Strap! Forex Automated Trading Software Can Make You Millions! Jasuli Suliadi,2019-08-14 This book aims to debunk beliefs that Forex Robot (EAs for short) is a myth and that there is no software out there that can trade Forex automatically totally without human supervision. From a simple EA to a compound EA to a multi-time frame compound EA I aim to prove the skeptics wrong by showing how in nine years I had developed one of the most accurate EAs you can find in the market where profit/loss win ratio is concerned. My findings in this book could save you years if you're a budding EA developer. I will show you how I make a simple MacD EA, how I combine EAs and how I use higher time frames and time factors to improve their performances. I came across truths in of Law of Large Numbers (rigorous testing), Law of Diminishing Returns (using too much filters), Fibonacci Sequence (the larger Cycle is interdependent on the smaller Cycles) and many more learning experiences as an EA developer. If you work in the Trading Department of a bank this book is proof that not all Algorithms exist in High Speed. With the COMP EAs all losses are paper losses ...

Stocks And Forex Trading: How To Win Daryl Guppy,Karen Wong,2021-06-16 Dreaming of becoming a successful trader? Daryl Guppy and Karen Wong show you the steps that will allow you to turn part-time trading into a successful income stream.Wong's unique approach uses a stock exchange-based Trading Game simulation as an arena for stress testing trading ideas before risking real cash. This is a serious training method. Wong reveals the essential lessons underpinning survival and success in modern trading markets. She shows how sensible use of derivatives like contract for differences (CFD) enhance returns from trading ideas. Wong takes you through the steps she followed to turn an ambition into a reality. Based on her experience, using Guppy trading methods and her own trading methods, she shows mistakes to avoid and some shortcuts to success.Guppy shows how to adapt your stock trading skills to trading the foreign exchange (Forex) market using methods suitable for a part-time trader. This includes a full explanation of a trading approach for Forex, commodities, and indices. This new trading method identifies high probability trades with well-defined exit targets. This method is designed for time-poor traders who want to limit time risk in the market.Guppy and Wong explain how charting and technical analysis methods are easily applied to improve trade identification, trade management, and profit taking. The discussion is illuminated with real trades so you can identify the features of success, and also the warning signs of failure.Modern markets call for a new mixture of trade methods to make the best use of new trading instruments like CFDs and the increasingly accessible Forex market. You can trade part-time and make a decent second income. Guppy and Wong give you the benefit of their experience and the tools to make this dream a reality.Related Link(s)

Super Trading Strategies Azeez Mustapha,2016-05-23 If you want to be a success trading on the Forex markets, you need to know what you are doing. Learning by trial and error can be expensive and one wrong move could wipe you out. You need help to know what strategies work and how they should be used. Super Trading Strategies gives you a set of concrete and easy-to-use trading strategies that will help you on your way to making money. They all work on the Forex markets, and some are also applicable to the stock and futures markets. These super trading strategies include short-term, long-term, swing and positions trading strategies. Some are ideal for part-time traders and some for full-time traders. Each strategy is explained in detail with examples of how they can be used and charts illustrating the currency movements to which they apply. At the end of each chapter, a strategy snapshot summarises what you have learned. The strategies were previously published in TRADERS' magazine. Written by an experienced Forex trader who

is also a journalist and writer, Super Trading Strategies will help you win the battles of the Forex markets.

Voice of Foreign Exchange Stephen Gose, 2016-12-23 The Voice of Foreign Exchange is a series of books reinventing the Elliott Wave Theory using modern data communications formula and has 450+ pages of bonus content, mql source code, and tutorials. The formulas, I discovered in 2009-2010, led a Russian telecommunications specialist to victory in the 2011 MQL4 competition. I will explain, in layman's terms, how electronic data communication networks (ECN) operate, the protocols used, and how those networks impact all ForEx Trading Methods, Investment MT4 or MT5 Trading System, Forex Technical Trading Strategies, and MQL4 or MQL5 Expert Advisors (EA) programming. I also teach you how to troubleshoot and discover to MT4/5 connections to your ForEx Investment Broker. I have read thousand of articles and books on Foreign Exchange (ForEx), and not one takes into consideration what I will reveal in this book. What an arrogant, bold statement ..., you must be thinking? Here's my challenge during this initial launch; begin reading as many articles, forum posts and books (free samples?) as you are able. After this free initial book launch, my 118 page book and 450+pages of bonus content returns to normal price. Establish, in your own mind, what's available today in all the current Expert Advisors for ForEx, then read this book and supplements and use my Expert Advisors from my tutorials in Chapter 5 and 6 -- or build your own from the instructions I provide.

Profitable Forex Trading Strategy Blueprint Fxmindtrix Academy, Anas Abba, 2020-05-09 Are you tired of being unable to earn consistent profits through forex trading, even after trying out countless forex trading strategies which were supposed to work? Would you like to learn how to double your forex trading account with the proven risk and money management techniques used by professional forex traders and hedge funds? Then this profitable forex trading strategy blueprint is exactly what you've been looking for! You see, After teaching thousands of people How To Become Successful Forex Traders, I've watched some become wildly successful and others struggle to make money even though they use the same forex trading strategies to trade the markets. And this is why, I decided to create a step by step guide, which will show struggling forex traders how to identify low risk, high probability forex trade setups with ease. The truth is, Forex Trading Strategies are not all you need to become a consistently profitable trader. Don't believe me? Well, try this. Teach a group of traders how to trade using a simple forex trading strategy which is proven to work, time and time again, and then give them the same startup capital. By the end of the year, you'll discover that those traders would have completely different trading results. Some of them would earn insane amounts of profits while others would struggle really hard just to break even while others are going to lose money. The reason why this happens is simply because trading success does not depend on forex trading strategies alone. Successful and consistently profitable trading is built upon 3 critical foundations; Trading Psychology Trading Strategy Position Sizing And this is why I strategically designed this book to show you exactly what I do to consistently squeeze profits out of the spot forex market, like clockwork. Here's what you're going to learn In this book; A forex trading technique which will tell you where to enter and when to exit trading positions in the forex markets How to use multiple timeframe analysis to considerably minimize your average risk per trade like the PRO Forex Traders How to take advantage of super low risk, high probability trading setups within trending market environments Advanced trade management techniques which will help you to cut your trading losses short and let your profits run So, what are you waiting for? Click on the on the 'Buy Now' button to discover that elusive missing piece of the profitable forex trading puzzle which you've been searching so long and hard for, right this minute. I'm pretty sure you're not going to regret this decision. It's a really No - Brainer. See you on the inside. P.S. I must warn you that this course

is NOT a Magic Button or a Get - Rich - Quick Program which will transform you into an overnight millionaire without putting in any work, because it's NOT. In fact, Do yourself a favour and run away from anyone who tries to sell that to you. However, If you're willing to learn and work hard to practice what you've learn with play money in a virtual trading environment until you establish a track record of profitability, before switching to Live Forex Trading, then this book has the potential to transform your financial situation for the better, beyond your wildest dreams and imaginations.
