**Pornography and The Criminal Justice System** Carmen M. Cusack,2014-12-03 This volume assembles hundreds of cases and studies to provide the most accurate and comprehensive picture of the status of pornography in the criminal justice system. Presenting high-level research in an accessible and organized manner, it explores a range of topics, including investigating and prosecuting a case, arguments favoring and opposing decriminalization of pornography, and relationships between pornography, mental disorders, and crime. It also examines criminal justice responses and international laws, policies, attitudes, and definitions of pornography in comparison to those of the United States.

**Txt Me** B. Bonin Bough,2016-08-16 What's bigger than the internet? Putting it in every pocket, and in every purse. This changes everything, in ways we are only beginning to understand. Mobile devices have become staples of daily life, and our nonstop use of them has changed society . . . forever. In **Txt Me**, B. Bonin Bough, one of the world's leaders in digital marketing, explores the exciting impact and future implications of mobile devices and digital communication on individuals, companies, and society. Including insights from the minds behind Coca-Cola, Conde Nast, NASCAR, and Twitter, Bough breaks down the often

counterintuitive ways mobile devices and digital data are reshaping the way we experience, consume, and think, including: Why consumers now have more control of their shopping and spending How mobile phones have actually rescued language Why parents—not kids—should put down their phones How our relationship with politicians has evolved—and improved Why cell phones have improved our interaction with our surroundings—not hindered it How mobile devices are enabling us to better monitor, and enhance, our personal health Txt Me is a fascinating, funny, entertaining exploration of how our mobile society is changing the way we are behaving, reacting, thinking, learning, parenting, dating, having sex, eating, worshiping, exercising, and buying. It will challenge, surprise, provoke, and inspire you. Yes, the number on the cover is real. Text B. Bonin Bough at (646-759-1837) with your answers to any of the questions called out throughout the book. He will text back with his thoughts. Just remember to include the hashtag of the question you're answering in each text! Participating in the Txt Me experience may unlock exclusive deals and special offers. As your contribution is most important, please keep in mind that standard carrier rates regarding SMS or data may apply, and you can opt out whenever you wish by texting Stop.

*First Things First* Nadirah Simmons,2024-01-30 This enlightening book reframes the history of hip-hop—and this time, women are given credit for all their trailblazing achievements that have left an undeniable impact on music. FIRST THINGS FIRST, hip-hop is not just the music, and women have played a big role in shaping the way it looks today. FIRST THINGS FIRST takes readers on a journey through some notable firsts by women in hip-hop history and their importance. Factual firsts like Queen Latifah becoming the first rapper to get a star on the Hollywood Walk of Fame, Lauryn Hill making history as the first rapper to win the

coveted Album of the Year Award at the GRAMMYs, April Walker being the first woman to dominate in the hip-hop fashion game, and Da Brat being the first solo woman rapper to have an album go platinum, and metaphorical firsts like Missy Elliott being the first woman rapper to go to the future. (Trust me, she really did.) There are chapters on music legends like Nicki Minaj, Lil' Kim and Mary J. Blige, tv and radio hosts like Big Lez and Angie Martinez, and so many more ladies I would name but I don't want to spoil the book! There are games, charts and some fire images, too. Altogether, **FIRST THINGS FIRST** is a celebration of the achievements of women in hip-hop who broke down barriers and broke the mold. So the next time someone doesn't have their facts straight on the ladies in hip-hop, you can hit them with "first things first"...
