Mark A. Fine,John H. Harvey

The Ex-Wives' Guide to Divorce Holiday Miller, Valerie Shepherd, 2016-08-16 Witnessing a woman go through divorce is like watching a tornado tear up a trailer park. Not only is someone losing their home and life as they know it, but for most women, it seems to go down with some extra drama thrown in the mix. This is where the advice of authors, Holiday Miller and Valerie Shepherd, two experts in all things divorce, comes in handy. Their unique friendship began after they had both married and divorced the same man! The Ex Wives' Guide to Divorce was born from this friendship with the goal to ease women's fears, save them money, and give them a road map of what lies ahead. It will motivate women to get their head out of the sand and build their future dream sand castle by themselves, sans Prince Charming. Divorce is painful, heartbreaking, and pretty miserable for everyone involved. While men tend to champion the process, most women collapse and become emotionally distracted. Miller and Shepherd's experience is while the husband is gathering ammunition with his high paid attorney; the wife is frantic and disorganized—most likely spending her energy on the phone with her best friend or sister, instead of preparing herself for the battle ahead. This helpful guide teaches women how to manage the “business of divorce” in a focused, realistic, and organized manner. Miller and Shepherd aren't lawyers or psychologists, but they've experienced the process first hand and offer advice on how to build a support system and come out ahead. This book charges women to “put their big girl panties on” and maintain a tenacious spirit while preparing and organizing for their divorce.

A Common Sense, Practical Guide to Divorce in New York Lenard Marlow, 2020-07-02 With the exception of the loss of a child or someone very close, divorce is often the most difficult experience anyone will have to negotiate in his or her life. But what turns it into the tragedy that it so often becomes is the legal nonsense that they will be exposed to when they turn to divorce lawyers. Divorce lawyers don't help. They only make things worse. That, unfortunately, has been the sad legacy that our adversarial legal system has bequeathed to divorcing husbands and wives. But it doesn't have to be that way. And it doesn't have to drag out for years or cost a king's ransom. A lawyer is not just an advocate—someone who uses the law as a weapon in a legal tug of war the object of which is simply to get as much as you can and to give as little as you have to. As this book argues, a lawyer is also a counselor at law—someone who will use the law as a common framework that divorcing husbands and wives can look to in their effort to conclude an agreement. There is a name for this. It is called divorce mediation and it doesn't take forever or cost a king's ransom.

**No-fault Divorce** Allen M. Parkman, 2019-03-04 Since 1970, all the states adopted no-fault divorce statutes, which have had the unexpected effect of producing dire financial conditions for many divorced women and their children. In this important study, economist and lawyer Allen Parkman shows how no-fault divorce has systematically operated against the interests of these women and children. With rare economic and legal insight, Parkman argues that by changing the grounds for divorce without changing the laws that define and allocate property at divorce, the legal system created substantial injustices. The key mistake, he suggests, was in accepting a definition of property that did not include the income-earning capacity--human capital--of the individuals involved. Using human capital theory, Parkman criticizes current divorce law and presents a framework for reform that would reduce the injustices introduced by no-fault divorce. He concludes that a thorough reform, however, may require the changing of the grounds for divorce to mutual consent. This book is essential reading for scholars, professionals, and, indeed, for anyone interested in the health and future of the family and the well-being of women in contemporary U.S. society.

**Handbook of Divorce and Relationship Dissolution** Mark A. Fine, John H. Harvey, 2013-12-19 This Handbook presents up-to-date scholarship on the causes and predictors, processes, and consequences of divorce and relationship dissolution. Featuring contributions from multiple disciplines, this Handbook reviews relationship termination, including variations depending on legal status, race/ethnicity, and sexual orientation. The Handbook focuses on the often-neglected processes involved as the relationship unfolds, such as infidelity, hurt, and remarriage. It also covers the legal and policy aspects, the demographics, and the historical aspects of divorce. Intended for researchers, practitioners, counselors, clinicians, and advanced students in psychology, sociology, family studies, communication, and nursing, the book serves as a text in courses on divorce, marriage and the family, and close relationships.

**Good Intentions Gone Awry** Allen M. Parkman, 2000 Based on sociological and economic analysis, Good Intentions Gone Awry presents valuable new insights into the impact of divorce on American society. Rather than blaming the deterioration in the quality of family life on the decline in so-called family values, lawyer and economist Parkman argues that adults are responding to the incentives created by new opportunities and legal rules. Allen M. Parkman discusses the issues surrounding this sociological phenomena, proposes a reform program in response, and suggests steps that adults can take to create a durable and constructive family until such reforms occur.

