and the ghost of Shankly.' Irish Times

The Private Life of the Diary Sally Bayley, 2016-04-21 Diaries keep secrets, harbouring our fantasies and fictional histories. They are substitute boyfriends, girlfriends, spouses and friends. But in this age of social media, the role of the diary as a private confidante has been replaced by a culture of public self-disclosure. *The Private Life of the Diary: from Pepys to Tweets* is an elegantly-told story of the evolution – and perhaps death – of the diary. It traces its origins to seventeenth-century naval administrator, Samuel Pepys, and continues to twentieth-century diarist Virginia Woolf, who recorded everything from her personal confessions about her irritation with her servants to her memories of Armistice Day and the solar eclipse of 1927. Sally Bayley explores how diaries can sometimes record our lives as we live them, but that we often indulge our fondness for self-dramatization, like the teenaged Sylvia Plath who proclaimed herself 'The Girl Who Would be God'. This book is an examination of the importance of writing and self-reflection as a means of forging identity. It mourns the loss of the diary as an acutely private form of writing. And it champions it as a conduit to self-discovery, allowing us to ask ourselves the question: Who or What am I in relation to the world?

The Write Life Diary - Writing My Life from Good to Great Kristiina Hiukka, 2010-07-19 *The Write Life Diary* Journal is a tool for diarists who want to try out a new way of writing not only about their life in the present but also about their future. Kristiina Hiukka introduces a novel dual column technique that enables the diary writer to boldly envision their future. This journal accompanies the book *The Write Life Diary - Write Your Life from Good to Great* by Kristiina Hiukka.

Dear Diary... Kristina May, 2018-07-25 Personal diary with a red cover and 80 pages of blank lines with a floral design on the top and bottom of each page giving you plenty of space to record the details of your life and leave your legacy in this world.

Diary Fiction H. Porter Abbott, 1984 H. Porter Abbott explores the role of the personal diary and its use as a literary strategy in a number of representative works in fiction. He asserts that the device of the diary can give a work a unique literary reflexivity: the diary not only tells the tale but directly influences its development. This book serves as a guide to the field of diary fiction and at the same time sheds new light on issues central to the study of narrative and autobiography.

Book of a Thousand Days Shannon Hale, 2010-05-03 When a beautiful princess refuses to marry the prince her father has chosen, her father is furious and locks her in a tower. She has seven long years of solitude to think about her insolence. But the princess is not entirely alone - she has her maid, Dashti. Petulant and spoilt, the

princess eats the food in their meagre store as if she were still at court, and Dashti soon realises they must either escape or slowly starve. But during their captivity, resourceful Dashti discovers that there is something far more sinister behind her princess's fears of marrying the prince, and when they do break free from the tower, they find a land laid to waste and the kingdom destroyed. They were safe in the tower, now they are at the mercy of the evil prince with a terrible secret. Thrilling, captivating, and a masterful example of storytelling at its best. The princess's maid is a feisty and thoroughly modern heroine, in this wonderfully timeless story.

Diary - Special 365 Days Diary M&M Publications, 2015-07-03 *Diary - Special 365 Days Diary* To get the most out of this special diary you must follow these steps when you write on it: 1. Write the date 2. Write your diary thoughts 3. Draw the artwork of the day in the space provided. The diary consists of 365 pages for diary writing.

Anne Frank Anne Frank, 1993-06-01 The classic text of the diary Anne Frank kept during the two years she and her family hid from the Nazis in an Amsterdam attic is a powerful reminder of the horrors of war and an eloquent testament to the human spirit.

Revolution on My Mind Jochen Hellbeck, 2009-06-30 *Revolution on My Mind* is a stunning revelation of the inner world of Stalin's Russia, showing us the minds and hearts of Soviet citizens who recorded their lives in diaries during an extraordinary period of revolutionary fervor and state terror. Jochen Hellbeck brings us face to face with gripping and unforgettably poignant life stories. This book brilliantly explores the forging of the revolutionary self in a study that speaks to the evolution of the individual in mass movements of our own time.

The Naked Mole-Rat Letters Mary Amato, 2012-05-08 When her father begins a long-distance romance with a Washington, D.C. zookeeper, twelve-year-old Frankie sends fabricated email letters to the zookeeper in an attempt to end the relationship, in this story about family, friendship, and growing up.

Agyar Steven Brust, 2004-08-01 From bestselling fantasy author Steven Brust comes this paranormal novel of immortality—and its price... Born over a century ago, Agyar was once a frivolous young man, before he found unwanted immortality in a woman's blood-red lips. Now he goes from woman to woman, and decade to decade, finding himself at last in an Midwestern college town, where he must choose between the seductions of salvation—and of destruction. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Freedom Writers Diary (20th Anniversary Edition) *The Freedom Writers*, Erin Gruwell, 2007-04-24 #1 NEW YORK TIMES BESTSELLER • The twentieth anniversary edition of the classic story of an incredible group of students and the teacher who inspired them, featuring updates on the students' lives, new journal entries, and an introduction by Erin Gruwell Now a public television documentary, *Freedom Writers: Stories from the Heart* In 1994, an idealistic first-year teacher in Long Beach, California, named Erin Gruwell confronted a room of “unteachable, at-risk” students. She had intercepted a note with an ugly racial caricature and angrily declared that this was precisely the sort of thing that led to the Holocaust. She was met by uncomprehending looks—none of her students had heard of one of the defining moments of the twentieth century. So she rebooted her entire curriculum, using

treasured books such as Anne Frank's diary as her guide to combat intolerance and misunderstanding. Her students began recording their thoughts and feelings in their own diaries, eventually dubbing themselves the "Freedom Writers." Consisting of powerful entries from the students' diaries and narrative text by Erin Gruwell, *The Freedom Writers Diary* is an unforgettable story of how hard work, courage, and determination changed the lives of a teacher and her students. In the two decades since its original publication, the book has sold more than one million copies and inspired a major motion picture *Freedom Writers*. And now, with this twentieth-anniversary edition, readers are brought up to date on the lives of the Freedom Writers, as they blend indispensable takes on social issues with uplifting stories of attending college—and watch their own children follow in their footsteps. *The Freedom Writers Diary* remains a vital read for anyone who believes in second chances.

Writing the Self Peter Heehs, 2013-02-14 Named an Outstanding Academic Title of the Year for 2013 by Choice. The self has a history. In the West, the idea of the soul entered Christianity with the Church Fathers, notably Augustine. During the Renaissance the idea of the individual attained preeminence, as in the works of Montaigne. In the 17th century, philosophers such as Descartes formulated notions of self-hood that did not require a divine foundation; in the next century, Hume grew skeptical of the self's very existence. Ideas of the self have changed markedly since the Romantic period and most scholars today regard it as at best a mental construct. First-person genres such as diaries and memoirs have provided an outlet for self-expression. Protestant diaries replaced the Catholic confessional, but secular diaries such as Pepys's may reveal yet more about the self. After Richardson, novels competed with diaries and memoirs as vehicles of self-expression, though memoirs survived and continue to thrive, while the diary has found a new incarnation in the personal blog. *Writing the Self* narrates the intertwined histories of the self and of self-expression through first-person literature.

How to End a Story Helen Garner, 2021-11-02 The third instalment of diaries from the inimitable Helen Garner covers four eventful years in the life of one of Australia's most treasured writers.

A Book of Your Own Carla Stevens, 1996 Have you ever wished you had a place where you could express your most private thoughts? Or maybe you've wondered about the person you used to be, and wished you could remember how it felt to be that person. Writing in a diary or journal can make possible these things and more.
