Farsi Nicholas Awde,Camilla Shahribaf,2006 Presents a Farsi-English dictionary containing over 4,000 entries with romanized Farsi text, as well as a phrase book and brief introductions to grammar, pronunciation and the Farsi alphabet.

Funny in Farsi Firoozeh Dumas,2007-12-18 NEW YORK TIMES BESTSELLER • Finalist for the PEN/USA Award in Creative Nonfiction, the Thurber Prize for American Humor, and the Audie Award in Biography/Memoir This Random House Reader's Circle edition includes a reading group guide and a conversation between Firoozeh Dumas and Khaled Hosseini, author of The Kite Runner! "Remarkable . . . told with wry humor shorn of sentimentality . . . In the end, what sticks with the reader is an exuberant immigrant embrace of America."—San Francisco Chronicle In 1972, when she was seven, Firoozeh Dumas and her family moved from Iran to Southern California, arriving with no firsthand knowledge of this country beyond her father's glowing memories of his graduate school years here. More family soon followed, and the clan has been here ever since. Funny in Farsi chronicles the American journey of Dumas's wonderfully engaging family: her engineer father, a sweetly quixotic dreamer who first sought riches on Bowling for Dollars and in Las Vegas, and later lost his job during the Iranian revolution; her elegant mother, who never fully mastered English (nor cared to); her uncle, who combated the effects of American fast food with an army of miraculous American weight-loss gadgets; and Firoozeh herself, who as a girl changed her name to Julie, and who encountered a second wave of culture shock when she met and married a Frenchman, becoming part of a one-couple melting pot. In a series of deftly drawn scenes, we watch the family grapple with American English (hot dogs and hush puppies?—a complete mystery), American traditions (Thanksgiving turkey?—an even greater mystery, since it tastes like nothing), and American culture (Firoozeh's parents laugh uproariously at Bob Hope on television, although they don't get the jokes even when she translates them into Farsi). Above all, this is an unforgettable story of identity, discovery, and the power of family love. It is a book that will leave us all laughing—without an accent. Praise for Funny in Farsi "Heartfelt and hilarious—in any language."—Glamour "A joyful success."—Newsday "What's charming beyond the humor of this memoir is that it remains affectionate even in the weakest, most tenuous moments for the culture. It's the brilliance of true sophistication at work."—Los Angeles Times Book Review "Often hilarious, always interesting . . . Like the movie My Big Fat Greek Wedding, this book describes with humor the intersection and overlapping of two cultures."—The Providence Journal "A humorous and introspective chronicle of a life filled with love—of family, country, and heritage."—Jimmy Carter "Delightfully refreshing."—Milwaukee Journal Sentinel "[Funny in Farsi] brings us closer to discovering what it means to be an American."—San Jose Mercury News

*Bahareh Teaches Farsi - Book 1: "be" Verb - Emotions* Bahareh Gharehgozlou, 2021-08-17 The Pishi and Pasha language book series help you master conversational Farsi in a simple, fun, and interactive way, one book at a time. The content focuses on basic to advanced sentence structure and the use of language in real-life conversational contexts. We do not believe in learning through memorization of single words, even for younger learners. From the very beginning, we teach the language based on a communicative approach, through the formation and use of sentences in relevant contexts. The theory behind our content is to learn the basic sentence structure first, and then, build on the initial knowledge by applying it to new contexts. The illustrations throughout the books are complementary to the educational content and create a fun visual learning context to help you along your language learning journey! Book 1 teaches you the basic sentence structure in Farsi and elaborates on the use of the be verb in Simple Present to express emotions. Just like English, the be verb is used in Farsi to talk about things like name, occupation, nationality, quality, emotions, time, and place. In this book, you will learn a range of emotion-related vocabulary as well as the basic grammar knowledge you need in order to make simple sentences with the be" verb in both affirmative and negative forms.

You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
