Very Funny Ladies Liza Donnelly,2022-03-01 It's no secret that most New Yorker readers flip through the magazine to look at the cartoons before they ever lay eyes on a word of the text. But what isn't generally known is that over the decades a growing cadre of women artists have contributed to the witty, memorable cartoons that readers look forward to each week. Now Liza Donnelly, herself a renowned cartoonist with the New Yorker for more than twenty years, has written this wonderful, in-depth celebration of women cartoonists who have graced the pages of the famous magazine from the Roaring Twenties to the present day. An anthology of funny, poignant, and entertaining cartoons, biographical sketches, and social history all in one, Very Funny Ladies offers a unique slant on 20th-century and early 21st-century America through the humorous perspectives of the talented women who have captured in pictures and captions many of the key social issues of their time. As someone who understands firsthand the cartoonist's art, Donnelly is in a position to offer distinctive insights on the creative process, the relationships between artists and editors, what it means to be a female cartoonist, and the personalities of the other New Yorker women cartoonists, whom she has known over the years. Very Funny Ladies reveals never-before-published material from The New Yorker archives, including correspondence from Harold Ross, Katharine White, and many others. This book is history of the women of the past who drew cartoons and a celebration of the recent explosion of new talent from cartoonists who are women. Donnelly interviewed many of the living female cartoonists and some of their male counterparts: Roz Chast, Liana Finck, Amy Hwang, Victoria Roberts, Sam Gross, Lee Lorenz, Michael Maslin, Frank Modell, Bob Weber, as well as editors and writers such as David Remnick, Roger Angell, Lee Lorenz, Harriet Walden (legendary editor Harold Ross's secretary). The New Yorker Senior Editor David Remnick and Cartoon Editor Emma Allen contributed an insightful foreword. Combining a wealth of information with an engaging and charming narrative, plus more than seventy cartoons, along with photographs and self-portraits of the cartoonists, Very Funny Ladies beautifully portrays the art and contributions of the brilliant female cartoonists in America's greatest magazine.

Funny Pictures Daniel Ira Goldmark,Charles Keil,2011-07-21 This collection of essays explores the link between comedy and animation in studio-era cartoons, from filmdom's earliest days through the twentieth century. Written by a who's who of animation authorities, Funny Pictures offers a stimulating range of views on why animation became associated with comedy so early and so indelibly, and illustrates how animation and humor came together at a pivotal stage in the development of the motion picture industry. To examine some of the central assumptions about comedy and cartoons and to explore the key factors that promoted their fusion, the book analyzes many of the key filmic texts from the studio years that exemplify animated comedy. Funny Pictures also looks ahead to show how this vital American entertainment tradition still thrives today in works ranging from The Simpsons to the output of Pixar.

A Funny Year in the Garden Chris Madden,2006-10-01 Chris Madden's collection of cartoons about gardening and gardeners will raise a smile for anyone who has even the slightest interest in the patch of land outside their home. Concentrating on the people in the garden as much as the activities that are performed there, there are cartoons here for everyone who has a garden or an interest in gardening (and whether they're interested in cultivating the garden or simply sitting in it). The characters introduced in the cartoons range from the obsessive gardener for whom a single leaf out of place is a cause for concern, through the person who'd rather dig the garden than decorate the kitchen (this is the author's position), to the person whose idea of gardening is lying on a lounge with a good book (perhaps this one).
