Do Not Erase Jessica Wynne, 2021-06-22 A photographic exploration of mathematicians' chalkboards "A mathematician, like a painter or poet, is a maker of patterns," wrote the British mathematician G. H. Hardy. In *Do Not Erase*, photographer Jessica Wynne presents remarkable examples of this idea through images of mathematicians' chalkboards. While other fields have replaced chalkboards with whiteboards and digital presentations, mathematicians remain loyal to chalk for puzzling out their ideas and communicating their research. Wynne offers more than one hundred stunning photographs of these chalkboards, gathered from a diverse group of mathematicians around the world. The photographs are accompanied by essays from each mathematician, reflecting on their work and processes. Together, pictures and words provide an illuminating meditation on the unique relationships among mathematics, art, and creativity. The mathematicians featured in this collection comprise exciting new voices alongside established figures, including Sun-Yung Alice Chang, Alain Connes, Misha Gromov, Andre Neves, Kasso Okoudjou, Peter Shor, Christina Sormani, Terence Tao, Claire Voisin, and many others. The companion essays give insights into how the chalkboard serves as a special medium for mathematical expression. The volume also includes an introduction by the author, an afterword by New Yorker writer Alec Wilkinson, and biographical information for each contributor. *Do Not Erase* is a testament to the myriad ways that mathematicians use their chalkboards to reveal the conceptual and visual beauty of their discipline—shapes, figures, formulas, and conjectures created through imagination, argument, and speculation.

Erase Tom DeWeese, 2016-07-01 A political activist is mysteriously murdered, and a major publisher faces ruin as a powerful, yet unknown force threatens his industry. A TV preacher discovers a movement inside his own religion to remove God, and a high school teacher is told he can no longer teach facts in his classroom. By night, a graffiti artist splashes paint on the sides of government buildings and people feel a shiver of trepidation, wondering what his cryptic messages mean. Five heroes wonder why these seemingly separate occurrences are happening, and whether they might be connected. Is it the failed policies of a popular, yet weak president causing them, or might there be a sinister force hiding in the darkness controlling it all? Can the events be stopped before it brings down the nation? A mysterious document rumored to be hidden in the dark corners of the Internet might have the clues, but will they be able to find it in time? ERASE is a thrill ride of twists and turns as each clue is discovered through a maze of murder, mayhem and intrigue, and villains and heroes push against each other as they race to a surprising finish.

Healing What You Can't Erase Christopher Cook, 2024-03-19 A path from trauma to transformation that doesn't rely on willpower, but rather on the daily power of the Holy Spirit—from pastor and leadership coach Christopher Cook “Razor-sharp focus . . . a clear-cut path to find healing.”—New York Times bestselling author and pastor Mark Batterson The pain that happened to you is real . . . and it matters immensely. The notion of healing what you can't erase is not about ignoring the devastation of your past or putting a glossy, positive spin on current tragedy. That plastic version of faith isn't actually faith; it's

unbelief. Healing What You Can't Erase offers a far better solution—a road map for moving forward through the losses and scars by allowing the power of the Holy Spirit to transform us . . . spirit, soul, and body. Through story, instruction, action steps, and guided questions, you'll discover • why transformation beats willpower and self-help • how to recognize and heal a broken spirit • well-researched, biblically grounded strategies to revitalize your mental and emotional well-being • how inside-out integrated transformation changes your spirit, soul, and body Whether you're wrestling with the loss of a marriage, a fractured friendship, a betrayal at work, or a chronic illness, there is hope. No matter your pain or traumatic experience, the Holy Spirit can heal and restore you to the life God created you for.
