The Ocean at Home Bernd Brunner,2005-05-12 The mysterious world beneath the ocean's surface has captivated man for centuries the Egyptians, Greeks, Romans, and ancient Chinese all kept fish in their homes for purposes other than the culinary. But it was not until the nineteenth-century invention of the aquarium that the deep was truly domesticated, offering the curiously inclined a chance to invent their very own exotic sea world within their own walls. In this fascinating history of the aquarium, Bernd Brunner traces the development of this most wonderful invention, giving insight into the cultural and social circumstances that accompanied its swift rise in popularity. Brunner tells a compelling story of obsession, beauty, discovery, and delight, from the aquarium's humble origins as a tool for scientific observation to the Victorian era's elaborately decorated containers of oceanic curiosity, to the great public aquaria of the twentieth century.

The Short Story in German in the Twenty-first Century Lyn Marven,Andrew Plowman,Kate Roy,2020 Since the 1990s, the short story has re-emerged in the German-speaking world as a vibrant literary genre, serving as a medium for both literary experimentation and popular forms. Authors like Judith Hermann and Peter Stamm have had a significant impact on German-language literary

culture and, in translation, on literary culture in the UK and USA. This volume analyzes German-language short-story writing in the twenty-first century, aiming to establish a framework for further research into individual authors as well as key themes and formal concerns. An introduction discusses theories of the short-story form and literary-aesthetic questions. A combination of thematic and author-focused chapters then discuss key developments in the contemporary German-language context, examining performance and performativity, Berlin and crime stories, and the openendedness, fragmentation, liminality, and formal experimentations that characterize short stories in the twenty-first century. Together the chapters present the rich field of short-story writing in Germany, Austria, and Switzerland, offering a variety of theoretical approaches to individual stories and collections, as well as exploring connections with storytelling, modernist short prose, and the novella. The volume concludes with a survey of broad trends, and three original translations exemplifying the breadth of contemporary German-language short-story writing.

Join Heather Bancroft for the adventure of a lifetime in another 'unputdownable' Mike Wells thriller. Readers of James Patterson, Sidney Sheldon and Danielle Steel will enjoy this series. □□□□□ From Jayne Lockwood Reviews This is another enormously enjoyable read from Mr. Wells. Heather is young, beautiful, living and working in New York City. There she gets involved in a dangerous game which seems to be the answer to all her financial worries. AND she meets her perfect man. Life is going swimmingly until she loses everything and has to claw it back, pitting her wits against an elusive millionaire whose get rich quick schemes have resulted in the ruination of countless other people. There is intrigue, tension, international travel, glamour, gleaming yachts, designer clothes, beautiful women, peril on the streets of Paris, murder and sex. It's all in there, a luscious mix of Sidney Sheldon and Shirley Conran, updated and fresh enough to stand tall in the 21st century. I could not put this book down. It was a huge amount of fun but more than that, it has stayed with me and is definitely one I will be recommending to anyone who wants a more than just a sexy romp through a millionaire's playground. □□□□□ Reviewed by David Savage, What's Good to Do Magazine A story of money, greed, scams, revenge and love!
