**Affinity Publisher for Basic Book Covers** M.L. Humphrey,2022-02-01 Sometimes you just want to put together a basic book cover for a lead magnet or a short story related to your main series. Or maybe, like me, you have the patience of a gnat and don't want to wait six months to have a cover designed by someone else when the book is ready to go NOW. Or maybe money is tight and you're trying to see if that book you wrote has any potential without bankrupting yourself. Or you're ready to put that book out in print, but in your genre you know it's not going to sell all that many print copies. Or in large print. Whatever the reason, you're looking to design your own cover but you don't want to go through the trial and error of figuring out a design software on your own. Well, good news, especially if you already read Affinity Publisher for Ad Creatives. This book is here to walk you through how to use Affinity Publisher to create three basic ebook covers: one with a central image, one with a side image, and one with an image that fills the entire cover. And then we'll walk through how to take that ebook cover and turn it into a paperback for Amazon KDP and IngramSpark as well as a hard cover for IngramSpark. When you finish this book will you be able to create a book cover like the masters who charge hundreds or even thousands of dollars for their work? No. But you will be able to put together a nice, servicable cover that leverages stock photos. And sometimes that's all you need. So let's go. Take your self-publishing to the next level today. Please note that the print version of this book is in black and white but the ebook version has color images available if your ereader is in color. You can learn the skills you need from either version, but there are certain images in the book that are better viewed in color.

Sarah Buttons, Master Doll Maker Joe Moore, 2017-05-24 Sarah Buttons, Master Doll Maker Cuddly animals and action figures and baby dolls, oh my! Where would Santa be if he didn't have tons of these at Christmas? Well, thankfully because of Sarah Buttons, he need not concern himself with that problem. Sarah is our Master Doll Maker, and she creates all kinds of dolls, stuffed animals, a variety of heroes, soldiers, and so much more. With lyrical rhymes, adorable pictures, and a delightful storyline, Sarah is bound to be a favorite tale of your child's, year after year. Santa reminds us that we should always be grateful for everything in our lives. It is reasonable and proper to desire more in life, but we should never forget to give thanks for what we already have. Santa's message is at the end of the story. About Santa's Elf Series© by the author, Joe Moore: Even as I was writing the first novel in the Santa Claus Trilogy, I envisioned an entire world at the top of the globe. I knew the most die-hard believer in Santa Claus would realize that this magical gift-giver would need assistance in achieving his task at Christmas. So I began to think about who these helpers were, and what their responsibilities to Santa might be. Then I started writing. And to my surprise, as I wrote, the stories came out of me in rhyme! The cadence and beat of the verses were lyrical. As I spoke to others, including a good many teachers and librarians, they told me this was the easiest way for children to learn and that I should keep the verses coming. As Santa, I also heard from parents about their frustrations trying to instruct their children in the primary lessons of life; such as picking up after themselves, being polite, sharing, brushing their teeth, and so on. So I put a special message from Santa Claus at the end of each story about each of these lessons. Even complex problems like bullying, showing gratitude, and listening to elders get addressed in these books. It never hurts to learn these lessons throughout the year. I wrote nearly 20 books in this series, each focusing on a particular elf and their role to Santa. My wife and illustrator, Mary, is doing her best to get these magical tales drawn and into your child's hands. Since she works so hard fully illustrating every page and includes elements like shapes, colors, and even geography, it takes her a little while to complete each book. We have a half dozen released and more "in the works." I have already heard about new traditions started during Christmas with my Santa Claus Trilogy and families. I am hoping that these will also become part of your celebrations. Make Santa's Elf Series© a new tradition for your family and collect the entire series. The following is a list of the currently published books in the series: Santa's World, Introducing Santa's Elf Series Jamie Hardrock, Chief Mining Elf Shelley Wrapitup, Master Design Elf Keeney Eagleye, Naughty/Nice List Manager Sarah Buttons, Master Dollmaker Ford MacHarley, Master Wheelsmith

The Map Maker Brandon Royal, 2014-01-01 The Map Maker is the story of a young adventurer who travels to Paradise Island with the aid of a magical map. Here, he begins his own "knowledge quest" to better understand why people see the world just the way they do. Using simple prose, this illustrated short story introduces and explores the meaning behind the phrase "the subjectivity of truth and the relativity of reality." Target Audience: This story is ideally suited to high school or college students studying English literature or philosophy and lends itself to classroom or group discussion. It is a think piece that explores the topic of human perspective and shows the folly in believing that we can see the world in an objective manner. "The Map Maker is a short story as playful as it is poignant. The marriage of whimsical images and thought-provoking text creates a unique tapestry: one that weaves storytelling and philosophy with literary verve. Royal challenges us to think about the key role that perspective plays in our lives. He also shows how literature, acting as both an art form and a pragmatic tool, can help us gain critical insights." —Rachel Metalin, B.A. M.A., English Instructor, Upper Canada College (UCC), Toronto, Canada

Maker of Miracle Men Napoleon Hill, 2016-10-03 In 1952, Napoleon Hill spoke at a dental convention. He was introduced by insurance tycoon W. Clement Stone. Stone had been given a copy of Hill's bestselling book, Think and Grow Rich, and was so impressed that he gave away thousands of copies. Hill and Stone jointly wrote Success Through a Positive Mental Attitude in 1960, and it became an immediate bestseller. Over fifty years later, the book still sells well in the United States and all over the world. Maker of Miracle Men is the result of Hill's work with Stone. Prefacing the speech is the excellent introduction that Stone gave Hill.

**What is e-book?** Nicolae Sfetcu, 2014-05-10 The e-book guide for publishers: how to publish, EPUB format, ebook readers and suppliers. An electronic book (also e-book, ebook, electronic book, digital book) is a book-length publication in digital form, consisting of text, images, or both, and produced on, published through, and readable on computers or other electronic devices. An e-book can be purchased/borrowed, downloaded, and used immediately, whereas when one buys or borrows a book, one must go to a bookshop, a home library, or public library during limited hours, or wait for a delivery. Electronic publishing or ePublishing includes the digital publication of e-books and electronic articles, and the development of digital libraries and catalogues. EPUB (short for electronic publication; alternatively capitalized as ePub, ePUB, EPub, or epub, with EPUB preferred by the vendor) is a free and open e-book standard by the International Digital Publishing Forum (IDPF). Self-publishing is the publication of any book or other media by the author of the work, without the involvement of an established third-party publisher. One of the greatest benefits brought about by ebooks software is the ability for anyone to create professional ebooks without having to fork out thousands of dollars to design and publish a book. People can easily become authors overnight and earn income from selling online ebooks.

Self-Publishing Boot Camp Guide for Independent Authors, 5th Edition Carla King, 2020-01-11 "...the most comprehensive and up-to-date guide for anyone new to self-publishing.
