Hand to Hold JJ Heller, 2021-07-20 This heartwarming picture book reassures children that a parent's love never lets go—based on the poignant lyrics of JJ Heller's beloved lullaby "Hand to Hold." "May the living light inside you be the compass as you go / May you always know you have my hand to hold." With delightful illustrations and an engaging rhyme scheme, this book offers the promise of

security and love every child's heart longs to know. From skipping stones and counting stars to climbing trees and telling stories, every moment is wrapped snugly in the certain warmth of a parent's presence and God's blessing. With poignancy and joy, this bedtime read captures the unconditional love parents want their children to know but so often fail to express amid the chaos of daily life.

While her true love, Darcy O'Mara, is spending his feliz navidad tramping around South America and her mother is holed up in a tiny village called Tiddleton-under-Lovey with droll playwright Noel Coward, Georgie is quite literally stuck at Castle Rannoch thanks to a snowstorm. It seems like a Christmas miracle when she manages to land a position as hostess to a posh holiday party in Tiddleton. The village should be like something out of A Christmas Carol, but as soon as she arrives things take a deadly turn when a neighborhood nuisance falls out of a tree.