**Divorce in California** Debra Schoenberg, Jennifer Knops, 2013-06-01 Providing accurate and objective information to help make the right decisions during a divorce in California, this guide provides answers to 360 queries such as What is the mediation process in California and is it required? How quickly can one get a divorce? Who decides who gets the cars, the pets, and the house? What actions might influence child custody? How are bills divided and paid during the divorce? How much will a divorce cost? and Will a spouse have to pay some or all attorney fees? Structured in a question-and-answer format, this divorce handbook provides clear and concise responses to help build confidence and give the peace of mind needed to meet the challenges of a divorce proceeding.

The D-Word Tara Eisenhard, 2012-08-15 Intended to inform and inspire, The D-Word is an honest, firsthand look at divorce and its ramifications. Parents, grandparents, friends, attorneys and counselors are invited to glimpse 12-year-old Gina's experience and learn how their actions shape reality for children of divorce. Through real-life examples, The D-Word addresses issues such as conflict, communication, alienation, attitudes and, ultimately, moving on. When Gina's parents decide to separate, she finds herself propelled toward adulthood on the emotional roller coaster ride of her life. Gone are the days of an existence filled with typical adolescent turmoil. Instead of exploring her social circles, Gina listens intently to decode her parents' telephone discussions. She takes on a new level of maturity as caretaker of her younger brother and confidant to her distressed mother while she grapples with her role in a changed family. As a year unfolds, Gina struggles to find understanding, adjustment and peace of mind.

**Marriage, Grounds for Divorce** Monte Vanton, 1977

Divorce in New Jersey Cassie Murphy, John P. Paone, 2020-03-03 This guide provides answers to 360 queries, such as: What is the mediation process in New Jersey and is it required? How quickly can one get a divorce? Who decides who gets the cars, the pets, and the house? What actions might influence child custody? How are bills divided and paid during the divorce? Structured in a question-and-answer format, this divorce handbook provides clear and concise responses to help build confidence and give the peace of mind needed to meet the challenges of a divorce proceeding.

*Framing American Divorce* Norma Basch, 2001-08-24 Framing American Divorce is a boldly innovative exploration of the multiple meanings of divorce in American life during the formative years of both the nation and its law, roughly 1770 to 1870. Drawing on a wide array of sources, Basch enriches and complicates our understanding of the development of divorce law by telling her story from three discrete but overlapping perspectives. In Rules she tracks the broad public debate and legislation over the appropriate grounds for and long-term consequences of divorce. Mediations shifts to a close-up analysis of the way ordinary women and men tested the rules in the county courts. And Representations charts the spiraling imagery of divorce through stories that made their way into American popular culture.

**Improving National Divorce Statistics** United States. National Committee on Vital and Health Statistics. Subcommittee on National Divorce Statistics, 1962

*Renegotiating Family Relationships* Robert E. Emery, 2012-01-01 Long recognized as the authoritative guide for clinicians working with divorcing families, this book presents crucial concepts, strategies, and intervention techniques. Robert E. Emery describes how to help parents navigate the emotional and legal hurdles of this painful family transition while protecting their children's well-being. The book is grounded in cutting-edge research on family relationships, parenting, and children's adjustment, including Emery's groundbreaking longitudinal study of the impact of divorce mediation versus litigation. It provides a detailed treatment manual for mediating custody and other disputes, developing collaborative parenting plans, and fostering positive postdivorce family relationships. New to This Edition \*Reflects the latest psychological research, as well as divorce and custody law. \*Chapters on understanding and addressing divorcing partners' anger and grief. \*Treatment manual chapters have been extensively revised.

\*Incorporates the author's 12-year follow-up study.

The Woman's Holistic Guide to Divorce Wendi Schuller,2013-02-15 A result of the author's own experience finding her way through a particularly traumatizing divorce, this guide includes the usual self-help aspect as well as stories and advice that other women were willing to share with the author to help any woman sail through a turbulent time. Offering a fresh and uncommon perspective beyond the already long list of books on divorce that focus on getting through a break up's emotional toll or how to deal with children, the book's usefulness covers a comprehensive list of solutions to challenges that arise from attorneys offering legal and financial advice to saving on cosmetics and holiday gifts. There is a practical list of household hints as well as methods for helping kids get through such an upsetting period and ways to confront health issues that arise as a result of a stressful time. The author stresses the importance of such a life transition and how this guide can be a safety net providing a myriad of suggestions that help women move from a victim status to regaining their strength of inner peace and wisdom. Every woman who finds herself in the middle of a break up will find this the ideal all-inclusive companion for moving on. WENDI SCHULLER is a pseudonym for a published author who has conducted classes on various subjects. She draws upon her knowledge as a nurse, Neuro-Linguistic Programmer (NLP), and hypnotherapist, providing a blueprint to guide women through this difficult transition. Schuller hired an attorney for a court divorce, but decided to go the collaborative route instead and has worked with a mediator post-divorce. Her passion is international travel and she devised savvy cost-cutting measures to achieve this dream. Schuller worked in the public schools and observed firsthand the effects of divorce on children. Her aim is to have families experience a smoother divorce, keeping their sanity intact and obtaining the healthiest outcome possible.

