Daddy's Double Due Date Belinda Barnes,2014-05-15 Hunter Morgan incarcerated bad guys; he didn't cootchie-coo babies. But that was before a sperm bank snafu impregnated a stranger with his progeny. Now duty demanded he do right by Ashley Morgen and be the father fate had once denied him.... Ashley refused to share her long-awaited twins with a total stranger, much less agree to wed him! She couldn't risk her already bruised heart—one loveless marriage had been one too many. But she couldn't deny the cherished feeling that overcame her when Hunter moved her under his roof to attend to her every need. And after their first kiss, Ashley couldn't help but hope that the stork would also deliver Hunter's love...

Due Date Emily Bishop,2018-05-12 She took to LA. I went vagabond. Now I'm back to visit her brother. My best friend. Remy's back too. Bright-eyed. Beautiful as ever. Same supple lips. Same delectable @ss. Still sizzling with the memory of me. She's back from the City of Angels with broken wings. And a screenplay to fund. I never promised love. Cash? Maybe. But my inheritance has a condition. Settle down with a wife and family. So we draw it up. Our baby contract. I never wanted a family, but when Remy's body starts to change so does my swagger. My ex is back to ruin everything with a secret package of her own. Remy's shattered. She doesn't realize that I'll do what it takes to keep her. Nothing will tear this family apart.

Due Date Glen Gibson,2020-03-25 It's 1996, and Air Force Staff Sergeant Christopher Kaiser's staggering gambling debts have finally caught up to him, just in time for his wife Elisa to announce she's pregnant. He's convinced there couldn't be a worse time for them

to have a child, but then his situation gets even worse. Religious leader Joseph Rhodes coerces Chris into abusing his position at the Southeast Air Defense Sector by allowing aircraft to enter the country illegally. He swears it is for a good cause--saving young girls from the sex trade in Latin America. Meanwhile, Mobile Homicide Detective Jamie Bradley is racing against the calendar to stop the Holiday Surgeon from killing again. On Valentine's Day, he kills a woman by cutting her open with one long incision from a scalpel and leaving a pattern of blood on the floor as a clue Bradley cannot solve alone. He kills another woman in the same way on Saint Patrick's Day. Dealing with sexual discrimination and her own ghosts, Bradley reluctantly partners with FBI Special Agent Juan Cardona and psychologist Dr. Marshall Taylor. The clues reveal a horrifying plan. The two seemingly unrelated stories become gruesomely entangled, leaving a trail of mutilated bodies from Panama City to New Orleans.

From Dare to Due Date Christy Jeffries,2016-02-23 THE NIGHT THEY MADE A BABY Mia Palinski had never even considered herself the kind of girl to have a one-night stand. Yet there she was, in a big-city hotel room, wrapped in the arms of a handsome stranger she simply couldn't resist. Now she's pregnant, and she has no idea how to contact the father--until he shows up in her hometown of Sugar Falls. The man she knew only as GP is Dr. Garrett (Patrick) McCormick. The ski town's newest orthopedist has literally just opened his practice when Mia walks through his door. And although he is surprised at her announcement, he's ready to jump right into fatherhood. Mia, on the other hand, is wary. Doctor Daddy seems wonderful, but can she trust Garrett with her heart when he won't reveal his own?

Due Date Tricia Stringer, 2009-01-01 What would you do if you discovered your unborn child held the fate of the future ownership of your family property? Recently married Paula Woodcroft has no idea that such a question exists, but her husband Dan realises that his father's last will and testament could see the family estate bequeathed to a distant cousin. After a rocky start to their marriage, Dan promised Paula they would have no more secrets, but wanting to protect her from this unexpected burden, he once again hides the truth. Tackling the highs and lows of harvest season, a love-sick working man and a city girl learning everything from truck driving to unblocking drains, *Due Date* explores the often taboo subject of succession planning. Due Date-Related Scheduling with Two Agents Yunqiang Yin, Dujuan Wang, T.C.E. Cheng, 2020-02-20 This book provides an introduction to the models, methods, and results of some due date-related scheduling problems in the field of multiagent scheduling. In multiagent scheduling, two or more agents share a common processing resource and each agent wants to optimize its own objective function with respect to its own set of jobs. Since the agents have conflicting objective functions, they have to negotiate among themselves with regard to sharing the common resource to optimize their own objective functions. A key feature of due date-related scheduling concerns the way in which due dates are considered: they can be given parameters or decision variables. For the former case, the motivation stems from the need to improve inventory and production management. For the latter case, due date assignment becomes a challenging issue since the decision-maker has to balance inventory holding costs against the benefits of fulfilling orders in time. As for due dates, this book addresses the following three different scenarios: (i) The due dates of the jobs from either one or both of the two agents are decision variables, which are determined using some due date assignment models; (ii) The due dates of jobs in each job set are considered as given parameters, whereas which due date corresponds to a given

job needs to determine; and (iii) The due date of each job is exogenously given. When the last case is involved, the objective function of each agent is related to the number of just-in-time jobs that are completed exactly on their due dates. For each considered scenario, depending on the model settings, and on the objective function of each agent, this book addresses the complexity, and the design of efficient exact or approximated algorithms. This book aims at introducing the author's research achievements in due date-related scheduling with two agents. It is written for researchers and Ph.D. students working in scheduling theory and other members of scientific community who are interested in recent scheduling models. Our goal is to enable the reader to know about some new achievements on this topic.

The Due Date Niki Mackay, 2023-10-26 READERS ARE LOVING THE DUE DATE: 'Had me hooked from page one' 'I couldn't put it down!' 'Oh my god! This book is outstanding!' 'Kept me guessing right until the end!' 'I was hooked from start to finish' _____ You shared everything for nine months. But you don't know her at all. When Ali meets Rebecca, she feels an instant connection. Both pregnant, with babies due the same day, Ali can't wait to share the highs and lows of motherhood with her new friend. Rebecca is everything Ali wishes she could be - beautiful, confident, wealthy. But Ali senses in her the same loneliness she's been feeling since moving to the suburbs. Maybe they can help each other, and Ali won't feel so alone anymore. Then their due date

comes and goes, and Ali hears nothing for weeks. Worried about her friend, Ali tracks her down and is relieved to find Rebecca safe and well. But relief turns to shock when Rebecca denies ever meeting her... or ever having been pregnant at all. A truly unputdownable story about friendship, motherhood and how far we'll go to protect the ones we love. Filled with tension and mind-blowing twists, fans of Claire Douglas, Gillian McAllister and CL Taylor will love *The Due Date*. _____ 'What a premise! This book will keep you hooked to the very last page. Smart pacy writing and a tense, twisting plot that constantly surprises. I loved it' CLARE EMPSON 'Whiplash from the twists and turns; good guys and bad guys and nobody you can trust. Perfect pace and an enthralling plot - exactly how a psychological thriller should be!' SAM HOLLAND

Pregnancy Christian D Piatt, 2012-03-31 We all have heard time and time again of the changes a woman goes through when she is pregnant. But what about the man? Containing stories and unscripted (and surprising) quotes from his young son as they await the birth of his baby sister, *Pregnancy* will take you on the wild ride of parenthood and show that it is not always easier the second time around.
