Subway Surfers Trickster Publications,2017-01-30 With smartphones becoming cheaper and every Tim, Dick and Harry getting one, the mobile gaming market has boomed. Today, we have come a long way from that simple ever-growing snake game. With the dawn of Temple Run, mobile gaming saw a new revolution. From the usual simple, single goal oriented games, we switched to never ending games that had multiple missions! Subway Surfers is one of those games. Created by Kiloo & SYBO games, the game is a never-ending game. A character, a male or female teenager or young adult, who is vandalizing a subway train with some spray paint, represents the player. An Inspector and his dog then catch the character in the act and the aim of the game is to run away from the two and not get caught. The game has a World Tour theme and the location of the game is changed on a monthly basis, such as Rio de Janeiro, Tokyo, Sydney, Mumbai, New York, Rome, Miami, etc. The game starts out with you playing Jake, the default character. As the game progresses, you can use tokens or coins to unlock more characters and outfits. The game is currently available on three platforms - Windows Phone, Android and iOS. This book contains detailed information about the game, from all the features, objectives, power ups, characters, hover boards, etc. as well as including a chapter of things you should keep in mind while playing the game! I would like to take this opportunity to thank you for purchasing this book and I hope you will find the content of this book helpful!