Divorce in New York Grier H. Raggio,Lowell K. Halverson,John W. Kydd,1987

The Divorce Guide Gerian Rose,2015-05-20 An indispensable guide for successfully navigating through the difficulties of the divorce process, The Divorce Guide provides practical and spiritual tools to give immediate relief from the fears and emotional trials that arise each step of the way. The Divorce Guide offers individuals a place of comfort to retreat to when the stress and fear become overwhelming. Readers are furnished with page after page of practical, supportive suggestions, custom prayers, meditations, and healing methods to overcome the multiple anxieties that surface during this trying time. From financial worries to children’s concerns to scheduling issues, every common fear factor is lovingly addressed to help lighten your burden and bring you peace. No matter what circumstances initiated your departure from marriage or how difficult things seem at present, The Divorce Guide pronounces, “You are not alone! I am your loving companion throughout this journey.” With the help of The Divorce Guide, you can preserve your joy!

Divorce Therapy Douglas H. Sprenkle,1985 Examine a wide variety of divorce therapy approaches with this seminal book. Divorce Therapy is one of the first books to present a comprehensive approach to divorce therapy. Based on a foundation of theory and research about divorce, this landmark volume focuses on the help that psychotherapists can provide during the three stages of divorce--pre-divorce decision making, divorce restructuring, and post-divorce recovery. A distinguished array of researchers and clinicians address discuss mediation, criteria for a constructive divorce, remarriage, custody issues, and much more.

**Divorce** Glenda Riley,1991 In Divorce, Glenda Riley provides an intriguing history of marital breakdown in America, from colonial times to the present, revealing how America has become the divorce capital of the world. 15 halftones.

**The Divorce Revolution** Lenore J. Weitzman,1985 Based upon interviews with judges, lawyers, and divorced persons in California, and data collected from that state’s court dockets, this volume presents the first systematic examination of the social and economic effects of divorce law reform. Sociologist Weitzman concludes that while the abolition of grounds, fault, and consent has eliminated much of the acrimony previously associated with divorce proceedings, this, together with the institution of gender-neutral standards for property awards and child support, has resulted in increased economic hardship and social dislocation for divorced women and dependent children. Weitzman does not intend to extrapolate her data, conclusions, and recommendations to the whole country; however, it is reasonable to believe that they have national implications. Merlin Whitemen, Dann Pecar Newman Talesnick & Kleiman, Indianapolis Copyright 1985 Reed Business Information, Inc.#x13;amazon.com.

Family Transformation Through Divorce and Remarriage Margaret Robinson,2003-09-02 Family Transformation Through Divorce and Remarriage is the first book to look thoroughly at the complete divorce-remarriage-stepfamily cycle in the context of demographic data, the legal process and the theoretical framework. For each phase of the cycle, the author describes the stages of development, summarises the relevant research and illustrates the effects on family members with case examples.

Nolo's Essential Guide to Divorce Emily Daskow,2014-06-16 Nolo's Essential Guide to Divorce provides clear answers that can help make divorce simpler and reduce its financial and emotional cost. Readers will even learn how to complete the divorce with minimal help from an attorney. With compassion and understanding, Nolo's Essential Guide to Divorce explains what to expect through each stage of divorce. It helps readers: . understand the divorce process . learn about different types of divorce, including mediated, collaborative, and contested . identify and divide property and assets fairly . work with mediators or lawyers . avoid expensive and painful court battles . establish child custody and visitation . handle child support issues, including how support is paid and enforced . draft a marital settlement agreement . deal with divorce emergencies . address post-divorce issues . negotiate and settle spousal support On every page, this book stresses the importance of minimizing conflict, explains complex legal problems concisely, and provides advice on how to protect your interests -- with your dignity and sanity intact. Plus, easy-to-use charts make it simple to find the divorce laws in your state. This edition includes new information on bankruptcy and foreclosure, and explains how both can affect divorce.

Yeah, reviewing a books **Divorce** could build up your near connections listings. This is just one of the solutions for you to be successful. As understood, execution does not recommend that you have fantastic points.

Comprehending as competently as understanding even more than other will come up with the money for each success. next to, the statement as skillfully as perception of this Divorce can be taken as with ease as picked to act.

Divorce Introduction

In the digital age, access to information has become easier than ever before. The ability to download Divorce has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Divorce has opened up a world of possibilities. Downloading Divorce provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Divorce has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Divorce. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Divorce. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Divorce, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Divorce has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Divorce Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
