The Eight Katherine Neville,2015-07-21 The “fascinating” #1 international bestseller of a quest across centuries by two intrepid women to reunite the pieces of a powerful, ancient chess set (Los Angeles Times Book Review). A fabulous, bejeweled chess set that belonged to Charlemagne has been buried in a Pyrenees abbey for a thousand years. As the bloody French Revolution rages in Paris, the nuns dig it up and scatter its pieces across the globe because, when united, the set contains a secret power that could topple civilizations. To keep the set from falling into the wrong hands, two novices, Valentine and Mireille, embark on an adventure that begins in the streets of Paris and leads to Russia, Egypt, Corsica, and into the heart of the Algerian Sahara. Two hundred years later, while on assignment in Algeria, computer expert Catherine Velis finds herself drawn unwillingly into the deadly “Game” still swirling around the legendary chess set—a game that will require her to risk her life and match wits with diabolical forces. This ebook features an illustrated biography of Katherine Neville including rare images from her life and travels.

Eight Twenty Eight Larissa Murphy,Ian Murphy,2014-08-28 What if that thing you really feared happened? Would the joy you hold pop? Or would you experience love and joy deeper than you can imagine? They met in college and fell in love. They talked about getting married, and he started looking for a ring. They dreamed about life together, a life of beauty and joy, raising babies and laughing with friends and growing old. They did not imagine a car accident. They did not imagine his brain injury. They did not dream about the need for constant care and a wheelchair and fear that food might choke him. And they could not have imagined how persistent love would be. Theirs and God's. Ian and Larissa Murphy tell their story of love in *Eight Twenty Eight*. Except, it's not just their love story. Really, it's yours as well. Read and gain a picture of love that will challenge all you think you know about what is true and what persists.

Fatty Legs Christy Jordan-Fenton,Margaret Pokiak-Fenton,2010-09-01 Eight-year-old Margaret Pokiak has set her sights on learning to read, even though it means leaving her village in the high Arctic. Faced with unceasing pressure, her father finally agrees to let her make the five-day journey to attend school, but he warns Margaret of the terrors of residential schools. At school Margaret soon encounters the Raven, a black-cloaked nun with a hooked nose and bony fingers that resemble claws. She immediately dislikes the strong-willed young Margaret. Intending to humiliate her, the heartless Raven gives gray stockings to all the girls — all except Margaret, who gets red ones. In an instant Margaret is the laughingstock of the entire school. In the face of such cruelty, Margaret refuses to be intimidated and bravely gets rid of the stockings. Although a sympathetic nun stands up for Margaret, in the end it is this brave young girl who gives the Raven a lesson in the power of human dignity. Complementing by archival photos from Margaret Pokiak-Fenton’s collection and striking artworks from Liz Amini-Holmes, this inspiring first-person account of a plucky girl’s determination to confront her tormentor will linger with young readers.

The Basic Eight Daniel Handler,2009-10-13 Flannery Culp wants you to know the whole story of her spectacularly awful senior year. Tyrants, perverts, tragic crushes, gossip, cruel jokes, and the hallucinatory effects of absinthe -- Flannery and the seven other friends in the Basic Eight have suffered through it all. But now, on tabloid television, they're calling Flannery a murderer, which is a total lie. It's true that high school can be so stressful sometimes. And it's true that sometimes a girl just has to kill someone. But Flannery wants you to know that she's not a murderer at all -- she's a murderess.

Nania's Figure Eight features a spellbinding storyline with more twists and turns than the number in its title. Nania writes with power and precision, humor and grace about land, legacy, loss, love, and the mysteries of (human) nature. — Joel Pace, Ph.D. Professor of English, University of Wisconsin

Nania presents us with well-developed and at times quirky characters, a fast-paced plot line, and some of the best twists in anything I've read this year.

Sundays at Eight Brian Lamb, C-SPAN, 2014-04-29 For the last 25 years, Sunday nights at 8pm on C-SPAN has been appointment television for many Americans. During that time, host Brian Lamb has invited people to his Capitol Hill studio for hour-long conversations about contemporary society and history. In today's soundbite culture that hour remains one of television's last vestiges of in-depth, civil conversation. First came C-SPAN's Booknotes in 1989, which by the time it ended in December 2004, was the longest-running author-interview program in American broadcast history. Many of the most notable nonfiction authors of its era were featured over the course of 800 episodes, and the conversations became a defining hour for the network and for nonfiction writers. In January 2005, C-SPAN embarked on a new chapter with the launch of Q and A. Again one hour of uninterrupted conversation but the focus was expanded to include documentary film makers, entrepreneurs, social workers, political leaders and just about anyone with a story to tell. To mark this anniversary Lamb and his team at C-SPAN have assembled Sundays at Eight, a collection of the best unpublished interviews and stories from the last 25 years. Featured in this collection are historians like David McCullough, Ron Chernow and Robert Caro, reporters including April Witt, John Burns and Michael Weisskopf, and numerous others, including Christopher Hitchens, Brit Hume and Kenneth Feinberg. In a March 2001 Booknotes interview 60 Minutes creator Don Hewitt described the show's success this way: "All you have to do is tell me a story." This collection attests to the success of that principle, which has guided Lamb for decades. And his guests have not disappointed, from the dramatic escape of a lifelong resident of a North Korean prison camp, to the heavy price paid by one successful West Virginia businessman when he won \$314 million in the lottery, or the heroic stories of recovery from the most horrific injuries in modern-day warfare. Told in the series' signature conversational manner, these stories come to life again on the page. Sundays at Eight is not merely a token for fans of C-SPAN's interview programs, but a collection of significant stories that have helped us understand the world for a quarter-century.

Eight Dates John Gottman, Julie Schwartz Gottman, Doug Abrams, Rachel Carlton Abrams, 2019-02-05 Whether you're newly together and eager to make it work or a longtime couple looking to strengthen and deepen your bond, Eight Dates offers a program of how, why, and when to have eight basic conversations with your partner that can result in a lifetime of love. "Happily ever after" is not by chance, it's by choice— the choice each person in a relationship makes to remain open, remain curious, and, most of all, to keep talking to one another. From award-winning marriage researcher and bestselling author Dr. John Gottman and fellow researcher Julie Gottman, Eight Dates offers an ingenious and simple-to-implement approach to effective relationship communication. Here are the subjects that every serious couple should discuss: Trust. Family. Sex and intimacy. Dealing with conflict. Work and money. Dreams, and more. And here is how to talk about them—how to broach subjects that are difficult or embarrassing, how to be brave enough to say what you really feel. There are also suggestions for where and when to go on each date—book your favorite romantic restaurant for the Sex & Intimacy conversation (and maybe go to a yoga or dance class beforehand). There are questionnaires, innovative exercises, real-life case studies, and skills to master, including the Four Skills of Intimate Conversation and the Art of Listening. Because making love last is not about having a certain feeling—it's about both of you being active and involved.
