**Be Always Converting, be Always Converted** Rob Wilson,2009 Wilson's reconceptualization of the American project of conversion begins with the story of Henry 'Ōpūkaha'ia, the first Hawaiian convert to Christianity, torn from his Native Pacific homeland and transplanted to New England. *The Externally Focused Quest* Eric Swanson,Rick Rusaw,2020-11-03 The Externally Focused Quest: Becoming the Best Church for the Community is designed for church leaders who want to transform their churches to become less internally focused and more oriented to the world around them. The book includes clear guidelines on the changes congregations must adopt to become truly outwardly focused. This book is not about getting all churches to have an annual day of community service as a tactic, but changing the core of who they are and how they see themselves as a part of their community. The Externally Focused Quest outlines ten changes needed for church leaders to transform their churches and presents a highly practical approach that shows leaders how to become more externally focused without having to give up programs that serve members. This book reveals what it takes to make the major shift from internal to external focus and how that affects church leadership.

**No Telephone to Heaven** Michelle Cliff,1996-03-01 A brilliant Jamaican-American writer takes on the themes of colonialism, race, myth, and political awakening. Originally published in 1987, this critically acclaimed novel is the continuation of the story that began in *Abeng* following Clare Savage, a mixed-race woman who returns to her Jamaican homeland after years away. In this deeply poetic novel, Clare must make sense of her middle-class childhood memories in contrast with another side of Jamaica which she is only now beginning to see: one of extreme poverty. And Jamaica—almost a character in the book—comes to life with its extraordinary beauty, coexisting with deep human tragedy. Through the course of the book, Clare sees the violence that rises out of extreme oppression, the split loyalties of a colonized person, and what it means to be neither white nor Black in that environment. The result is a deeply moving, canonical work.

*The Commune* Louise Michel,Mikhail Bakunin,Voltaire de Cleyre,Alexander Berkman,Maurice Brinton,2013-04-02 On 18 March 1871, the Parisian working class began a rebellion that shook the foundations of European society. Laborers seized direct control over their city, expelling their government and capitalist rulers. These

revolutionary men and women declared Paris an independent municipality and commune where they would collectively manage their society through new institutions of their own creation, providing for their own welfare and defense. The Commune was annihilated 71 days later in one of the deadliest campaigns in French military history, La Semaine Sanglante, The Bloody Week, during which over 30,000 men, women, and children were murdered for their revolutionary aspirations. Despite the brutality of its destruction, the Paris Commune uprising inspired revolutionaries the world over. In the near century-and-a-half that has passed since the Commune's destruction, anarchists and libertarian-socialists across the generations have looked to the 1871 Paris Commune, seeking to learn from its example--both its strengths and its limitations. The Commune: Paris, 1871, is a new collection of writings and critical reflections on the Paris Commune by classic anarchist and libertarian-socialist authors like Louise Michel, William Morris, Mikhail Bakunin, Peter Kropotkin, Voltairine de Cleyre, Alexander Berkman and Maurice Brinton.

*Kensington Palace* Tom Quinn,2021-01-12 For more than 300 years, Kensington Palace has played host to a colourful cast of kings, queens and assorted aristocratic hangers-on. A stone's throw from the bustling streets of central London, this grand building has served as the stage for some of the most dramatic and bizarre events in the history of the royal family. It was here that the young Queen Victoria was held a virtual prisoner for eighteen years; and it was here that George II installed both his wife and his mistress, giving the latter rooms so damp that there were said to be mushrooms growing on the walls. More recently, the palace has witnessed an extraordinary series of scandals, from Princess Diana's bombshell TV interview with a journalist smuggled into the palace disguised as a salesman, to Prince Harry and Meghan Markle's shock departure – first for Frogmore Cottage, and then for America – amid rumours of a rift with William and Kate. With exclusive interviews with palace staff past and present, fascinating historical details and a fully updated postscript considering what life after Kensington holds for Harry and Meghan, *Kensington Palace: An Intimate Memoir from Queen Mary to Meghan Markle* offers a rare behind-the-scenes insight into one of Britain's most iconic residences.

*Cold War Anthropology* David H. Price,2016-04-01 In *Cold War Anthropology*, David H. Price offers a provocative account of the profound influence that the American security state has had on the field of anthropology since the Second World War. Using a wealth of information unearthed in CIA, FBI, and military records, he maps out the intricate connections between academia and the intelligence community and the strategic use of anthropological research to further the goals of the American military complex. The rise of area studies programs, funded both openly and covertly by government agencies, encouraged anthropologists to produce work that had intellectual value within the field while also shaping global counterinsurgency and development programs that furthered America's Cold War objectives. Ultimately, the moral issues raised by these activities prompted the American Anthropological Association to establish its first ethics code. Price concludes by comparing Cold War-era anthropology to the anthropological expertise deployed by the military in the post-9/11 era.

**The Moments We Stand** Ashlee Birk,Kathy Campbell,2014-07-30 My name is Ashlee. I am a victim of murder. Through a series of events and by two shots of a gun, I was made a widow at the age of 28, with my youngest child just six weeks old. I am a victim of infidelity. I have felt unlovable. I have felt rejected. I have had days in my life when I wasn't sure if I would ever take a breath again, let alone be able to raise my five children by myself. I have lived in fear. I have felt much heartache. I have felt truly broken to my core. I have carried some heavy burdens...not only of my own, but burdens put upon my shoulders by the death of my husband. I have felt alone. I have felt humiliated. I have been humbled to my knees. I have searched my soul to find my worth in this world, and in the life that was left for me. My world has been totally shattered. I have faced realities I never knew were possible, and found strength within myself to keep up the fight and live every day as if it was on purpose. I have been carried by Angels...both earthly beings and those unseen. I have found that being a victim doesn't mean we have an excuse to stop living. Being a victim means finding a reason for seeking a higher road. I have picked up the pieces left and carried on. I am a mother. We are survivors. In one way or another, we are all victims. There are times in our lives when we are forced to question who we are at our core. When we are presented with a path...we can go this way or we can choose that way. For some, this moment comes when the one person whom we love the most decides we are not enough. This person leave us-at a most vulnerable moment-alone to search within ourselves for who we really are. We are left trying to find who it is that was left behind. Sometimes the person we love dies. Sometimes it is merely an internal battle we are facing...all alone inside our minds. Whatever the situation and wherever you have been...you have been hurt. You have felt alone. You have been abandoned, either by your parents, your lover, your friends, complete strangers, or even yourself. We have all been at that crossroad where all we have left is ourselves. Sometimes these moments of lows have brought you to your knees and caused you to reflect and ponder your relationship with God...and other times they have made you question if He is even there, or if He knows you are alone. Whatever that moment has been for you, it is personal and real. It has

defined and refined who you are, who you think you were, and who you want to become. This is my story...the defining moments that have truly brought me to my knees, the times when I've questioned to my core my very existence, and the experiences I've had that have shown me who I really am and who my Heavenly Father still needs me to become. The night of my husband's death was my darkest hour, but also the very moment when I saw firsthand that my Heavenly Father sent Angels on errands for me. He carried me. It was the hour when all my fears and all the pain of this world collided together and He was there...putting back together all the pieces, one step at a time.
