Affinity Publisher for Basic Book Covers M.L. Humphrey,2022-02-01 Sometimes you just want to put together a basic book cover for a lead magnet or a short story related to your main series. Or maybe, like me, you have the patience of a gnat and don't want to wait six months to have a cover designed by someone else when the book is ready to go NOW. Or maybe money is tight and you're trying to see if that book you wrote has any potential without bankrupting yourself. Or you're ready to put that book out in print, but in your genre you know it's not going to sell all that many print copies. Or in large print. Whatever the reason, you're looking to design your own cover but you don't want to go through the trial and error of figuring out a design software on your own. Well, good news, especially if you already read Affinity Publisher for Ad Creatives. This book is here to walk you through how to use Affinity Publisher to create three basic ebook covers: one with a central image, one with a side image, and one with an image that fills the entire cover. And then we'll walk through how to take that ebook cover and turn it into a paperback for Amazon KDP and IngramSpark as well as a hard cover for IngramSpark. When you finish this book will you be able to create a book cover like the masters who charge hundreds or even thousands of dollars for their work? No. But you will be able to put together a nice, servicable cover that leverages stock photos. And sometimes that's all you need. So let's go. Take your self-publishing to the next level today. Please note that the print version of thisbook is in black and white but the ebook version has color images available if

your ereader is in color. You can learn the skills you need from either version, but there are certain images in the book that are better viewed in color.

Chapter 6: Working with Images and Multimedia in eBooks Pariah Burke,2015-05-08 Although the majority of ebooks are text-only novels and short stories, a large minority of ebooks—across all genres—include photographs, illustrations, charts, graphs, maps, other imagery, and even audio and video. Moreover, even novels and short stories typically have at least cover images. Whether your publication merely needs a cover or requires lots of figures, the process of creating and using graphics and multimedia in ebooks differs in several distinct ways from creating and using them in print or in other digital formats. In this chapter, you will learn about the following: Exporting Images to eBooks Preparing Images for eBooks Adding Audio and Video to eBooks Adding Vector Graphics to eBooks

How to Make Money Online Larry Elliott Bussey,2010-08-16 HOW TO MAKE MONEY ONLINE EBOOK CREATION FOR ENTREPRENEURS DO IT LIKE THE BIG DOGS!! When you hire for a writer for your ebook, what you are doing is enlisting the services of a ghostwriter. A ghostwriter is a writer who publishes under someone else's name, with the consent of both parties. (It's legal and writers are available to provide the service). The straightest route to ebook profits is in the nonfiction ebook market. Fiction is making a story; journalism is finding one. That's the big difference. When I am writing a book, I am usually dealing with events or ideas that have already arranged themselves in memory. With nonfiction, you need to find your prospective before time has arranged it. The trick is to write about something as if you've been thinking about it for 10 years. Larry Bussey resides in Las Vegas, Nevada. He's an expert on Internet Marketing and Ghostwriting. He has successfully pinned numerous books as a ghostwriter. Larry Bussey makes it his business to be aware of the latest developments in his field as a Pro Internet Marketer / Blogger / Social Media Marketer, Business Expert, Social Marketing Trainer and Consultant. Larry Bussey prides himself as being a thought leader in social media, who likes to inspire others to use new media to create positive change in their lives. Readers of his ebooks write from all over the globe to ask for marketing advice and to share their own success stories.
