José Ferrer Mike Peros, 2020-09-15 José Ferrer (1912–1992) became the first Puerto Rican actor to win the Best Actor Academy Award for the 1950 film version of *Cyrano de Bergerac*. His iconic portrayal of the lovelorn poet/swordsman had already won him the Tony in 1947, and he would be identified with *Cyrano* for the rest of his life. Ferrer was a theatrical dynamo with limitless energy; in 1952 he directed *Stalag 17*, *The Fourposter*, and *The Shrike* (which he starred in) on Broadway, while New York City movie marquees were heralding his appearance in *Anything Can Happen*. At his apex in the 1950s, Ferrer was in constant demand both in theater and movies. He capitalized on his Oscar with such triumphs as *Moulin Rouge* and *The Caine Mutiny*. Not content with merely acting, Ferrer soon became a force behind the camera, acting and directing such critically well-received films as *The Shrike* and *The Great Man*. Success proved difficult to sustain. In the late 1950s, such ambitious theatrical productions as *Edwin Booth* and *Juno* were critical and commercial flops, while film studios also lost their patience with him. By the mid-1960s, Ferrer took whatever roles he could get in films, television, or regional theater. In addition, Ferrer had a turbulent personal life. His first marriage to actress Uta Hagen ended in divorce and scandal. His personal and professional relationship with his Othello costar Paul Robeson landed Ferrer before the House Un-American Activities Committee. Ferrer's marriage to actress/dancer Phyllis Hill was marred by his infidelity, while his initial wedded bliss with singer Rosemary Clooney eroded as his career began to ebb while hers started to peak. In spite of everything, Ferrer managed to endure and was working practically right up to his death. Ferrer maintained his pride in his Puerto Rican heritage, donating his Oscar to the University of Puerto Rico while championing the work of Latino poets and playwrights. He continuously evolved, striving to remain relevant, stretching his talents (including cabaret, operas, musicals, and yes, ballet!), and writing the occasional guest column for major newspapers. Ferrer's life is an American success story and a testament to reinvention and resilience.

Jeffrey Hunter Paul Green,2014-04-22 Jeffrey Hunter is best remembered today for his roles as half-breed Martin Pawley in John Ford's classic western The Searchers (1956), as Jesus Christ in Nicholas Ray's King of Kings (1961) and as Christopher Pike, the first captain of the U.S.S. Enterprise, in the original Star Trek pilot. This work chronicles Hunter's entire film and television career from his beginnings as a 20th Century-Fox contract player to his untimely death in 1969 at the age of 42. Fellow 20th Century-Fox contract player Robert Wagner provides the Foreword and contributes his memories of working with Hunter. Former vice president and head of Desilu Studios Herbert F. Solow discusses Hunter's role in the original Star Trek pilot and Lloyd J. Schwartz shares his memories of being present at Hunter's audition for the role of Mike Brady in The Brady Bunch (1969). Hunter's "lost" film Strange Portrait (1966) is also discussed in detail and his radio and theatre career highlighted.

Characteristics of Games George Skaff Elias,Richard Garfield,K. Robert Gutschera,2020-12-08 Understanding games--whether computer games, card games, board games, or sports--by analyzing certain common traits. Characteristics of Games offers a new way to understand games: by focusing on certain traits--including number of players, rules, degrees of luck and skill needed, and reward/effort ratio--and using these characteristics as basic points of comparison and analysis. These issues are often discussed by game players and designers but seldom written about in any formal way. This book fills that gap. By emphasizing these player-centric basic concepts, the book provides a framework for game analysis from the viewpoint of a game designer. The book shows what all genres of games--board games, card games, computer games, and sports--have to teach each other. Today's game designers may find solutions to design problems when they look at classic games that have evolved over years of playing.

The Wizard of Oz FAQ David J. Hogan,2014-06-01 The Wizard of Oz FAQ is a fact-filled celebration of the beloved 1939 fantasy masterpiece starring Judy Garland. It's all here - from L. Frank Baum and his Oz novels to the complete background story of the movie's conception, development, and shoot, with special attention given to the little-known parade of uncredited directors, casting difficulties, and on-set accidents and gaffes, as well as more

than 75 sidebars devoted to key cast members, directors, and other behind-the-scenes personnel. You'll find a wealth of fun facts: How MGM overworked Judy Garland before, during, and after *Oz*; why director Victor Fleming had his hands full with the Cowardly Lion and Dorothy's other friends; what it was about Toto that really bothered Judy; the physical horrors of filming in Technicolor; the racial *Oz* gag that was scripted but never shot; when the Wicked Witch was going to be beautiful; why *The Wizard of Oz* owes a lot to silent-screen star Mary Pickford; the story of deleted scenes, and a full two weeks of shooting that had to be scrapped; why MGM star Mickey Rooney was part of the movie's traveling publicity blitz; how the Wicked Witch was literally blown off her broomstick one day; the place where lions, tigers, and bears really do live together; singers you hear but never see; the day MGM fired Judy Garland; and much more. Just follow the yellow brick road!

Tashlinesque Ethan de Seife, 2012-03-01 Frank Tashlin (1913-1972) was a supremely gifted satirist and visual stylist who made an indelible mark on 1950s Hollywood and American popular culture—first as a talented animator working on Looney Tunes cartoons, then as muse to film stars Jerry Lewis, Bob Hope, and Jayne Mansfield. Yet his name is not especially well known today. Long regarded as an anomaly or curiosity, Tashlin is finally given his due in this career-spanning survey. *Tashlinesque* considers the director's films in the contexts of Hollywood censorship, animation history, and the development of the genre of comedy in American film, with particular emphasis on the sex, satire, and visual flair that comprised Tashlin's distinctive artistic and comedic style. Through close readings and pointed analyses of Tashlin's large and fascinating body of work, Ethan de Seife offers fresh insights into such classic films as *Will Success Spoil Rock Hunter?*, *The Girl Can't Help It*, *Artists and Models*, *The Disorderly Orderly*, and *Son of Paleface*, as well as numerous Warner Bros. cartoons starring Porky Pig, among others. This is an important rediscovery of a highly unusual and truly hilarious American artist. Includes a complete filmography.

Playing Games in Nineteenth-Century Britain and America Ann R. Hawkins, Erin N. Bistline, Catherine S. Blackwell, Maura Ives, 2021-11-01 A vital part of daily life in the nineteenth century, games and play were so familiar and so ubiquitous that their presence over time became almost invisible. Technological advances during the century allowed for easier manufacturing and distribution of board games and books about games, and the changing economic conditions created a larger market for them as well as more time in which to play them. These changing conditions not only made games more profitable, but they also increased the influence of games on many facets of culture. *Playing Games in Nineteenth-Century Britain and America* focuses on the material and visual culture of both American and British games, examining how cultures of play intersect with evolving gender norms, economic structures, scientific discourses, social movements, and nationalist sentiments.
