I Cut My Finger Stuart Ross,2007 'I Cut My Finger' is Stuart Ross's first full-length poetry collection since his acclaimed 'Hey, Crumbling Balcony! Poems New & Selected' (2003). The poems here show Ross's ever-expanding breadth, from his trademark humour and surrealism, to pointedly experimental works and poems of human anguish. Here, a poet includes a letter threatening suicide in his submission of poems to a literary journal; a businessman dons flippers to swim along the sidewalk to his downtown office; the U.S. military follows a trail of red ants to glacial redemption; the writer finds profound joy in a tower of canned niblets. But beneath the slapstick exterior of so many of Ross's poems there lurk dark threats and darker pleasures. Many of his narrative poems can best be called surreal. With their fancifully imaginative stories and wonderfully absurdist takes on the world, it's as if you're watching bizarre cartoons on YouTube. - Prairie FireA damn-fine book in every sense of the word. - Taddle Creek

Finger Knitting for Kids Eriko Teranishi,2019-10-01 Now kids can create their very own knitted accessories! Finger Knitting for Kids shows young crafters (and their parents) how to make cute and easy knitted pieces using only their fingers and a bit of yarn. Clear and simple step-by-step lessons walk them through a series of delightful projects--ranging from simple knitted hair ties and bags to braided scarves and pom pom hats. This book provides easy-to-follow instructions for 15 fun knitting projects for kids, including: A sweet fringed scarf with matching rectangle beanie A colorful hair tie bracelet A stylishly slouchy unisex hat A neat little throw that can be worn as a shawl A braided scarf with pompom ends--a great way to mix favorite colors And so much more! Lessons on making and adding embellishments like pompoms, tassels and loops introduce kids to the wonderful world of yarn crafting. And once they learn the basics, they'll be able to try these techniques with other materials as well--ribbons, strips of fabric and other fibers. With a wide range of projects, interests and skill levels throughout the book, crafty kids 5-12 will be making original knitted creations in no time!

Fingers for Lunch Brandt Lewis,2016-04-05 A unique die-cut format provides hours of finger-play fun for parents and toddlers! For lunch today I have a fine treat: five little fingers for Monster to eat! In this silly playtime rhyme, young readers will burst into giggles as they fit their fingers through die-cut holes and make them wiggle and squirm while a hungry little monster tries to gobble up every last bite! Parents play the part of the monster and eat up their laughing little ones fingers, turning the pages to make the holes disappear one by one until there are no wigglers left. Then start back at the beginning, this time with mom or dad's fingers in the holes--if they're willing to risk it!

Fingers for Halloween Brandt Lewis,2017-07-25 A Halloween-themed companion to Fingers for Lunch, a unique die-cut format that provides hours of finger-play fun for parents and toddlers! Hello there! How are you this Halloween evening? I hope that you're ready to go trick-or-treating! But I am not looking for candy or gum. What I want to eat is a fat little thumb. In this spooky playtime rhyme, young readers will burst into giggles as they fit their fingers through die-cut holes and make them wiggle and squirm while a hungry little monster tries to gobble up every last bite! Parents play the part of the monster and eat up their laughing little ones fingers, turning the pages to make the holes disappear one by one until there are no wigglers left. Then start back at the beginning, this time with mom or dad's fingers in the holes--if they're willing to risk it!

Finger Cut Introduction

In the digital age, access to information has become easier than ever before. The ability to download Finger Cut has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Finger Cut has opened up a world of possibilities. Downloading Finger Cut provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Finger Cut has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Finger Cut.

These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Finger Cut. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Finger Cut, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Finger Cut has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
