A Devils Story as told to Norm Norman Merritt, 2014-08-19 Life is not easy in these last days. When you need help, nothing or nobody is willing to come along side of you. The 948 have build a brick fortress around you life, so you dis-spere and hate the very day you were born. I call it sin justice. They will create so many hurts in your life it seems to you that it is just not worth living. They will bring you to point that you will not know what Normality is. Do you know what a loving marriage is like? Whats a good holiday feel like? How many good days have you had lately, or peaceful nights sleep? Are fear and anxiety in control of your mind? Is doubt ruler of your heart. The 948 are doing this all the time. They are masters at stealing your joy, peace, happiness. But they always give you something back in return. Its call trauma. Welcome to A Devils story as told to Norm

Storied Sips Erica Duecy, 2013-10-08 Take a trip in a sip, a journey through time and place via the cocktail glass. The libations in this intoxicating collection span some 200 years, from Europe to the Far East, and they're the drinks with the best tales to tell. Because--without a backstory--a cocktail is nothing more than spirits and mixers. But spike that drink with an anecdote about the people, places, and circumstances that influenced its creation, and imbibers are instantly transported. Step into a British officer's club in 1920s Burma to try the Pegu Club, disembark in colonial Bermuda to sample the original Dark & Stormy, or join F. Scott Fitzgerald and Cole Porter at The Ritz Hotel in Paris for a Royal Highball, among the many spirited adventures between these covers. The book itself is like a classic

cocktail, with its iconic, vintage appeal. Mixed media illustrations by award-winning Danish artist Poul Lange feature vintage bottle labels, postcards, and magazine images. The illustrations are matched with simple recipes and deeply researched backstories for a new look at the world's most iconic cocktails. More than a sum of its parts, *Storied Sips* is a book about living the good life, treating oneself to a dash of civilized escapism at the end of a busy day. Truly, there's nothing like a cocktail to strip away the dullness of the mundane, gilding an evening with a heightened glow, or adding cultured flair to a get-together with friends. Organized from light-bodied quenchers to rich, complex warmers, *Storied Sips* makes it easy to find cocktail inspiration any time of the year. REVIEWS FoodRepublic.com says: "Author Erica Duecy chronicles 200 years of tending bar and the resulting book of tales are a must-read for any cocktail aficionado." "Like many other drink books, this one has cocktails along with their stories and recipes. Yet unlike others, this tiny book and its alluring collage-based illustrations is able to transport you to another time, a different era. In just a page or two the writer paints vivid pictures that allow you to hear the music of that moment, smell the smoke in that bar she's speaking of. It's a little magical." - Maureen Petrosky, www.thekitchn.com The Village Voice quips: "Other than luxury real estate catalogs that stir-up serious home-envy, I can't recall reading another book that so made me want to immediately sell my "cozy, charming" apartment and buy a damn house. Why? I need kitchen cabinet space to collect the vintage barware and vessels in which the drinks in this book deserve to be served. Duecy, a first time author and deputy editor of Fodor's Travel website, recaptures the glamour of classic cocktails by succinctly sharing the exotic, historical origin of each drink, seducing you

to immediately take stock of your liquor cabinet and make a grocery list of what's missing."

Peace Through Peace Media? Julia Egleder, 2013 How does the media contribute to peacebuilding and reconciliation in a post-conflict environment? This dissertation examines the question with respect to the media's involvement during the UN and NATO mission in Kosovo (UNMIK and KFOR), from 1999 to 2008. The theoretical part of the book deals with existing approaches to peace journalism, effective organizational communication, and media effects theories. In the empirical part, the evaluation first focuses on the content of the media produced by UNMIK and KFOR in Kosovo, followed by the assessment of media production processes in both missions. The book also explores the impact of UNMIK's and KFOR's media within the local Kosovar population. It argues that peace media can have a positive impact in a post-conflict environment, provided that it features de-escalation oriented content and is framed according to the preferences and attitudes of target audiences. The Secret of the Tzaritsa Moon C. Litka, 2020-11-19 "I signed aboard the Tzaritsa Moon as her second engineer. I ended up a toaster repairman. I was very lucky." - Rafe d'Mere, from *The Secret of the Tzaritsa Moon* The Secret of the Tzaritsa Moon marks the long awaited return to the Nine Star Nebula of the Bright Black Sea. This story takes place in the Alantzia star system, the most remote of the eight solar systems. The Alantzia system is known for its many little worlds, moons, and rocks that are reputed to be more like the "lawless" drift worlds than the staid worlds of the Unity. Old spaceers convinced Rafe d'Mere that to fully appreciate the exotic romance of the Alantzian experience, he needed to ship out on one of the small planet traders which call on the eccentric little worlds of the system. So he did, signing aboard the Tzaritsa Moon, under the name Rye Rylr, as her second engineer. On the passage to Fairwaine, Rafe's swift response to a critical engine failure saved the Tzaritsa Moon. And his life. However, the failure was deliberate, part of a pirate prince's plan to keep the Tzaritsa Moon from arriving in Fairwaine orbit. And when it did, thanks to Rafe, the pirate prince was not happy. At best, Rafe might expect his memory of the incident

to be erased. Erasing Rafe would, however, work just as well. So Rafe needed to get clear of the Tzaritsa Moon and get very lost on Fairwaine until things cooled down. However, while doing so, he crossed orbits with a thief. A girl with a pretty face, who may, or may not, have been a covert agent of the Patrol. She was rather evasive on that point. But she was determined to discover why the pirate prince wanted the Tzaritsa Moon destroyed. And Rafe found that he couldn't resist helping her. She had a pretty face. The Secret of the Tzaritsa Moon is a cozy SF mystery adventure. It features Rafe d'Mere, ex-Patrol contraband suppression and repair tech, now a spaceer engineer, and Vaun Di Ai, who seems to be a Patrol Lieutenant JG, Intelligence Analyst 2, who had, somehow, escaped her desk job to be an acting covert agent. The story is set mostly on the moon of Fairwaine, and in one of its old fashioned, nonconforming societies. One that uses toasters to make toast.

Horse Crazy Litmus Test Melody Tapprich, 2022-06-23 There is no test for horse crazy, or cure. One woman's nightmare is another woman's adventure. Growing up a girl in the sixties, crazy about animals but realizing I was different than other children, I struggled through life until at 38 I finally found out what the issue was. This was followed by many years of suffering

until I came to peace with my differences as well as was determined to succeed despite them. I know I'm not alone in what I've gone through, many others suffer as I did. There are so many stories that could be told. Stop and listen to each person's story in your life and you will learn a lot from each one. Really look at people, dignify each one. You don't know what they're going through or have been through. Thanks for letting me tell mine.
