Dress Me Up! Maria Carluccio,2018-04-17 In this dress-up novelty board book, flip the patterned flaps to change each character's outfit! Young readers start by choosing a character they like, each with three die-cut items of clothing. Then they select 3 of the colorful, patterned flaps from the back of the book. Placing the flaps under the die-cuts, readers can mix and match patterns and palettes until they've settled on the most fabulous combinations, delighting in the ensembles that result! This introduction to collage, color, and pattern—minus the mess of an art project—offers portable and contained creativity for on-the-go fun!

Color, Cut, Play Dress Up Paper Dolls, Vintage and Cute Basak Tinli,2021-05-03 With this fashion activity book, you can feel like a fashion designer. 3 paper dolls with many charming outfits wait for you to color, cut, and play dress-up with them. For adults, paper dolls may be a gateway to childhood memories but they also make great gifts for children. While cutting out will improve their scissor skills, coloring the line art can help to find good color combinations and developing a sense of style and design. Younger children may need help to cut these dolls out since the dolls and clothes are not perforated. However, this is a nice opportunity for fun family time. Paper dolls can bring adults and children together, and collections of paper dolls have always passed down to younger generations. New generations can learn a lot while playing with paper dolls. In a digital era where dress-up games allow us to change clothes on paper dolls by only touching a screen, cutting these dolls the traditional way is a great help for developing motor skills. Playing together also helps to develop communication and cooperation between friends and family. Playing games goes hand in hand with storytelling, role-playing, and fantasy so everyone can treasure the time spent playing with these paper dolls as memories full of creativity and imagination. Paper dolls have a long history, and although inspired by antique and vintage paper dolls, these are modern fashion dolls. Collecting these paper dolls and sharing them with children can also make fashion and design become one of their passions.
