TAI DIVINATION WORKBOOK Erik Thorell,2015-11-11 Author Erik Thorell reveals his new publication, TAI Divination Workbook. TAI Divination is the fusion of three ancient divination systems: Tarot, Astrology and the I Ching or TAI. These 3 systems have come together in one reading, probably for the first time ever in the history of divination. You don't have to be psychic to use TAI, and TAI is easy to understand for beginners, and in-depth enough

for experts. TAI is not intended to compete with or replace existing forms of divination or Holy Scriptures of various religions. They all originally come from the Divine that lives within a man to help, advise and guide him in his life. The author respects all the founders equally as God's messengers. This brings to mind of a bowl full of small cards with quotes from the Bible, a device which his Salvation Army parents used to ask questions via the ancient art of bibliomancy. TAI was accidentally discovered February 11th 1981 and co-incidentally published in 2015, the third year of the Aquarian age. Pray that the Divine within speaking via TAI advises all equally kindly and wisely.

With just three dice, you can receive answers to basic questions or initiate a deeper interpretive journey. Based on elemental forces that have been consulted by healers and sages for thousands of years, this dice oracle will inspire you to see yourself and the world with a whole new perspective. This book shares instructions and rituals for using the oracle with dice or other divinatory tools. You will also find a list of meanings for every possible elemental combination, and explanations of how Earth, Air, Fire, Water, Sun, and Moon manifest in this divination system. When you explore the oracle's patterns and correspondences, you gain insight into the challenges and concerns that we all face. Integrate the power of the elements as you make your way through the magic and mystery of life with Elemental Divination as your guide.
