Flipping the Script A. J. Gibson,2018 Life is complicated and messy, but every now and then life gives you a syndicated talk show on a major network - and then fires your ass for not being gay enough. Then it sends your born-again Christian sister to take you out to lunch on your birthday, only to tell you she suddenly believes you can pray your gay away and that your show was shit anyways because you weren't using it to do anything for Christ. Then again, that specific situation may have only happened to AJ Gibson.... Either way, he knows what it's like when life feels like a rollercoaster, and in his self-help book Flipping the Script, he's not going to sugar-coat the truth. After all, this isn't Hollywood. Er... anymore. Know you're not alone: AJ's journey from a closeted gay boy from Ohio to that guy that people kinda, sorta recognize from Hollywood and TV seems glossy, but the truth is anything but. In Flipping the Script, AJ shows how his life has been a series of lemons. Every time he thinks he's in the clear, he finds a new way to crash and burn. Let's just say insecurity was once a pretty close friend of his. So he knows what you feel like. Really, he does. Luckily he's pretty smart and moderately witty, always finding his way out of life's rock bottom moments - and you can too--Provided by publisher.
