**Natasha Dow Schüll**

*Addiction by Design* Natasha Dow Schüll, 2014-05-11 Recent decades have seen a dramatic shift away from social forms of gambling played around roulette wheels and card tables to solitary gambling at electronic terminals. Slot machines, revamped by ever more compelling digital and video technology, have unseated traditional casino games as the gambling industry's revenue mainstay. *Addiction by Design* takes readers into the intriguing world of machine gambling, an increasingly popular and absorbing form of play that blurs the line between human and machine, compulsion and control, risk and reward. Drawing on fifteen years of field research in Las Vegas, anthropologist Natasha Dow Schüll shows how the mechanical rhythm of electronic gambling pulls players into a trancelike state they call the machine zone, in which daily worries, social demands, and even bodily awareness fade away. Once in the zone, gambling addicts play not to win but simply to keep playing, for as long as possible—even at the cost of physical and economic exhaustion. In continuous machine play, gamblers seek to lose themselves while the gambling industry seeks profit. Schüll describes the strategic calculations behind game algorithms and machine ergonomics, casino architecture and ambience management, player tracking and cash access systems—all designed to meet the market's desire for maximum time on device. Her account moves from casino floors into gamblers' everyday lives, from gambling industry conventions and Gamblers Anonymous meetings to regulatory debates over whether addiction to gambling machines stems from the consumer, the product, or the interplay between the two. *Addiction by Design* is a compelling inquiry into the intensifying traffic between people and machines of chance, offering clues to some of the broader anxieties and predicaments of contemporary life. At stake in Schüll's account of the intensifying traffic between people and machines of chance is a blurring of the line between design and experience, profit and loss, control and compulsion.

**Slots** David V. Forrest, 2012-01-03 A renowned psychiatrist explores the world of slot machine gambling and the almost religious devotion that has turned it into a billion-dollar industry. This astonishing book reveals that there's a lot more to playing slot machines—one of America's fastest growing forms of entertainment—than good fun, deep relaxation and the dream of a multi-million-dollar jackpot. Slots tells how the machines work, how the random numbers that govern them are generated, and how the casinos make their profit . . . slowly but surely . . . as they keep only a dime of every dollar invested. It also offers strategies of slot play, and suggests alternate activities to distract us when casinos become harmfully habitual. But ultimately, as Dr. Forrest writes, to spend one's time feeding money to the machines is to participate in, well . . . a form of prayer. And the gaming industry seems very much aware of it, as players annually plunge more than \$365-billion into slots (of which casinos keep about \$30-billion); and as casinos—70 to 85 percent of whose profits are earned by slot machines—have spread to more than a dozen states and even into a number of racetracks (where they're called "racinos"). What this book describes with both humor and a sense of awe is the way slots emporia have steadily been transformed from underground grottos to soaring cathedral-like structures where congregants sit and commune—all to the end of worshipping the god of chance.

**Slots Conquest** Frank Scoblete, 2010-10-01 Think all slot machines are the same? If so, that's why you're losing money. Slots Conquest will teach readers all the nuances of slot machines to improve the odds of winning. Written by one of the most experienced professional gamblers in the profession, Slots Conquest opens up the secret world of slot machines to everyone so that readers can learn how to identify the machines that will give the best odds to win. Different machines offer different odds of success, and this book explains how to identify the best machines to play in the casino to guarantee walking out a winner. Whether you're a longtime fan of the one-armed bandit or brand new to slot machines, Slots Conquest will change your approach to slot machines instantly.

**Break the One-Armed Bandits** Frank Scoblete, 1994 One of America's bestselling gaming authors has written the definitive book on slot machines. Players can learn what makes some machines player-friendly and other machines player-deadly and how to distinguish between them. In the land of the one-armed bandits, this new book is the road map slot players need.

**The Slot Machine** Dave Aquino, 2008-05 Harry Ordway has always done everything right. His life, career, wife and faith are all planned for him by his overly religious parents. Bored, restless, over sheltered and too much time on his hands, it was only a matter of time before he got into mischief. After a dare accepted to destroy a slot machine owned by mob boss Joey Carter, this sheltered young man is put into the underbelly of the gambling and criminal world. He owes Joey more than he could ever pay, and Joey is a man who collects his debts. Thinking he's probably a dead man, Harry tries to return the stolen money to Joey, but that's not good enough. Joey insists Harry do a job for him; collect an old debt from another mobster. At first all Harry wants to get Joey out of his world and go back to the planned life his parents designed for him. Later, Harry is surprised to see that Joey may be a gangster, but he has a heart of gold and shares a common feeling of being victimized. As for Harry, his adventures in the larger world beyond the small town

where he grew up have taught him many things about responsibility and being true to himself. He may have left town a boy, but he has returned a man. Sometimes a little rebellion is all you need to change your life.

How to win BIG and Make Money on High Limit Slots John F. Kennedy,2018-10-17 This book is about bettering your odds on playing High Limit Slot Machines. There is a myth that you can't make money on slot machines. However, over the years through trial and error, I have discovered a system that has been working for me over several years that has helped me produce almost a million dollars in hand pay jackpots. A system that I have expressively shared in this informational guide. All this information is based on my own personal gambling experiences in various casinos' around the USA. My branded phrase is flippin your money and dippin into theirs, never using your hard-earned money again! -hence the meaning behind the phrase flippin n dippin.

*King of the Slots* Jack Harpster,2010-05-05 This book offers the first full-length biography of the man often described as one of the most influential and innovative people in the gaming industry over the past 50 years. King of the Slots: William Si Redd relates the fascinating, only-in-America success story of one man's improbable rise from the depths of poverty to the heights of international commerce and dazzling wealth. William Silas Si Redd is recognized as one of the most important and influential persons in the gaming industry over the past half century. The company he founded, International Game Technology (IGT), is the world leader in the manufacture of gaming equipment and gaming software features. His video poker is the most popular slot machine since the original debuted in 1899. King of the Slots covers the life (1911-2003) and rags-to-riches story of the man who changed the face of the casino gaming industry. Both a business book and a biography, it introduces readers to the nation's leading gaming centers, Apollo-era technology and how it changed gambling, and the race to perfect the first video poker game. It also gives them a chance to meet the characters with whom Redd rubbed shoulders, including Howard Hughes, Mafia capo Raymond Patriarca, Arizona cowboy and pig farmer Jimmie Hughes, gaming legend Bill Harrah, and casino visionary Jay Sarno.

Casino Slot Machines Strategy - Learn How Succeed Gambling Under C. O. N. T. R. O. L. Johnny Depot,2012-05-17 As a 20+ year casino gambler, I am showing the only system I use to bet slot machines. This slot machine strategy will keep more money in your pocket and that is the goal of gambling. When I visit the casinos, I usually play the table games, but when I decide to play the one armed bandits I make sure I do in the most intelligent way possible. Casino slot machines are everywhere. Let us face the facts, there is no guaranteed ways of winning at the slot machines, but my method will give you the best chance of walking out the door with more money than you started with playing slots. The C.O.N.T.R.O.L. book series will focus on a variety of systems covering a wide range of endeavors. All books follow the same goal of my other books on casino gambling, which is capital preservation. This method of play accomplishes two of the most important aspect of gambling; keeping risk low and preservation of capital. This book is for the gambler who plays the slots machines, also known as the one armed bandits. The Slot Machines players are mostly senior citizens, people new

to gambling and persons intimidated by the table games. This book teaches a simple and effective method of trying to keep your Capital while playing slots. This book shows the better how to get maximum value for the risk. All risk management is explained, as well as CONTROL as it pertains to Slot Machine Gambling. This is a must own book for all slot players.
