Youtube Video and Seo Tips Derral Eves, Youtube Video, 2015-08-12 YouTube Video and SEO Tips: The Best SEO For YouTube Videos It's no secret that YouTube is a traffic source with almost limitless potential. There's only one problem. It's a very crowded place. In fact, according to YouTube, there are more than 100 hours of video uploaded to the site every minute. Considering the deluge of content you have to compete with on YouTube, the obvious question is, how do you get people to watch YOUR video instead of the millions of others? The answer? Video SEO. I bet that most of your competition lazily uploads their videos and hopes that one of them goes viral. Needless to say; this rarely, if ever works out. But if you take the time to optimize your videos for SEO, you will get significantly more traffic than your competitors. If you are looking for the best SEO guide with the SEO tools you need to succeed with YouTube Video SEO, simply get YouTube Video and SEO tips. It is the best SEO guide for YouTube Videos. Introduction to YouTube Premium Gilad James, PhD, YouTube Premium is a paid subscription service offered by YouTube. The service offers several features, including ad-free viewing, background play, and the ability to download videos for offline viewing. YouTube Premium also includes access to Google Play Music, which allows users to stream ad-free music and create custom playlists. The service also includes access to YouTube Originals, which are exclusive content produced by YouTube, such as documentaries, talk shows, and scripted series. The cost of YouTube Premium varies by country, but it is generally around \$11.99 per month. The service is available in over 80 countries, and users can sign up for a free trial to test out the features before committing to a subscription. There is also a family plan available, which allows up to six family members to share a subscription. Overall, YouTube Premium provides a convenient and enjoyable way for users to access high-quality content without the annoyance of ads and with added benefits such as offline viewing and access to exclusive content.

Organizing Creativity Daniel Wessel, 2010-01-30 This book was written as a help for individual persons who want to organize their creativity, be it for science

(incl. engineering and commercial projects), art, or private projects. Its aim is to enlarge your options when having ideas and to improve the chance of realizing creative projects. It is written as a practical handbook and describes how organization can support generating, capturing, collecting (incl. enlarging, restructuring, etc.) and realizing ideas. While creativity techniques are dealt with, the focus is on the infrastructure to enable you to capture your fleeting ideas and cultivate them to finally realize them as creative projects.
