**Greg Polkosnik**

Fashion Astrology Suzanne Siegel-Zenkel, 2001-06 Learn what fashions go with your personality and zodiac sign, and find out what suits your friends, too. Written in a breezy style that today's hip gal will love. 80-page hardcover book with a 24K gold-plated charm on a ribbon bookmark; 3-1/4 wide x 4 high.

*Star Struck Style* Greg Polkosnik, 2017-10-05 In your birth chart, your sun sign has a natural connection with your sense of self-expression. Astrological style expert Greg Polkosnik first explored that territory in his groundbreaking book *Cosmically Chic: Discovering Your Fashion Style through Astrology*. However, that was almost twenty years ago. Just like the designers we revere and the celebrities that inspire us, fashion is always adapting to catch the eye of a new audience. *Star Struck Style* is not a knockoff of its predecessor, but rather a head-to-toe remake of a classic, designed for the fashion-savvy reader of today. With enhanced sun-sign advice, fresh fashion commentary and updated celebrity profiles, *Star Struck Style* takes fashion astrology into places it has never been before.

**Cosmically Chic** Greg Polkosnik, 2000 *Cosmically Chic: Discovering Your Fashion Style through Astrology* is a unique book that offers a new twist in the realm of astrology titles. Instead of complex charts and incomprehensible jargon, author Greg Polkosnik provides readers with straightforward fashion advice that is based on their zodiac sign—cleverly combining two areas of interest for many women. This book is an exciting new way to answer the eternal burning question: What should I wear? *Cosmically Chic* dedicates a chapter to each zodiac sign and gives an extensive analysis of fashion dos and don'ts targeted to each symbol. The author also addresses hair, makeup, and accessory issues, as well as provides various celebrity profiles that help illustrate his fashion paradigm.

Authoritative but humorous in tone, *Cosmically Chic* is a fun and sassy addition to the usually predictable New Age bookshelf.

Planetology Annie Botticelli,2020-12-08 This is the first mainstream book to look at the whole range of astrological rhythms, including the planetary retrogrades and eclipses as well as the monthly moon cycle, in order to achieve success and a more contented and naturally flowing life. This is the first-ever mainstream guide to working with the astrological cycles of the Universe. It will allow you to plan ahead and achieve more success in your projects, by taking risks at certain times and avoiding them at others, and also enable you to live more fully and joyfully, flowing with the natural rhythms of life. Accessible to complete beginners as well as offering more complex insights to those who already practise astrology, Planetology is packed full of hands-on projects to help readers work with Mercury, Venus, Mars and the sun and moon, each project with three levels of increasingly complex tasks that are designed to draw readers up to mastery level. At the book's core is Annie Botticelli's ASTRO system, which enables readers to align with each planet's motion through: Awareness (projects to work with each planet); Strategy (how to plan ahead for each cycle); Techniques (exercises that range

from tapping to mineral soaks and detoxes to mantras); Remedies (such as crystals and homeopathy, all tuned into the planet under discussion); and Openness to unexpected, perhaps unwanted outcomes brought to you by Divine plan. These techniques, such as prayer and meditation, allow you to be receptive to the great universal flow that supersedes any one planetary cycle.
